REPUBLICAN CONVENTION

McKinley and Roosevelt are the Nominations.

BOTH WERE MADE BY ACCLAMATION.

The Excitement was Great—Foraker Made the Nominating Speech.

HANNA FOR NATIONAL CHAIRMAN.

Special to the GUARD.

PHILADELPHIA, June 21—The weather is fine. Every effort will be made to close up the work of the convention today. Of course McKinley will be nominated.

The convention was called to order at 10:30 by Chairman Lodge of Massachusetts.

Archbishop Ryan, of Minnesota made the prayer which was forceful.

It was moved that the convention proceed to the nomination of a presidential candidate. Carried amid shouts of "McKinley, McKinley."

McKINLEY RENOMINATED.

At 11:30 o'clock the roll of states began. Alabama yielded floor to Ohio. Senator Foraker presneted the name of McKinley. All the delegates rose to their feet cheering and waving handkerchiefs, hat plumes, and the band started up to add to the din. After a time the demonstration again revives itself with greater vigor. Foraker mentions McKinley's name, causing a storm of applause. Plumes being waved, horns blown, and cheering everywhere. Audience sings "Marching Through Georgia", "Battle Cry of Freedom" and "Star Spangled Banner." Noise completely drowns the brass band and orchestra.

The scene is indescribable in the convention hall. State after state votes for the "Napoleon of Republicanism." Every vote was cast for McKinley and the nomination was made unanimous.

Again the cheering was deafening.

ROOSEVELT FOR VICE-PRESIDENT.

Governor Theodore Roosevelt, of New York, was placed in nomination for vice-president, amid great enthusiasum. He was nominated by acclamation.

A great demonstration followed, nearly equalling that of his chief.

The convention after passing the usual resolutions adjourned sine die.

HANNA FOR NATIONAL CHAIRMAN.

Special to the GUARD.

PHILADELPHIA, June 21.—Senator Marcus Hanna of Ohio was unanimously chosen chairman of the National Republican Executive Committee amid prolonged cheering and scenes of intense enthusiasm.

THE REPUBLICAN NOMINEE.

[William McKinley Jr, was born 56 years ago, was a lad of 17 years when the war broke out. He went to the front as a private. He was mustered out as major. After the war McKinley studied law and hung his shingle out in Canton, Ohio. He became prosecuting attorney of Stark county and then entered politics. He was elected to Congress and served 14 years and was a leader on his side of the house. He was defeated for Congress in 1890, afterwards was elected governor and Senator of Ohio. Major McKinley married Miss Ada Saxton in 1871. Their two children died in 1881. Mrs McKinley has been an invalid for years.

He was nominated for president by the republican national convention at St Louis, the first time, on June 18, 1896, receiving 467½ votes, which was afterwards made unanimous. He was elected over Wm J Bryan, the candidate of the democrats, populists and silver republicans, receiving 7,104,779 of the popular vote to 6,502,925 for Mr Bryan, and 271 electoral votes to 176 for Bryan.]

THEODORE ROOSEVELT.

Theodore Roosevelt the Republican nominee for the vice-presidency was born in New York City in 1856. His father was a wholesale glass importer at which business he accumulated a large fortune. Young Roosevelt was given the best education that money could command.

He early evinced a fondness for a literary career, and his articles on current topics, published in leading magazines, have gained him no little credit.

On the breaking out of the war with Spain Roosevelt organized the command known as the "Rough Riders" and offered their services to the government for the war in Cuba. He outfitted the command in Western plains style as to equipments of men and horses at his own personal expense.

The popularity thus gained secured his nomination and election to the governorship of New York over Van Wyck, democrat, in 1898, by a plurality of 17,786, a vote 27,000 short of an actual majority. His election as governor of the Empire state paved the way to the vice-presidential nomination.

WHEAT CROP DAMAGED!

Conditions Serious in Minnesota the Dakotas and Manitoba.

MINNEAPOLIS, June 20.—In the current issue of the Northwestern Miller says:

"Serious and irreparable damage has been done the wheat crop; just how serious is a question upon which interested men differ. The most conservative view, based on conditions as they are today, does not give hope of the crop exceeding 60 per cent of that raised in Minnesota and the Dakotas last year. The greatest damage has been done since June 1. North Dakota and Northern Minnesota have been the heaviest sufferers. There are really few localities in the three states where an average crop is now in prospect. It is now said that North Dakota will raise little more than enough wheat for seed. Conditions are worse in Monitoba.

PORTLAND, Or, June 21.—Wheat is slightly higher today in the Liverpool market but is a little off in American centers.

Twenty-eight privates commanded by two sergeants and corporals, received orders today to proceed immediately to the Washington Marine Barracks, there to join the Fourth Batallion of marines, which is under orders to proceed to San Francisco overland to embark thence to China. It is expected that more men will be drafted from the batallions stationed at this yard for services in Chinese waters.

Gypsy Being Dismantled.

Independence, June 20.—Orders were received Tuesday to dismantle the steamer Gypsy, lately snagged and sunk. The crew is at work removing the machinery, which will be taken to Portland. The hull will be burned.

Senator's Wife Dead.

INDIANAPOLIS, Ind., June 19.—Mrs. Beveridge, wife of United States Senator Albert J Beveridge, of Indiana, died in a sanatarium at Dansville, N. Y., this morning of heart failure. She had been ill several months.

Life Gradually Lengthening.

Recent statistics prove that the average health and length of life of human beings have grown stronger and longer with the years. In the fifteenth century, there was not to be found a man or woman over sixty years of age. It is clearly demonstrated that the change for the better has been brought about by modern ideas and methods. One of the agents which has been most instrumental in preserving life is Hostetter's Stomach Bitters. Thousands have died from stamach and digestive disorders, who might have survived had they resorted to the Bitters. It is the greatest of known tonics for stomach and digestive organs. It cures dyspepsia, indigestion and constipation, and has done so for the past fifty years. There is nothing to equal it.

Fourth Regiment Band.

The Fourth Regiment band held its first rehearsal last night. The boys are playing with any old instrument they can scrape up at present awaiting the arrival of the new Bessons. As they are all old band men, however, they are dropping into the work in fine shape. The band expects to furnish the major part of the music for the Fourth of July celebration in this city and entertain the encampment on July 7 in fit condition to inspire the regiment. A new lot of music ordered will probably arrive by the time of next practice, which will be Monday night, June 25.

Almost a Hot North Wind.

Pendleton E O, June 20: "What is dangerously like a hot wind is prevailing this afternoon, the thermometer standing at from 92 to 95 in the shade, the wind blowing from the northwest. Farmers in town, however, claim it is doing no damage to grain. They state the wind must come from another quarter to injure the growing wheat. Much of the grain is out of danger, although there are large areas that could be damaged from the north or north-east.

GODDESS OF LIBERTY

Miss Carrie Paine Continues the Favorite.

POLLS CLOSE JUNE 27, At 9 P. M.

The Goddess of Liberty contest is coming to the center as the present attraction. Within a day or two, however, the friends of other candidates will commence active canvass and the electioneering will be lively. The first and second highest vote will bring out two favorites for honored places, and each is worthy the effort.

The Linn Drug Company makes an announcement today which will stimulate voting. They will present to the Goddess a three-quarter life size crayon or water color portrait of herself taken in the Goddess robe.

Following is the vote as taken today:

Miss Carrie Paine	151

Local Poet Gaining Fame.

Miss Pearl Luckey Has Several Poems Accepted by the Portland Oregonian.

Pendleton E O: Miss Pearl Luckey, of this city, has developed considerable poetic ability of late, and has received recognition from the Portland Oregonian, by having accepted several poems written by Miss Luckey. The poems printed in the Portland papers are both of humourous and serious veins, and evince a literary style somewhat charming, with quite a marked degree of piquancy of thought, and depth of sentiment. Miss Luckey has received numerous expressions of praise for the poems she has written.

Shelley-Lakin.

A quiet home wedding occurred last evening at the residence of Mr and Mrs J W Lakin, south Ferry street, the principals being their daughter, Miss Pearl Constance and Mr Walter Shelly, son of J M Shelly, of this city. The wedding march was played by Mrs W A White and the bride and groom entered the parlor accompanied by Miss Clarice Evenson, bridesmaid and and Mr Frank White, best man. The ceremony was performed by Rev Morton L Rose, pastor of the First Christian church. The young couple was the recipient of many beautiful presents. After the usual congratulations had been extended light refreshments were served. Those present were:

Mr and Mrs J B Harris, Mr and Mrs W A White, Rev Mr and Mrs M L Rose, Mr and Mrs L Gross, Mr and Mrs A E Gardner, Drain; Mr and Mrs M F Stafford, Mohawk; Mr and Mrs P J McPherson, Mrs Geo I Bolton, Iowa; Mrs E C Sanderson, Miss Carrie Thompson, Miss Clarice Evenson, Miss M E Shelley, Portland; Miss Vera Sanderson, Miss Vinnie Knapp, Mr H W Rowland, Mr Frank White.

Prevented a Tragedy

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and $1.00. Every bottle guaranteed. Trial bottles free at W L DeLano's Drug Store.

France's Position.

NEW YORK, June 20.—A dispatch to the Times from Paris says: Several deputies, in interviews, admitted that France's position in China is a delicate one. There is a general shrewd suspicion that France's ally, Russia, desires to profit from the present condition of disorder and also desires such a state to continue as long as possible. If France helps to end it, she will be playing Great Britian's and opposing Russia's games.

An Epidemic of Whooping Cough.

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure,—John E Clifford, Proprietor Norwood House, Norwood, N Y. Would Not Suffer So Again for Fifty Times Its Price

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my house hereafter, for I should not care to endure the suffering of last night again for fifty times its price. G. H. WILSON, Liveryman, Burgettstown, Washington Co, Pa.
