EXPLANATION

We don't have to have the money but will protect our trade. This is not a circus nor "hot air" sale, but a strictly business proposition. We conduct our own business and 20 per cent. of our receipts during the next 5 days do not go to professional outside brokerage salesmen.

TRANSPORTATION PAID

To those coming 10 miles by rail or river and purchasing \$10 worth of goods we will pay fare both ways. To those coming 15 miles and buying \$15 worth will pay fare both ways.

The principle under which the Salem Woolen Mill Store has built up the largest retail clothing business in the Willamette valley will not be deviated from during this sale. Customers will be protected and money will be cheerfully refunded to purchasers on request, for any reason whatsoever.
