Nothing to do but work,
Nothing to eat but food,
Nothing to wear but clothes,
To keep one from going nude,
Nothing to breathe but air,
Quick as a flash 'tis gone,
Nowhere to fall but off,
Nowhere to stand but on,
Nothing to comb but hair,
Nowhere to sleep but bed,
Nothing to weep but tears,
Nothing to bury but dead,
Nothing to sing but songs,
Ah, well, alas, Alack,
Nowhere to go but out,
Nowhere to come but back.

The great republican convention at Chicago is now in session. It is likely that Taft will be nominated for the presidency on the first ballot. If he fails to receive the nomination on first ballot it is thought that Roosevelt will be nominated. Cummins of Iowa apparently stands best chance for nomination to the office of vice-president.

EUGENE GOES WILD WITH JOY

(Continued from first page.)

done! Indeed, the issue was tremendous. The intellectual and social life of the state of Oregon hung in the balance. The development of the future was at stake.

"At 6 in the evening came word from Lebanon: 'We will lose this county by 900.' A little later the telephone brought another message: 'Yamhill lost by 950.'

These were the heavy guns of the enemy. At 7:30 a telegram arrived: 'Salem is against us 1200 strong.'

Then following a silence, when strong men clenched their hands and looked into each other's eyes with the fear of defeat. Were two years of faithful work to count for nothing? Must the long road be gone over again? For be it known by the people of Oregon that never once did the respectable committee, or the friends, faculty and students of the University think of abandoning their cause."

"A whole city was tense with excitement. On the college campus there was no studying. Students clung to the telephones eager for the last word. But the sanguine freshman shared none of these alarms. That happy species of animal knows neither anxiety or terror. Quite calmly, as if all were decided and the fate of a commonwealth did not hang in the balance, the freshman gathered him wood for a great celebration. He heaped up a mighty bonfire pile ready to light in the evening. At the very top, on a large green pole was put a tar barrel. To the freshman this symbolized the referendum; he was preparing to celebrate its downfall."

"A city was transformed overnight. It awoke on the morning of June 3 to find its heart's desire attained. Swift and sharp was the contrast between previous despair and the present joy. The university and the city of Eugene went mad. A monster rally was soon in preparation. Then, it was that the wisdom of the freshman became apparent."

LINE IS POPULAR

Work on the Home Telephone Co's lines is progressing satisfactorily. Practically all the lines and cables are up and a number of instruments have been installed. In a short time the public will have service over the new line. The work of installing the new switchboard is under way. It is expected that the work will be completed in the next two weeks. Those who intend to have a phone installed should inform Manager Bice as early as possible.

The Home Telephone is a local institution and as such it should have the patronage of the people of Independence and surrounding country. The rates are reasonable. They do not ask you to sign a contract for any length of time, but will depend upon good service to hold your patronage.

ONE RIB WAS BROKEN.

James Huntley, who resides out north of Independence, met with an accident sometime ago which, though not overly painful at the time, resulted more seriously than was at first anticipated. Mr. Huntley was out in the field cutting wood and had driven a glut of wedge into a log to split it when it flew out striking him in the ribs of the right side. The blow took his breath at the time and continued to pain him for several days until his wife persuaded him to go and see a doctor. Mr. Huntley was surprised when last Friday a physician at Salem proved to him that one rib was broken. As a consequence he is going about in splints so tight that he can hardly breathe.

The Best Pills Ever Sold.

"After doctoring 15 years for chronic indigestion, and spending over two hundred dollars, nothing has done me as much good as Dr. King's New Life Pills. I consider them the best pills ever sold," writes E. F. Ayscure, of Ingleside, N. C. Sold under guarantee at all druggists. 25c

There is more Calarrh in this section of the country than all other countries put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and proscribed local remedies, and by constantly failing to cure with local treatments pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Calarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucus surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
