THE TRUTH OF THE MATTER

Why go to Salem, Dallas or Portland for an Edison Phonograph, or buy from a mail order house, when you can buy the same machine from your home merchant at the same price. When anyone tells you that you can buy an Edison Phonograph in Portland, San Francisco, Chicago or any other town for less than you have to pay in Independence put it down at once as false.

The Edison Phonograph too fixes the price and all merchants dealing in Edison Phonographs can only sell at that price.

Some houses advertise an Edison outfit No. 5 or No. 7 for such and such a price. Now as a matter of fact the Edison Phonographs are not numbered but go by name as Gom, Standard, Home, etc.

We have a full line of Phonographs and records and will be pleased to sell you one for cash or on easy payments. Phone 251

HOME ENDORSEMENT.

Hundreds of Independence Citizens Can Tell You All About It.

Home endorsement, the public expression of Independence people, should be evidence beyond dispute for every Independence reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterance of strangers residing in faraway places. Read the following:

Mrs. Sarah Burright, living in Independence, Oregon, says: "We have used Doan's Kidney Pills and have found them an excellent remedy for kidney complaint. My husband was suffering from a lame back and received but little relief from the remedies he tried. My son was also suffering from a weakness of the kidneys and in both instances they cured the trouble. I was also suffering from a bearing down sensation in my hips and a tired and languid feeling. I procured Doan's Kidney Pills at P. M. Kirkland's drug store, used them as directed and they cured the trouble. I am glad to have the opportunity of recommending Doan's Kidney Pills."

For Sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York. Sole agents for the United States.

Remember the name Doan's and use no other.

Card of Thanks.

We desire to thank the neighbors and friends for the many acts of kindness and sympathy extended to us during the illness and death of Mrs. Sarah Ellnor Robinson.

BOSTONIANS

FOR MEN

Just to save a paltry dollar every six months or so, is it worth while to sacrifice the comfort of untired feet, the benefit of healthy feet, the pleasant consciousness of faultlessly, stylishly shod feet?

Besides, BOSTONIANS wear so much longer than cheaper shoes that there is no real saving after all.

We show the approved styles in all good leathers.
