FORTY YEARS BEFORE THE PUBLIC

DR. C. McLANE'S
 Celebrated American
WORM SPECIFIC

VERMIFUGE.

SYMPTOMS OF WORMS.

THE countenance is pale and leaden-colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilate; an azure semicircle runs along the lower eye-lid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; breath very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy; not unfrequently tinged with blood; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hiccup; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

Whenever the above symptoms are found to exist,

DR. C. McLANE'S VERMIFUGE
 Will certainly effect a cure.

IT DOES NOT CONTAIN MERCURY
 in any form; it is an innocent preparation, not capable of doing the slightest injury to the most tender infant.

The genuine Dr. McLANE'S VERMIFUGE bears the signatures of C. McLANE and FLEMING BROS. on the wrapper.

DR. C. McLANE'S
LIVER PILLS.

These Pills are not recommended as a remedy for "all the ills that flesh is heir to," but in affections of the Liver, and in all Bilious Complaints, Dyspepsia and Sick Headache, or diseases of that character, they stand without a rival.

AGUE AND FEVER.

No better cathartic can be used preparatory to, or after taking Quinine. As a simple purgative they are unequalled.

Beware of Imitations.

The genuine are never sugar coated. Each box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

Each wrapper bears the signatures of C. McLANE and FLEMING BROS. Sold by all respectable druggists and country storekeepers generally.

CHRISTIAN COLLEGE,
 Monmouth,
 POLK COUNTY, OREGON.

The College is under the care of a Board of Trustees, who will spare no pains to make it equal to the demands of the age.

The members of the Faculty are competent, energetic, and devoted to the cause of education.

THE LOCATION OF THE COLLEGE
 IS CENTRAL, ACCESSIBLE,
 AND BEAUTIFUL.

Every candidate for admission into any of the departments of this College, must present satisfactory evidence of good moral character; if he shall have been connected with any other college, he must produce a certificate of honorable standing from the authorities of that college.

The Session consists of two Terms of Twenty Weeks each, and an Intermediate Examination and Renewing of Classes at the end of the first term.

The Collegiate year is divided into two terms of twenty weeks each.

The first term begins on Monday, September 14, 1877, and ends January 25, 1878. The second term begins on Monday, January 28, 1878, and closes on Wednesday before the third Sunday in June, 1878. Intermediate examinations, last week of the first term, final examinations at the close of the session. Annual Meeting of the Board of Trustees, on Tuesday before the third Sunday in June.

tuition per term of twenty weeks.

Collegiate Department	\$20.00
Preparatory Department	15.00
Primary Department	9.00
Janitor's fee	2.00
Music, (Piano)	
Guitar or Melodeon	
Organ	
Painting water color, Oil	At Teacher's prices.
Oil Drawing, Pencil,

Vocal Music.	

One-half of the above rates must be paid in advance; and similar payments must be made in advance at the beginning of every ten weeks thereafter to the end of the session.

No fees will be refunded to students leaving before the expiration of the term for which they have paid, except in cases of protracted sickness.

Boarding can be obtained in private families at from \$3.00 to \$4.00 per week.

DISCIPLINE.

The discipline is mild and firm, administered on the principle that virtue brings its own reward and vice its own shame. The highest incentives to virtuous actions are impressed by precept and example, while vice and immorality are restrained by all proper means. Students are taught rather to govern themselves than to be governed. Moral power is the principle, an appeal to the head and heart, self-government from Christian motive. Hence no student can be permitted to remain who indulges in card-playing, intemperance, profanity, neglect of studies, or any other vice or impropriety. Daily moral instruction based on the Bible, leaves but little else to be done in government.

MIXED SCHOOL.

Experience has demonstrated conclusively that mixed schools, under proper regulations and restrictions, possess decided advantages over exclusive institutions. Young gentlemen and ladies exercise a refining, restraining, yet stimulating influence over each other, when associated in the same school and in the same class, which nothing else can supply. They vie with each other for the wreath of honor, as they labor side by side in a common cause.

THE BIBLE.

God has given man two great volumes—Nature and Revelation—suited to his physical and spiritual constitutions. These are full of facts addressed to the understanding.

From Nature, we learn the principles which minister to the wants of the body, giving food to eat and raiment to wear. From Revelation, we receive those principles by which the spirit is fed, and clothed with truth and righteousness. Any system of education, which neglects either of these volumes is incomplete. To train the intellect in physical science and neglect the moral nature, is dangerous to society; for it imparts power which, without moral principle to guide, may be destructive to the peace and happiness both of the individual and society.

TO THE FRIENDS AND PATRONS
 OF CHRISTIAN COLLEGE.

The prospects of Christian College are most flattering. The institution is increasing in reputation, and its influence and popularity are rapidly extending. Its friends may anticipate a career of still greater usefulness. The patrons of the school will do well to begin now to shape their business so as to send their sons and daughters at the opening of next session. One full term, taking the classes in order, is worth more than double the time scattered over several sessions. We hope to welcome to the halls of Christian College on the third Monday in September next, a larger number of students, and to inaugurate a more successful and prosperous session than the one just closed.
