A GRAND OFFER!
SILVERWARE FREE FOR ALL

The Old Reliable ROYAL MANUFACTURING CO., whose Metropolitan Headquarters are located at 258 and 260 Broadway, New York City, and Factory at Providence, R. I., have determined to introduce goods of their manufacture in every city and hamlet in the United States and Canada. To do this, we will present to each lady reader of this paper a set [6] of our COIN PLATED SILVER SPOONS, with your last name or initials elegantly engraved on each Spoon, the only charge will be 75 cents to defray expense of engraving name, packing and express charges. To avail yourself of this grand holiday offer, it will be necessary to cut out the attached Certificate No. 171, and forward it with 75 cents on or before March 1st, 1879, to the Royal Manufacturing Co., New York.

CUT THIS CERTIFICATE OUT,

Certificate — No. 171.

It will not appear in this paper again.

On receipt of this Certificate, together with seventy-five cents in Currency, Silver or Postage Stamps we agree to hand engrave any last name or initials as desired on a set [6] of our best quality Coin Plated Silver Spoons, and prepay all shipping charges to any part of the United States or Canada, provided this certificate is forwarded to us on or before Mch. 1st, 1879.

ROYAL MANUFACTURING CO., 258 Broadway, N. Y.

We claim for our Silver Plated Ware that for durability and elegance of design we can not be excelled. We first heavily plate with nickle—the hardest white metal known—and then follow with a plating of pure Coin Silver, thus making the most durable plate yet discovered, and you will find by enquiry at any dealer, this quality and design of Tea Spoons will cost you about $4.00 per set, without your name engraved thereon. On each and every article of our Table Cutlery our name is stamped and we have our design copyrighted, thus preventing irresponsible and unscrupulous dealers and advertisers from palming off an article of our manufacture at high prices. On the handle of each Spoon is a crown with the word ROYAL in the band, and on the reverse side R. M. Co. is stamped. In addition to the above offer should you wish to order Knives, Forks or Table Spoons at the same time you order Tea Spoons we will furnish any article or all of them at the following reduced prices, and prepay all shipping charges, viz.: 6 Solid Steel Knives, blade and handle one solid piece, best steel covered with a heavy plating of Nickle and Silver, $1.75; 6 Forks, 85 cents; 6 Table Spoons, $1.95; or total for Knives, Forks, Tea and Table Spoons, $4.65. The Table Spoons and Forks are of the same design and of the same quality as the Tea Spoons, and will be engraved without extra cost, the Knives being of steel will not be engraved.

Remember we do not stamp your name, but have experienced workmen engrave your last name in full or initials as desired. We will not furnish any of the above goods at prices named unless accompanied by the above Certificate, as we only wish to send out a limited quantity as an advertisement, well knowing in any family we place our Table Ware it will be a standing advertisement for the sale of our other goods, a catalogue of which is mailed with each shipment.

As to our reliability we quote the following from our New York papers, and refer you to any responsible house in this city.

"The Royal Manufacturing Co., 258 and 260 Broadway, is one of the most reliable, enterprising and responsible houses of this city."—Editorial American Farmer, N. Y., April 1878.

"The Royal Manufacturing Co. of this city have sustained a well earned reputation for reliability by sending out goods guaranteed to be exactly as represented, and by this means purchasers get only the best goods at more reasonable figures than large dealers pay by wholesale."—Editorial Frank Leslie's Illustrated Newspaper, April 13, 1878.

"A representative of our paper was shown through the establishment of the Royal Manufacturing Co., 258 and 260 Broadway, and was surprised at the handsome character of the goods sent at such extraordinary low prices."—The Independent, N. Y., June 20, 1878.

In ordering give us full instructions how you wish your name engraved, and write your name plain and in full. If an express office is not in your town, we will send by mail. Postage stamps will be received at their face value. All letters ordering Silverware must be addressed to the

BY

S. R. EZZELL,

AUTHOR, SOLE PROPRIETOR AND VENDOR,

Big Valley. Lampasas County, Texas.

We clip the following from the *Apostolic Times*, Lexington, Ky. :

"The work treats of the plan of salvation, or of faith, repentance and baptism for the remission of sins, and of the necessity of a holy life in order to final salvation. Of course, nothing new in the way of proof on these points is to be expected.

"The style of the author is plain and forcible. The work was evidently composed under intense mental action. The sincerity of the author is stamped on every page, we may say on every sentence ; and the flowing style leads the reader on without weariness. To many, this work will be very acceptable. The common reader will find the illustrations apt and striking, and cannot but be pleased in reading the book."

WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousand cases of those diseases peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observation. As a close observer, I have, while witnessing its positive results in the few special diseases incident to the separate organism of woman, singled it out as **the climax or crowning gem of my medical career.** On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will, at all times and under all circumstances, act kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses it for any of the ailments for which I recommend it, that I offer and sell it under **A POSITIVE GUARANTEE.** If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had I not the most perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly miraculous cures in thousands of cases, **I feel warranted and perfectly safe in risking both my reputation and my money on its merits.**

The following are among those diseases in which my **Favorite Prescription** has worked cures, as if by magic, and with a certainty never before attained by any medicine: Leucorrhœa, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prolapsus, or falling of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription works cures—**the marvel of the world.** This medicine I do not extol as a cure-all, but it admirably fulfills **a singleness of purpose,** being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

Those who desire further information on these subjects can obtain it in THE PEOPLE'S COMMON SENSE MEDICAL ADVISER, a book of over 900 pages, sent, post-paid, on receipt of $1.50. It treats minutely of those diseases peculiar to Females, and gives much valuable advice in regard to the management of those affections.
