

## Hoosier Cabinet Saves Steps

Life is too short to spend even one extra hour a day in a hot and disagreeable kitchen if that hour's work can be saved by an investment of a few dollars. And it can be saved. Do not take our word for it. Let us show you the Hoosier Cabinet that saves the work—then you will know how it is done. It saves all the unnecessary steps—groups everything needed in the preparation of a meal in one complete, well-ordered cabinet. It does away with the kitchen drudgery. Housekeepers who use it have more time out of the kitchen than those who don't. We carry them in various styles and sizes. The one shown above is No. 161 and

## BOSTONIANS FOR MEN

Just to save a paltry dollar every six months or so, is it worth while to sacrifice the comfort of untired feet, the benefit of healthy feet, the pleasant consciousness of faultlessly, stylishly shod feet?

Besides, BOSTONIANS wear so much longer than cheaper shoes that there is no real saving after all.

We show the approved styles in all good leathers.
