This new medicine is purely vegetable and is harmless to the most delicate constitution. As it acts on the blood it will be found very useful in all scrofulous diseases. Its pleasant taste and soothing effects make it a great favorite with children; and for measles, whooping-cough, croup, &c., it is unequalled by any medicine in use. It has produced remarkable cures in asthma, dyspepsia and bronchitis. Try a bottle and be convinced that it is the best lung medicine in use. Price, \$1 bottle.

PULVERMACHER'S ELECTRIC BELTS

AND BANDS

Are self-applicable to any part of the body, for the speedy and effectual cure of

Rheumatism, Neuralgia, Dyspepsia, Nervous Debility, Liver Complaint, Kidney Disease, Female Complaints,

Nervousness, Urinary Diseases, General Ill-Health, Wasting Decay, Spasmodic, Epilepsy, Paralysis, Sexual Exhaustion, Spinal Diseases, Indigestion,

And other chronic ailments.

VOLUNTARY TESTIMONY.

[Extract from the Baltimore "American," December 21, 1878.]

"The Pulvermacher Electric Belt is recommended to general use for the following reasons: First, for its wonderful properties for the cure of diseases of the kidneys, stomach, liver and blood; secondly, for its extreme simplicity, and the fact of its being applied outside, precludes all possibility of any injury being done to the patient, as an external remedy is universally acknowledged to be safe. Another advantage is the facility with which the progress of the disease and cure can be watched, and if the Belt be not quite in the right place, it can be very easily readjusted so as to cover the parts affected. The Pulvermacher Electric Belt, and its perfection, has been hailed with delight, not only by the sufferers who have regained health, enjoyment, and a new lease of life through its beneficent qualities, but by the medical profession, who very frequently prescribe its use to their patients."

PULVERMACHER'S ELECTRIC BELTS AND BANDS

are indorsed and approved by the most eminent medical and scientific authorities in the world, by the Faculties of France, England, Austria, Prussia, Belgium, and America, and by well-known writers, who refer to the extraordinary cures effected by Pulvermacher's Electric Belts and Bands, in upwards of one hundred medical and philosophical works.
