

THE EUGENE GUARD CALENDAR

Calendar grid for November 1900 with days of the week and dates.

THE USEFUL HEN.

Dried Canned Eggs the Latest Food in the Army Commissary.

The portable hen is the latest thing adopted by the commissary department of the army.

Dried egg in cans is, to speak more exactly, the army food of the immediate future.

Various by-products of hens' eggs are used today in interesting ways.

Various by-products of hens' eggs are used today in interesting ways. From rotten ones is obtained an oil, useful as a lubricant, and which in Russia has been highly prized for centuries as a cure for burns.

THE WHEEL AND DIVORCE.

Of course the wheel could not keep out of the divorce court. There is a woman down in Washington county who depends on the usual "cruel and inhuman treatment" by the husband to obtain a divorce.

Local Market.

- November 30, 1900. Butter—35 to 50c per roll. Wool—15c. Poultry—\$3.50 to \$4.50 per dozen.

Smile and Suffer.

That's the motto of many a woman's life. She manages the house, receives friends, entertains company, with a moon on the face which is a mask to cover up her pain.

It's almost sure to heal. It has cured ninety-eight per cent of those who gave it a fair and faithful trial.

He Kissed His Pupils.

Recently charges were filed before the state board of education, against one U S McHargue, teacher in district No 29, Washington county, charging him with immoral conduct.

As conclusions of law, and fact, the board found as follows: "First—That the defendant, U S McHargue, is guilty of unprofessional improper and immoral conduct.

"Second—That the certificate issued to the defendant on October 25, 1897, expired on October 25, 1900, therefore the prayer of the complainants herein, asking that the same be revoked, cannot be granted."

Double Tragedy.

Jacksonville, Or, Nov 25.—There was a double tragedy here last night. G W Taylor shot and killed J Hardenbrook and then ended his own life.

Sawmill Property for Sale.

Two hundred and twenty-eight acres of land, about 1,000,000 feet of timber, sawmill and good water power, house and barn, all for \$1600.

TOED AND CORKED HORSE SHOES READY TO NAIL ON.

Money savers for farmers. See them at F L Chambers.

DON'T GET THIN

Get fat; get nice and plump; there is safety in plumpness. Summer has tried your foodworks; winter is coming to try your breath-mill.

But weather is tricky; look out! Look out for colds especially.

Scott's emulsion of cod-liver oil is the subtlest of helps. It is food; it is one of the easiest foods in the world; it is more than food; it helps you digest your food, and get more nutriment from it.

Don't get thin, there is safety in plumpness. Man woman and child.

We'll send you a little to try. If you like. SCOTT & BOWNE, 409 First street, New York.

Many Are Like Him.

"I believe," she said, looking at him somewhat sharply, "that you claim to be a sane and level headed man."

"No, I confess I would not," he answered. "You doubtless believe you are?" "Yes; I believe I am."

"You wouldn't think of passing an afternoon in frivolous chatter about the prevailing styles, would you?" "No; I confess I would not."

"He has to neglect his work in order to attend out and address a lot of hoodlums who ever heard of his name and never want to hear of him again, has he?"

"Yes," he answered hesitatingly. "I believe I do, Maria."

"Do you remember that you got so mad at the paper you were taking because of its political views that you threw it out of the window and then spent all of one evening writing a letter to the editor, and that you and Mr. Brown next door argued yourselves into such a state of blind fury that you didn't get on speaking terms again until two months after the election?"

"No, Maria, I never did."

"No, Maria, I never did."

"No, Maria, I never did."

"No, Maria, I never did."

"Who Gives to All Denies All." This is as true of the spend-thrift of health as of the waster of money. Do not waste your health by allowing your blood to continue impure, but purify, vitalize and enrich it by taking Hood's Sarsaparilla, America's Greatest Medicine.

Dyspepsia—"My husband doctored a long time for dyspepsia with only temporary relief. The first bottle of Hood's Sarsaparilla helped and the second cured him. It cured my sick headaches." Mrs. Mary A. Clark, Wilmington, Vt.

Why? It is because Ayer's Hair Vigor is a hair-food: goes right down to the roots of the hair; feeds the hair bulbs just the way they used to be fed when you were younger and more vigorous. That's why the dark, rich color of early life always comes back to your gray hair. The hair grows longer, too.
