AN OPEN LETTER.

IT SPEAKS FOR ITSELF.

BECKFORD, Mass., April 2, 1877. Mr. Editor:—Having read in your paper reports of the remarkable cures of catarrh, I am induced to tell "what I know about catarrh" and I fancy the "snuff" or "inhalant-tube" makers (many dollar grabbers) would be glad if they could emblazon a similar cure in the papers. For 26 years I suffered with catarrh. The nasal passages became completely closed. "snuff," "dust," "ashes," "inhalant-tubes," and "sticks," wouldn't work, though at intervals I would snuff up the so-called catarrh snuff, until I became a valuable tester for such medicines. I gradually grew worse and no one can know how much I suffered or what a miserable being I was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pain. I prayed for death to relieve me of my suffering. A favorable notice in your paper of Dr. Sage's Catarrh remedy induced me to purchase a package, and use it with Dr. Pierce's Nasal Douche, which applies the remedy by hydrostatic pressure, the only way compatible with common sense. Well, Mr. Editor, it did not cure me in three-fourths of a second, nor in one hour or month, but in less than eight minutes I was relieved, and in three months entirely cured, and have remained so for over six months. While using Dr. Sage's Catarrh Remedy, I used Dr. Pierce's Golden Medical Discovery to purify my blood and strengthen my stomach. I also kept my liver active and bowels regular by the use of his Pleasant Purgative Pellets. If my experience will induce other sufferers to seek the same means of relief, this letter will have answered its purpose. Yours truly, S. D. REMICK.
