

MONMOUTH. Bro. Turner Shirley is on the streets again. Looks rather slim.

Bro. Wm. Churchill has sold his home place to Bro. John L. Riggs, of Salt Creek.

Mr. James Tatom has moved his family to town for the purpose of education. Our schools are filling up rapidly; yet there is room.

An old student of McMinnville college, Mr. Tip Hansaker, was in town this week looking after a location for his family. He talks some of moving here to send his children to school.

Bro. Wm. Kramer has been suffering with a felon on his right hand for some time. Last week Drs. Davidson & Lee amputated the offending finger. Bro. K. is now on the streets doing well.

Notice is hereby given that all persons owing me are expected to call at my former place of business and settle up immediately, otherwise the accounts will be placed in charge of a prompt collector.

J. M. POWELL. Orders for Mrs. Rohrer's New Remedy, until further notice, should be sent to Dr. W. Waterhouse, who is the manufacturing agent.

Re-Opening a Thoroughfare.

In order to guard against results utterly subversive of health, it is absolutely essential that the grand thoroughfare or avenue of the system, the bowels, should be re-opened as speedily as possible when they become obstructed. If they are not, the bile is misdirected into the blood; the liver becomes torpid; viscid bilious matter gets into the stomach, and produces indigestion; headaches ensue, and other symptoms are produced, which a prolongation of the existing cause only tends to aggravate. The aperient properties of Hostetter's Stomach Bitters constitute a most useful agent in overcoming constriction of the bowels, and promoting a regular habit of body. It is infinitely superior to the drastic cathartics frequently used for the purpose; since it does not, like them, act violently, but produces a natural, painless effect which does not impair the tone of the vacuatory organs, which it invigorates instead of weakening. The stomach and liver also, indeed the entire system, is strengthened and regulated by it.
