TESTIMONIALS

WATERS' PIANOS & ORGANS.

Waters' New Scale Pianos have particular merits.—New York Tribune.

The tone of the Waters' Piano is rich, mellow and sonorous. They possess great volume of sound and the continuation of sound or singing power is one of their most marked features.—New York Times.

Waters' Concerto Organ is so voiced as to have a tone like a full rich alto voice. It is especially human in its tone, powerful yet sweet.—Rural New Yorker. 5-23-ly

ROCK SOAP.

ROCK SOAP is a natural product, possessing most marvelous cleansing and cosmetic properties. Besides other saponaceous substances it contains Alumina, which is more powerfully detergent than most Alkaline Soaps. Rock Soap is ascertained by analysis to have detergent properties valuable to an eminent degree for the purposes for which it is recommended, and to contain nothing injurious for such use. After using it no one will be without it. It is perfectly marvelous in its operation.

FOR HOUSEHOLD PURPOSES.

It cleans kitchen utensils, glass, and tin-ware; polishes gold and silver; removes oil and grease from tables and floors. It is a great saving of time and labor.

WASHING POWDER.

It is unrivalled for Washing Clothes. It is not an alkali, but it softens the water, loosens the dirt, and makes washing less laborious; and leaves the clothes much whiter, without any of the injurious effects attending the use of soda or washing powder, which all contain more or less caustic properties.

It is guaranteed not to injure in the least degree the finest fabrics, and will save half the quantity of soap usually used. It saves an enormous waste in soap, and wear and tear in clothes.

FOR TOILET AND BATH.

Rock Soap possesses remarkable cosmetic properties, without any deleterious effect upon the skin. It is perfectly harmless, and gives a vigorous and healthful tone to the skin; it restores the freshness and bloom of youth in a manner which is marvelous. It is put up with a brilliant label, and is having an immense sale. It sells itself. See quotations.
