THE GREAT LEGACY.

A PRESENTATION OF THE GOSPEL
PLAN OF SALVATION UNDER
THE SIMILITUDE OF A

WILL.

BY
S. R. EZZELL.

THIS TIMELY WORK IS A CONNECTED series, a solid chain of argument, with Scripture proofs given, and is intensely interesting, being interspersed with TABLES and ILLUSTRATIONS, by which the Gospel Plan of Salvation is overwhelmingly demonstrated, and so simplified that all accountable persons are left without an excuse for not understanding it.

THE GREAT LEGACY is the result of eighteen years' hard study, and is published by request. It is just the book that every lover of the truth will delight to read and hand to his neighbor—just the book to send to destitute places by the dozen. In matter and price it is just the book for the masses and for the hard times. It contains 316 pages, embraces 13 discourses, printed in clear type, on good paper and is substantially and handsomely bound in cloth.

VOLUNTARY

TESTIMONY.

[Extract from the Baltimore "American,"
December 21, 1878.]

"The Pulvermacher Electric Belt is recommended to general use for the following reasons: First, for its wonderful properties for the cure of diseases of the kidneys, stomach, liver and blood; secondly, for its extreme simplicity, and the fact of its being applied outside, precludes all possibility of any injury being done to the patient, as an external remedy is universally acknowledged to be safe. Another advantage is the facility with which the progress of the disease and cure can be watched, and if the Belt is not quite in the right place, it can be very easily readjusted so as to cover the parts affected. The Pulvermacher Electric Belt, and its perfection, has been hailed with delight, not only by the sufferers who have regained health, enjoyment, and a new lease of life through its beneficent qualities, but by the medical profession, who very frequently prescribe its use to their patients."

**PULVERMACHER'S
ELECTRIC BELTS AND BANDS**

are indorsed and approved by the most eminent medical and scientific authorities in the world, by the Faculties of France, England, Austria, Prussia, Belgium, and America, and by well-known writers, who refer to the extraordinary cures effected by Pulvermacher's Electric Belts and Bands, in upwards of one hundred medical and philosophical works. **DESCRIPTIVE PAMPHLET AND THE ELECTRIC QUARTERLY,** a large illustrated Journal, containing full particulars mailed free.
