GO AND SEE!

EZRA POPPLETON has constantly on hand,
Dry goods and groceries of the very best brand;
His hats and his caps as all will declare,
Are best in the market for looks and for ware.

His boots and his shoes will show for themselves,
And nothing but the best is allowed on his shelves;
In furnishing goods for the young and the old,
The assortment is good and bound to be sold.

Of laces, flowers, ribbons and millinery goods,
He keeps the best stock in the city of the plains;
Of crockery and glass ware his aim is to keep
A line that is beautiful, good and cheap.

In future he intends to bestow more care,
In the purchase and sale of farmers' hardware;
Such as shelf goods, ranges and stoves,
In short, he will keep or will furnish for sale.

Any article called for from a goat to a whale,
And at the same price all goods will be sold,
To the rich and the poor, the young and the old.

E. P. is determined by all that is fare
To sell of his groceries, dry goods and ware,
At prices as low as the lowest can sell,
And to call at his store all would do well.

If the times are so hard, you have not the cash,
Bring in your produce and all kinds of trash,
Such as beeswax, tallow and dried fruit,
His prices are such as will be sure to suit.

Everything saleable as you may see,
Will be taken for goods by

CHRISTIAN COLLEGE,
Monmouth,
POLK COUNTY, OREGON.

The College is under the care of a
Board of Trustees, who will spare no
pains to make it equal to the demands
of the age.

The members of the Faculty are
competent, energetic, and devoted to
the cause of education.

THE LOCATION OF THE COLLEGE
IS CENTRAL, ACCESSIBLE,
AND BEAUTIFUL.

Every candidate for admission into
any of the departments of this College,
must present satisfactory evidence of
good moral character; if he shall have
been connected with any other college,
he must produce a certificate of honor-
able standing from the authorities of
that college.

The Session consists of two Terms of
Twenty Weeks each, and an Inter-
mediate Examination and Renewing
of Classes at the end of the first term.

The Collegiate year is divided into

two terms of twenty weeks each.

The first term begins on Monday,

September 14, 1877, and ends January

25, 1878. The second term begins on

Monday, January 28, 1878, and closes

on Wednesday before the third Sunday

in June, 1878. Intermediate examina-

tions, last week of the first term, final

examinations at the close of the session.

Annual Meeting of the Board of

Trustees, on Tuesday before the third

Sunday in June.

WEEKS.

Preparatory Department 15 00

Primary Department 9 00

One-half of the above rates must be

paid in advance; and similar payments

must be made in advance at the begin-

ning of every ten weeks thereafter to

the end of the session.

No fees will be refunded to students

leaving before the expiration of the

term for which they have paid, except

in cases of protracted sickness.

Boarding can be obtained in private

families at from \$3.00 to \$4.00 per week.

DISCIPLINE.

The discipline is mild and firm, ad-

ministered on the principle that virtue

brings its own reward and vice its own

shame. The highest incentives to vir-

tuous actions are impressed by precept

and example, while vice and immor-

ality are restrained by all proper means.

Students are taught rather to govern

themselves than to be governed. Moral

power is the principle, an appeal to the

head and heart, self-government from

Christian motive. Hence no student

can be permitted to remain who indulg-

es in card-playing, intemperance, pro-

fanity, neglect of studies, or any other

vice or impropriety. Daily moral in-

struction based on the Bible, leaves but

little else to be done in government.

MIXED SCHOOL.

Experience has demonstrated con-

clusively that mixed schools, under

proper regulations and restrictions,

possess decided advantages over exclu-

sive institutions. Young gentlemen

and ladies exercise a refining, restrain-

ing, yet stimulating influence over each

other, when associated in the same

school and in the same class, which

nothing else can supply. They vie

with each other for the wreath of

honor, as they labor side by side in a

common cause.

THE BIBLE.

God has given man two great volumes

—Nature and Revelation—suited to his

physical and spiritual constitutions.

These are full of facts addressed to the

understanding.

From Nature, we learn the principles

which minister to the wants of the

body, giving food to eat and raiment to

wear. From Revelation, we receive

those principles by which the spirit is

fed, and clothed with truth and right-

eousness. Any system of education,

which neglects either of these volumes

is incomplete. To train the intellect in

physical science and neglect the moral

nature, is dangerous to society; for it

imparts power which, without moral

principle to guide, may be destructive

to the peace and happiness both of the

individual and society.

TO THE FRIENDS AND PATRONS

OF CHRISTIAN COLLEGE.

The prospects of Christian College

are most flattering. The institution is

increasing in reputation, and its influ-

ence and popularity are rapidly extend-

ing. Its friends may anticipate a career

of still greater usefulness. The patrons

of the school will do well to begin now

to shape their business so as to send

their sons and daughters at the opening

of next session. One full term, taking

the classes in order, is worth more than

double the time scattered over several

sessions. We hope to welcome to the

halls of Christian College on the third

Monday in September next, a larger

number of students, and to inaugurate

a more successful and prosperous

session than the one just closed.
