

MONMOUTH.

Hon. G. H. Burnett of Salem, gave us a call this week.

Bro. W. Churchill, started this week on a visit to San Buena Ventura, Cal.

Independence has a new barber shop. Mr. E. T. Henkle, of Eugene, is the accommodating proprietor. He is a first class barber.

If you want to see your localist rejoice, and witness the cheering smiles of the printers, just bring them a birthday or a wedding cake every week.

Mr. T. E. Berry, has purchased the harness and saddle shop of Mr. Ray at Dallas, and now runs two shops, one in Monmouth and the other in Dallas.

Vanduyne and Smith, Independence, have a splendid stock of goods, and are splendid men to deal with. You will make a mistake if you fail to trade there when you go to Independence.

Mr. Ezra Poppleton is expected home this week from San Francisco, where he has been to lay in a stock of goods for this market. Watch out for the newest styles and low prices at his return.

Mr. T. O. Waller, of Deschutes, Wasco Co., who has been spending a few days in our midst, returned home this week; in the meantime, he reported business lively and bunch grass thrifty in that section of the country.

In the absence of Bro. W. Churchill, persons wanting any article from his tin and stove store, should call at his residence and some member of the family will wait upon them. Bro. C. has the best lot of tin-ware we have seen in Oregon, and will sell it very cheap.

Read carefully the advertisement of "Kenedy the Blacksmith" in another column. It is getting well known in these parts that when anything is broken and can not be repaired any other place, it must go to Kenedy. If your horse needs foundation built under him, be sure to take him to Kenedy.

Mr. T. E. Berry would respectfully inform the people of Monmouth and vicinity that he is about to remove his stock of Harness, Saddles, Brides and Harness Furnishings to Dallas, Oregon. All persons indebted to me will please call and settle soon, as I wish to square up as near as possible before leaving here.

THOS. E. BERRY.

Monmouth, April 3, 1878.

What everybody says must be so, and everybody says that Rosendorf & Hirschberg have an enormous big Stock of Goods, which they offer at considerable less than any other house in Independence. But we suppose they can afford to do so as they are the only firm in this town that buy in San Francisco regularly, and save the extra profit charged in Portland. They are glad to show you the goods and the prices, therefore call on them before buying. In Clothing, Shoes, and Carpets they agree to undersell by 25 per cent any house in the county. See whether it is so.

The 50th birthday, of Mrs. T. J. Riggs of Honor, came to pass on the 2nd inst. In honor of which her children and friends, assembled and rejoiced with one another as participants of the rich viands which had been so handsomely prepared for the occasion, and with joyful hearts caused the aged mother, to become the happy recipient of many valuable and useful presents. In memory of the event, the printers acknowledge the receipt of the finest assortment of cake of the season, and trust that in the future, their friends will take equal pains to stir up their pure minds by way of remembrance.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this recipe in German, French, or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. W. Sherar, 126 Powers' Block, Rochester, N. Y.
