This statement is substantially a Fact, based upon evidence in the possession of the Agents in the shape of numerous testimonials from past sufferers in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

CURE.

In its hisfory, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was patients of the proprietor, and always sought for by them whenever trauffled with Riberralian, and in this way came to the notice of physicians generally, and through their layor able expression, and its acknowledged value as a Rhoumatic Remedy, the demand for it became so frequent and urgent as to oldige its proprietor to increase his facilities for its menufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada, and in shis way, on a basis of its merit alone—unaided by "tricks of trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rhoumatic compliants. In shis we are really grateful and happy, not alone because cur medicine finds ready sale, and is consequently profitable to us we say this, but because we open a new field in medical science, and cure at once what the best medical precisioners have for ages found so difficult even to relieve. We fill a place heretofore uneccorned. We relieve the suffering and minister to Ged's poor; we restere the laboring men to the use of this injured limbs, and save blue scries of the millions of grateful souls:
