

MONMOUTH. Mr. M. Haley is another happy father. Mr. Jasper Wilkins, of Eugene, was in town this week.

James Elkins, of Albany, gave us a flying visit this week.

Some of our citizens have raised some fine large sweet potatoes this season.

Mr. Milton Marshall, of Dallas, is in town and will be our artist for a few weeks.

Mr. Wm. Jordan and family were in town a few days since visiting relatives and friends.

A man by the name of Whurry, who lives in the country, had one of his ribs fractured this week.

James Wright, of Linn county, has rented a house in town and intends becoming a citizen soon.

Mr. T. W. Lowe, who is a job printer of many years experience, is now doing the work in the office of Prof. D. T. Stanley. Do not hesitate to send in your orders for printing.

Mrs. Cowan, of Douglas county, has become a resident of our town for the purpose of sending her children to College. We wish many more such families could take up their abode with us.

We learn that Bro. G. W. Richardson, of Waitsburg, and Bro. E. A. Shirley, of this place, have exchanged town property, and each with their families will change their places of residence immediately.

BIBLES. - Those beautiful Pictorial Family Bibles, now being sold by E. Wadsworth, the agent, can be had by applying to him at his residence or at this office. The name of each purchaser will appear on the Bible by presenting the same.

Mr. T. J. Graves and Miss Mattie Shelton, who are well known by the former students of Christian College, having concluded that it was not best to live alone, commenced life last Sunday in partnership. Although it was rather a "grave" affair, yet we hope they will live to see a grave old age, before the day for the grave of interment comes to pass. Thus five of our Alumni have, within a few weeks past, taken advanced steps in life.

Last Friday evening, after Prof. Fenton and his "better half" had returned home from the metropolis, their young friends of this place assembled, and after making the necessary arrangements, marched forth in regular order to the place of the Prof's habitation, and there in the stillness of the night, discoursed music both vocal and instrumental. The happy pair soon made their appearance, and in the midst of varied congratulations, invited their many friends inside, where an hour was enjoyed by all in a most pleasant and entertaining manner.

BUSINESS FOR LADIES. Our attention has been called to a new article for the use of ladies, the invention of which has conferred an everlasting blessing upon every lady. We refer to the Queen City skirt suspenders for supporting ladies' skirts, the most desirable and beneficial article ever invented for the relief of women, many of whom have suffered years of miserable health caused solely by carrying the weight of a number of heavy skirts, completely dragging them down. Something to support ladies clothing is absolutely necessary. These suspenders are recommended by our leading physicians to all ladies and young girls. Every lady should have them. They are sold only through lady agents. A splendid opportunity is offered to some reliable lady canvasser of this country to secure the agency of a pleasant and profitable business. For terms and territory write at once to the Queen City Suspenders Company, 278 Clark Street, Cincinnati, O.

Extra Liability to Malarial Infection. Persons whose blood is thin, digestive weak and liver sluggish, are extra liable to the attacks of malarial disease. The most trifling exposure may, under such conditions, infect a system which, if healthy would resist the miasmatic taint. The only way to secure immunity from malaria in localities where it is prevalent, is to tone and regulate the system by improving weakened digestion, enriching the blood, and giving a wholesome impetus to biliary secretions. These results are accomplished by nothing so effectively as Hostetter's Stomach Bitters, which long experience has proved to be the most reliable safeguard against fever and ague and kindred disorders, as well as the best remedy for them. The Bitters are, moreover, an excellent invigorant of the organs of urination, and an active depurant, eliminating from the blood those acid impurities which originate rheumatic ailments.

Consumption Cured. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send, free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, naming this paper, W. W. Stewart, 147 Powers' Block, Rochester, N. Y.
