Hoosier Cabinet Saves Steps

Life is too short to spend even one extra hour a day in a hot and disagreeable kitchen if that hour's work can be saved by an investment of a few dollars. And it can be saved. Do not take our word for it. Let us show you the Hoosier Cabinet that saves the work—then you will know how it is done. It saves all the unnecessary steps—groups everything needed in the preparation of a meal in one complete, well-ordered cabinet. It does away with the kitchen drudgery. Housekeepers who use it have more time out of the kitchen than those who don't. We carry them in various styles and sizes. The one shown above is No. 161 and

FACTS ABOUT STATE FAIR

"Corral," the amusement street of the fair, to a more sightly location.

Although the work of converting the old ground into a modern home for the exposition was begun last year, it is not yet finished. This year many new improvements have been made, chief among which is the addition on the immense grandstand, by which its capacity will be almost doubled, the putting up of miles of fences and the erection of new buildings.

Ten thousand dollars are offered on livestock, agricultural and manufactured products. Eight counties will provide extensive exhibits. Almost every industry will be represented. The livestock show will be unequalled, the agricultural exhibits will be wonderful, and the art department, the floral display, the dairy, poultry and machinery exhibits will all demand the interest of the thousands of spectators who will come from all parts of the northwest to see the fair.

The entertainment of the crowds will not be neglected. The races will be the fastest ever seen on the coast. Two \$5000 purses and six \$1000 purses will draw the best blooded horses in the country, and that there will be records lowered when they meet is conceded.

In addition, many special features and free acts will be provided, and there will be the "Corral," with its side shows, its stands and pleasure seeking crowds, all combined to contribute to the enjoyment and variety of the big exposition.

Another feature is the city of tents. Hundreds of families journey to the fair every year to enjoy the camp life in the grove, where every modern convenience is at hand, together with a week's outing and the sights of the fair.

How's This?
