A deal was consummated in Eugene this morning in which A E Wood sold his grocery store in the J B Harrist uilding on Willamette street to N T Wilson, recently from Great Falls, Montana.

Mr Wood has been in the grocery business here since June, 1893, and has built up a good trade. He has extensive mining interests in the Blue River district and will hereafter devote his entire time and attentions to them. Mr Wood wishes the GUARD to announce that he thanks the public for their patronage which he has enjoyed and which they have so liberally be-
