

Local Matters.

G. W. Howard, who never refuses to mend boots and "shoes," has removed his place of business to Waterhouse Block, fronting public square, in the shade of those stately maples.

The Catalogues of Christian College, are now out, and ready for distribution. Parents and friends of education can spend time very profitably, in examining the contents of our new Catalogue.

The highest temperature of the present week, indicated by the mercury, was 88° fah. Since it is the first warm weather of the season, it comes us to experience an uncomfortable amount of caloric.

Messrs. Kramer & Hoge, are first class nail drivers, when it comes to shoeing horses. They have just received a large supply of shoes. They have also constructed a very convenient and useful tire driver. They are confident in being able to accommodate all customers, on short notice.

Wednesday evening the grand festival and students reunion took place in the College Hall, there was just sufficient number in attendance to make it lively and pleasant the time was spent in partaking of the nice things so elegantly prepared for the occasion, with plenty of music by the string band and organists to enliven and variegate the angular movements of the inferior maxillary.

Probably many people in this part of the country are not aware that we have one of the best blacksmiths in the state in Monmouth. Such is the case, however, Bro. W. C. Kennedy has put up a shop and is maintaining his well-earned reputation, as a first class smith on fine work as well as every variety of common blacksmithing. He keeps a good stock of iron and steel, and is prepared to do your work promptly.

The commencement exercises of Christian College took place Wednesday afternoon commencing at 1:30 and lasting till five. The essays and orations were all excellent and gave great credit to the graduating class. The degrees were conferred by Dr. L. L. Rowland, State Superintendent of Public Instruction, with a few very appropriate remarks. The Baccalaureate address was then delivered by Pres. T. F. Campbell, which was replete with wisdom and advice to those about to leave their alma mater.

The entertainment given by the Philanthropic and Vespertine societies, on Tuesday evening was a success in every respect. The exercises were purely of a literary character, such as declamation, essays, orations and songs and if good attention and order, is any criterion by which we are to speak of the merits of these exercises, we can say that they were all of the best quality. During the exercise of the week our town was visited by many of our old schoolmates and classmates, among whom were Dr. T. W. Harris and lady of Albany.

The entertainment of the "Associate Alumni," on Monday evening, were well attended. The exercises were few in number but being first class, great credit was merited by those on duty. The oration delivered by Robt. S. Bean, Esq., of Eugene, showed him to be a profound and thorough student of law. The essay read by Miss Mary Bidwell, of Monmouth, proved her to be a lady of high attainments, and well versed in human nature. The annals read by C. E. Wolverton, Esq., of Albany, were none the less interesting, being varied with an occasional fun causing a pleasant physiognomy to be attached to the auditors.

DISSOLUTION OF COPARTNERSHIP.

NOTICE is hereby given that the copartnership heretofore existing between Cooper & Craig, as proprietors of Monmouth Livery and Feed Stable, is this day dissolved by mutual consent; J. S. Cooper taking all accounts and assuming all liabilities.

Constipation Cured.

An old physician, retired from active practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to his suffering fellows. Actuated by this motive, and a conscientious desire to relieve human suffering, he will send free of charge, to all who desire it, this recipe, with full directions for preparing and successfully using. Sent by return mail by addressing with stamp, naming this paper, Dr. W. C. Stevens, 120 P. street, Block, Rochester, N. Y.

CHRISTIAN COLLEGE,

Monmouth,

POIK COUNTY, OREGON.

The College is one of the core of a Board of Trustees, who will spare no pains to make it equal to the demands of the age.

The members of the Faculty are competent, energetic, and devoted to the cause of education.

THE LOCATION OF THE COLLEGE IS CENTRAL, ACCESSIBLE, AND BEAUTIFUL.

Every candidate for admission into any of the departments of this College, must present satisfactory evidence of good moral character; if he shall have been connected with any other college, he must produce a certificate of honorable standing from the authorities of that college.

The Session consists of two Terms of Twenty Weeks each, with a recess of one week for Christmas holidays, and an Intermediate Examination and Renewing of Classes at the end of the first term.

TUITION PER TERM.

Primary Department.—Thirteen weeks the studies prescribed by law for District or Common Schools. \$9 00

Preparatory Department.—High Arithmetic, Algebra, Geometry, Botany, Zoology, Astronomy, English Grammar and Composition, Latin and Greek Grammar and Readers. 15 00

Collegiate Department.—First College Course. 20 00

Janitor Fee. 2 00

Tuition strictly in advance, as follows:

Forten weeks, or half term, must be paid on entering the school; and like payments to be made at the commencement of each half term to the close of the session.

Board can be had in private families at from \$3 to \$3.50 per week.

DISCIPLINE.

The discipline is mild and firm, administered on the principle that virtue brings its own reward and vice its own shame. The highest incentives to virtuous actions are impressed by precept and example, while vice and immorality are restrained by all proper means. Students are taught rather to govern themselves than to be governed. Moral power is the principle, an appeal to the head and heart, self-government from Christian motive. Hence no student can be permitted to remain who indulges in card-playing, intemperance, profanity, neglect of studies, or any other vice or impropriety. Daily moral instruction based on the Bible, leaves but little else to be done in government.

MIXED SCHOOL.

Experience has demonstrated conclusively that mixed schools, under proper regulations and restrictions, possess decided advantages over exclusive institutions. Young gentlemen and ladies exercise a refining, restraining, yet stimulating influence over each other, when associated in the same school and in the same class, which nothing else can supply. They vie with each other for the wreath of honor, as they labor side by side in a common cause.

THE BIBLE.

God has given man two great volumes—Nature and Revelation—suited to his physical and spiritual constitutions. These are full of facts addressed to the understanding.

From Nature, we learn the principles which minister to the wants of the body, giving food to eat and raiment to wear. From Revelation, we receive those principles by which the spirit is fed, and clothed with truth and righteousness. Any system of education, which neglects either of these volumes is incomplete. To train the intellect in physical science and neglect the moral nature, is dangerous to society; for it imparts power which, without moral principle to guide, may be destructive to the peace and happiness both of the individual and society.

TO THE FRIENDS AND PATRONS OF CHRISTIAN COLLEGE.

The prospects of Christian College are most flattering. The institution is increasing in reputation, and its influence and popularity are rapidly extending. Its friends may anticipate a career of still greater usefulness. The patrons of the school will do well to begin now to shape their business so as to send their sons and daughters at the opening of next session. One full term; taking the classes in order, is worth more than double the time scattered over several sessions. We hope to welcome to the halls of Christian College on the first Monday in September next, a larger number of students, and to inaugurate a more successful and prosperous session than the one soon to close.

A GOOD WELL can be made in one day. Address—Send for our auger book. U. S. AUGER CO. CHICAGO, O. 7-9-20
