## CLAY CRIDER DIES

A telegram from San Jose, California, this morning brought the sad news of the death of Clay Crider, a son of Mr. and Mrs. J. W. Crider, former well-known residents of Dallas. Death was caused by appendicitis.

The first news of the young man's illness was received by his brother, Chauncey, Sunday morning, in a letter saying that his condition was critical, but that the doctors hoped to save his life without an operation. This letter was followed by a telegram at 7 o'clock last night, in which it was stated that the patient was sinking rapidly and that no hope was entertained of his recovery. In response to this dispatch, Chauncey left at once for Salem and took the night train for San Jose. The news of his brother's death will probably reach him in northern California today. It is not known here whether an operation was performed in the hope of saving the young man's life.

Clay Crider was the second son of Mr. and Mrs. J. W. Crider, and was born in Dallas 22 years ago. He attended the public school in Dallas and finished his education in the University of California, graduating with high honors in the class of 1907. Immediately after his graduation, he succeeded to his father's interest in the real estate firm of Hoback & Crider, in San Jose, and conducted his share of the business with great success up to the time of his death. Two months ago he came to Dallas and acted as best man at the wedding of his brother, Chauncey, and Miss Ruth VanOrsdal. He was enjoying the best of health at that time, and the news of his sudden death is therefore all the more shocking to his many friends in this city.

Clay was a young man of excellent business ability, and by his kind disposition and refined manners he gained and held the warm friendship of all with whom he became acquainted. His death at the beginning of a promising career will be deeply mourned, and the sympathy of a wide circle of friends goes out to the surviving relatives in their sad bereavement.—Dallas Observer.

### No Need of Suffering from Rheumatism.

It is a mistake to allow rheumatism to become chronic, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Pain Balm. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. 25 and 50 cent sizes for sale by P. M. Kirkland.

### Died in Independence.

William A. VanLoan, who on his way to Independence a week ago, contracted pneumonia while enroute, died at the home of his son, J. L. VanLoan, who resides in the southern suburbs of Independence, Sunday, June 21. The remains were shipped to the family home in Spring Valley, Minnesota, Monday, where they were laid to rest. Mr. VanLoan was aged 73 years but was of robust health and his death was a great shock to his friends both here and in Minnesota.

### You Should Know This.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more.—Dove & Williams.

## WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. Jos. Whitford, living in Independence, Ore., says: Doan's Kidney Pills helped my husband a great deal when he was suffering from kidney complaint and backache. At times he would be so stiff that he was hardly able to move and if he attempted to do so, sharp pains would catch him in the kidneys. The secretions were so frequent as to force him to arise many times during the night. He procured a box of Doan's Kidney Pills at P. M. Kirkland's Drug Store and began their use. He noticed a great change for the better in a short time and now he feels much better than he has in a long time. We are glad to give Doan's Kidney Pills our recommendation. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States.

Remember the name Doan's and take no other.

In the case of Jas. Scanlon, who was recently tried in Dallas on a charge of larceny from a saloon in Independence, the case was dismissed on the payment of costs. Mr. Scanlon is an old resident of this county and it is gratifying to his friends that he has come clear of the charge which was lodged against him.

### Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera, and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by P. M. Kirkland.

### Leisure Hour Club Entertains.

Committee on books for the ensuing year are as follows: Mrs. D. A. Hodge, Mrs. P. M. Kirkland, Mrs. Hubbard and Mrs. G. W. Conkey. For amusement a guessing contest was arranged at which Mrs. J. S. Cooper won first prize and Mrs. L. Damon won the booby prize.
