## Bridge & Beach "Superior"

These heaters give you satisfaction. They warm the apartments better than any other stove, because they are made to throw out the heat. You know that with some heaters you are freezing when the stove is red hot. Those are not the "Superior";—wood eaters.

### The La Cross

The La Cross Disk is the nearest to perfection. We say that it is the best disk plow on the market. If there were a better one we would be selling it. It is properly constructed and made to do the work unequalled by any other make. Just a combination of good qualities is the La Cross.
