PATENTS

obtain for Inventors, in the United States, Canada, and Europe, at reduced rates. With our principal Office located in Washington, directly opposite the United States Patent Office, we are enabled to do Patent Business with greater promptness and dispatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys."

WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousands of cases of disease peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that cures the indications presented by that class of diseases with positive certainty and exactness.

Dr. Pierce's Favorite Prescription. The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observation.

The following are among those diseases in which my Favorite Prescription has worked cures, as if by magic, and with a certainty never before attained by any medicine: Leucorrhoea, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Protrusions, or falling of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Inter-uteral Hemorrhage, Nervous Depression, Debility, Disordered Thymus, Miscarriage, Cramp, Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here.

Those who desire further information on these subjects can obtain it in THE PEOPLE'S COMMON SENSE MEDICAL ADVISER, a book over 300 pages, sent, post-paid, on receipt of \$1.50. It treats minutely of these diseases peculiar to Females, and gives much valuable advice in regard to the management of those affections.
