## The Oregon Law School.

The Oregon Law School is a rew corporation which has been organized in the city of Salem for the purpose of

conducting a college of law. The gentlemen at the head of this organization insure its success. The president, Hon P H D'Arcy, is a legal practioneer in Salem, and has been engaged in the trial of many important esses in the courts of the state. He is an able and elequent speaker. He will lecture on Criminal Law, Real Property and Constitutional Law.

Mr S T Richardson, who is the dean of the Law School, is an able lawyer a teacher of law and dean of the Law Eighth street at Frazer's iron works. | western Oregon. School and is eminently fitted and qualified for the work of the new present time are in the active practice central part of town continuous ring. Esting purchased the office and fixtures of the late deceased W V Henderson, I am now prepared to do anything in the line of Dentistry in the above said office.

The companies of the law and succeeding well. Mr Richardson is a thorough instructor in the law and will have full charge of diate personal supervision.
