CHRISTIAN COLLEGE, Monmouth; POLK COUNTY, OREGON.

The College is under the care of a Board of Trustees, who will spare no pains to make it equal to the demands of the age.

The members of the Faculty are competent, energetic, and devoted to the cause of education.

THE LOCATION OF THE COLLEGE IS CENTRAL, ACCESSIBLE, AND BEAUTIFUL.

Every candidate for admission into any of the departments of this College, must present satisfactory evidence of good moral character; if he shall have been connected with any other college, he must produce a certificate of honorable standing from the authorities of that college.

The Session consists of two Terms of Twenty Weeks each, with a recess of one week for Christmas holidays, and an Intermediate Examination and Renewing of Classes at the end of the first term.

TUITION PER TERM.

Primary Department.—This embraces the studies prescribed by law for District or Common Schools. \$9 00

Preparatory Department.—High Arithmetic, Algebra, Geometry, Botany, Zoology, Astronomy, English Grammar and Composition, Latin and Greek Grammars and Readers. 15 00

Collegiate Department.—Fall College Course. 20 00

Janitor Fee. 2 00

Tuition strictly in advance, as follows:—

For ten weeks, or half term, must be paid on entering the school, and like payments to be made at the commencement of each half term to the close of the session.

Board can be had in private families at from \$3 to \$3.50 per week.

DISCIPLINE.

The discipline is mild and firm, administered on the principle that virtue brings its own reward and vice its own shame. The highest incentives to virtuous actions are impressed by precept and example, while vice and immorality are restrained by all proper means. Students are taught rather to govern themselves than to be governed. Moral power is the principle, an appeal to the head and heart, self-government from Christian motive. Hence no student can be permitted to remain who indulges in card-playing, intemperance, profanity, neglect of studies, or any other vice or impropriety. Daily moral instruction based on the Bible, leaves but little else to be done in government.

MIXED SCHOOL.

Experience has demonstrated conclusively that mixed schools, under proper regulations and restrictions, possess decided advantages over exclusive institutions. Young gentlemen and ladies exercise a refining, restraining, yet stimulating influence over each other, when associated in the same school and in the same class; which nothing else can supply. They vie with each other for the wreath of honor, as they labor side by side in a common cause.

THE BIBLE.

God has given man two great volumes—Nature and Revelation—suited to his physical and spiritual constitutions. These are full of facts addressed to the understanding.

From Nature, we learn the principles which minister to the wants of the body, giving food to eat and raiment to wear. From Revelation, we receive those principles by which the spirit is fed, and clothed with truth and righteousness. Any system of education, which neglects either of these volumes, is incomplete. To train the intellect in physical science and neglect the moral nature, is dangerous to society; for it imparts power which, without moral principle to guide, may be destructive to the peace and happiness both of the individual and society.

TO THE FRIENDS AND PATRONS OF CHRISTIAN COLLEGE.

The prospects of Christian College are most flattering. The institution is increasing in reputation, and its influence and popularity are rapidly extending. Its friends may anticipate a career of still greater usefulness. The patrons of the school will do well to begin now to shape their business so as to send their sons and daughters at the opening of next session. One full term, taking the classes in order, is worth more than double the time scattered over several sessions. We hope to welcome to the halls of Christian College on the first Monday in September next, a larger number of students, and to inaugurate a more successful and prosperous session than the one soon to close.

HUNDREDS CURED DAILY IN OREGON

RHEUMATISM, BY THE DIAMOND RHEUMATIC CURE.

This statement is substantially a Fact, based upon evidence in the possession of the Agents in the shape of numerous testimonials from past sufferers in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietor, and since sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expressions, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige the proprietor to increase the facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States, and Canada, and in this way, on a basis of its merit alone—unaided by "tricks of trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, we say this, but because we open a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor; we restore the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

In simple cases sometimes one or two doses suffice. In the most chronic cases it is sure to give way by the use of four or five bottles. By this efficient and simple remedy, hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of medicine prescriptions.

This medicine is for sale by all Druggists throughout the United States and Canada. If it happens that your Druggist has not got it in stock, ask him to send for it to
