

Laws Relating to Newspaper Subscription and Arrears.

In response to a request we give the law as it stands relating to newspapers and subscriptions:

1. Subscribers who do not give express notice to the contrary, are considered as wishing to continue their subscriptions.

2. If subscribers order the discontinuance of their periodicals, the publisher may continue to send them until arrears are paid.

3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed, they are held responsible until they have settled their bills and ordered them discontinued.

4. If subscribers move to other places without informing the publisher, and the papers are sent to the former direction, they are held responsible.

5. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law a subscriber.

6. If subscribers pay in advance, they are bound to give notice to the publisher at the end of their time, if they do not wish to continue taking it—otherwise the publisher is authorized to send it on, and the subscribers will be responsible until express notice with payment of all arrears is sent to the publisher.

A Practical Sermon.

"Bruddering, my 'sperience is that it ain't de pessessin' of 'ligion, but de 'casional practice of it dat makes a man 'ceptable up yender. When yer gits to de golden gate and Peter looks right in de eye, an' yer show him yer long creed an' says, pompous like, dat yer 'longed ter a big Church, de 'pos't'll shake his head an' say, 'Dat ain't 'nuff to get yer through.' But if yer takes all yer bills under yer arms, your grocer's bills, your rent bills, and your doctor's bills, an' he looks 'em all over and finds 'em receipted, he'll say, 'Yer title's clear,' an' unlock de gate an' let yer pitch voice for de angel's song. But 'tain't no use to trubble along dat narrer path 'less yer can carry, rolled up in yer creed, a good remendation from yer creditors. Hebben ain't no place for a man who has to dodge roun' a corner for fear of meetin' some one who'll ask for dat little bill dat neber was paid."

From all parts of the country reports come of the immense sales and increasing demands for that deservingly popular Sewing Machine, The Old and Reliable "STANDARD," the price of which the proprietors wisely reduced to \$20 including all the attachments, and at once secured for them a popularity among the people, far beyond that ever yet attained by any other machine at any price, the consequence of which is, agents are leaving the old high priced machines, and seeking territory for the "STANDARD." Knowing from experience that with the best goods at the lowest price they can outsell all other machines, where the superior quality and low price is made known. This splendid Machine combines all the improvements. Is far ahead of all others in beauty and durability of its work, ease of management, and light running, with positive working parts all steel, and can safely put down as the very perfection of a Serviceable Shuttle Double Thread Sewing Machine, in every particular, that will outlast any Machine, and at a price far down below any other. It is thoroughly warranted for five years. Kept in order free of charge. And sent to any part of the Country for examination by the customer before payment of the bill. We can predict equally as large a demand for them in this section as others. Families desiring the best Machine manufactured should write direct to the Factory. And enterprising persons wishing to seize the chance should apply for so desirable an agency. See advertisement in another part of this paper. Address, Standard Machine Co., Cor. Broadway and Clinton Place, New York.

—A half teaspoonful of borax dissolved in a teaspoonful of boiling water and added to a quart of milk or cream, will keep it from turning sour. If meat is to lie several days before using, it may be kept from spoiling by slight sprinkling of borax water. Wash the borax water before cooking.

—The wise in heart will receive commandments; but the prating fool shall fall.

THE GENUINE

DR. C. McLANE'S

CELEBRATED

LIVER PILLS

FOR THE CURE OF

Hepatitis, or Liver Complaint,

DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all bilious derangements, and as a simple purgative, they are unequalled.

BEWARE OF IMITATIONS.

The genuine are never sugar coated. Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist upon having the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., of Pittsburgh, Pa., the market being full of imitations of the name McLane, spelled differently but same pronunciation.

Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effective remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are especially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel, or any injurious properties, and can be administered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhoea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.

Boarding can be obtained in private families at from \$3.00 to \$4.00 per week.

DISCIPLINE.

The discipline is mild and firm, administered on the principle that virtue brings its own reward and vice its own shame. The highest incentives to virtuous actions are impressed by precept and example, while vice and immorality are restrained by all proper means. Students are taught rather to govern themselves than to be governed. Moral power is the principle, an appeal to the head and heart, self-government from Christian motive. Hence no student can be permitted to remain who indulges in card-playing, intemperance, profanity, neglect of studies, or any other vice or impropriety. Daily moral instruction based on the Bible, leaves but little else to be done in government.

MIXED SCHOOL.

Experience has demonstrated conclusively that mixed schools, under proper regulations and restrictions, possess decided advantages over exclusive institutions. Young gentlemen and ladies exercise a refining, restraining, yet stimulating influence over each other, when associated in the same school and in the same class, which nothing else can supply. They vie with each other for the wreath of honor, as they labor side by side in a common cause.

THE BIBLE.

God has given man two great volumes—Nature and Revelation—suited to his physical and spiritual constitutions. These are full of facts addressed to the understanding.

From Nature, we learn the principles which minister to the wants of the body, giving food to eat and raiment to wear. From Revelation, we receive those principles by which the spirit is fed, and clothed with truth and righteousness. Any system of education, which neglects either of these volumes is incomplete. To train the intellect in physical science and neglect the moral nature, is dangerous to society; for it imparts power which, without moral principle to guide, may be destructive to the peace and happiness both of the individual and society.

TO THE FRIENDS AND PATRONS OF CHRISTIAN COLLEGE.

The prospects of Christian College are most flattering. The institution is increasing in reputation, and its influence and popularity are rapidly extending. Its friends may anticipate a career of still greater usefulness. The patrons of the school will do well to begin now to shape their business so as to send their sons and daughters at the opening of next session. One full term, taking the classes in order, is worth more than double the time scattered over several sessions. We hope to welcome to the halls of Christian College on the third Monday in September next, a large number of students, and to inaugurate a more successful and prosperous session than the one just closed.
