"The work treats of the plan of salvation, or of faith, repentance and baptism for the remission of sins, and of the necessity of a holy life in order to final salvation. Of course, nothing new in the way of proof on these points is to be expected."

"The style of the author is plain and forcible. The work was evidently composed under intense mental action. The sincerity of the author is stamped on every page, we may say on every sentence; and the flowing style leads the reader on without weariness. To many, this work will be very acceptable. The common reader will find the illustrations apt and striking, and cannot but be pleased in reading the book."

BEST
WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousands of cases of those diseases peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observations. As a close observer, I have, while witnessing its positive results in the few special diseases incident to the female organism, singled it out as the most valuable remedy for all diseases of the female system. On its merits, as a positive, safe, and effective remedy for this class of diseases, and one that will, at all times and under all circumstances, and kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses it for any of the ailments for which I recommend it, that I offer and sell it under a **POSITIVE GUARANTEE**. If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had not the most perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly marvellous cures in thousands of cases, I feel warranted and perfectly safe in risking both my reputation and my money on its merits.

The following are among those diseases in which my Favorite Prescription has worked cures, as if by magic, and with a certainty never before attained by any medicine: Leucorrhoea, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Tremors, or falling of the Uterus, Anterior and Retroversion, Bearing Down Sensations, Internal Heat, Nervous Depression, Delirium, Debility, Throat, Throat, Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription cures—**the marvel of the world**. This medicine I do not extol as a cure-all, but it admirably fulfills a single-ness of purpose, being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

Those who desire further information on these subjects can obtain it in **THE PEOPLE'S COMMON SENSE MEDICAL ADVISER**, a book of over 300 pages, sent, post-paid, on receipt of \$1.50, a small sum for the value of the information it contains, and gives much valuable advice in regard to the management of those affections.
