LOOK OUT

For Colds—La Grippe!

Protect yourself, and don't trust to Providence. Considering the harm done, "neglect" before and after taking a cold is a physical crime. You may prevent a cold, or, if too late, you can insure yourself against the "after effects," for there is the greatest danger, by using Dr. Harter's Iron Tonic. Few die from Colds, or La Grippe, or Catarrh. They die of the after effects. These diseases all weaken, and to a weakened body come flocking a host of diseases that fasten on weak lungs, heart, stomach, kidneys, and other weak parts that we seldom think of.

The easiest and best thing to do is to fortify the system so that you will not catch cold, but if too late to do that, then you must see that no lasting injury is done. Medical authorities all agree that iron is the fighting element of the blood enabling the system not only to ward off disease, but to fight it after it has obtained a foothold.

Dr. HARTER'S IRON TONIC

is just the remedy needed, as it supplies the blood directly with the iron it requires to combat Colds or La Grippe. Take it before, during, or after. If taken in time, it will prevent; if taken during, it will shorten the course; if taken after, it will prevent all bad after effects.

Women are especially benefited by Dr. Harter's Iron Tonic, as they seem to suffer from the weakness of Colds and La Grippe longer than men, and they are particularly susceptible to the action of a blood builder such as this is.

AN EXPRESSION OF THANKS

Tendered Hon. E. R. Skipworth for a Valuable Donation to the G. A. R.

Recently Hon E R Skipworth tendered J W Geary Post, G A R, of this city eight volumes of Congressional Records which the old soldiers prize very highly. They have handed the following to the GUARD for publication:

HEADQUARTERS J W GEARY POST, No. 9, DEPT. OF OREG, G. A. R., EUGENE, Ore., Oct. 28.

HON. E. R. SKIPWORTH, Eugene, Oregon:

DEAR SIR: J W Geary Post at its regular meeting held Oct 24, 1902, by a unanimous vote accepted the gift tendered by you of eight volumes of Congressional Records. These with the over 100 volumes and maps of Rebellion Records you presented us some time ago form a nucleus for our historic library. For these demonstrations of kindness we shall ever hold you in grateful remembrance and for which accept our cordial thanks and high appreciation.

Respectfully Yours,
WM. SHERMAN,

Pretty Badly Hurt.

Isley Smith, residing on Fall Creek, above Unity, met with an accident Tuesday which will lay him up for some time. He was hauling wood on a sled and unloading it in his wood shed. The team became frightened and ran away. They dashed with the sled and Mr Smith into an upright support, knocking it from under and letting the roof down on Mr Smith. Dr J W Harris arrived seven hours after the accident happened and found no bones broken but internal injuries were sustained. It is not thought, however, that they are dangerous.

Increased Mail Facilities.

Mail from now on will be handled all night at the postoffice. The night shift will receive mail until 12:45 a m and distribute the night mail immediately upon its arrival from Portland and the south. The star mail routes will also be able to receive their mail earlier than formerly.

The new service will be appreciated by the public. Let it be remembered that letters dropped in the hotel boxes will not be mailed on the trains—put your mail in the postoffice.

Big Apple Crop.

W O Ziegler has just warehoused his fall crop of apples. He has an acre orchard of 200 trees which has yielded him 580 boxes of fine apples of the Baldwin and King varieties. He has 16½ acres in various kinds of fruits on the Junction road three miles from Eugene.

Mr Ziegler finds that fully one-half of the crop is sound, which is a good showing for apples.

INJURED IN A RUNAWAY

Frank Radcliffe Suffers Severe Contusions This Morning on Oak Street.

While driving a spirited colt this morning on Oak street near the opera house Frank Radcliffe suffered severe injuries by the horse running away.

The animal had been tied up in a barn for three weeks and was restive. He took the first opportunity to run and while Mr Radcliffe was standing in the buggy he started, throwing him to the graveled roadbed on his face, cutting a great gash on his right eye, bruising his cheek and left knee terribly.

Dr DeBar was summoned and administered professional aid to the injured man in Long's hardware store. He was removed later to to his home, 845 High street, and is doing as well as could be expected this evening.

The horse was captured before serious damage was done to the rig.

LANE COUNTY MAN TOUCHED

Guard Special Service.

MEDFORD, Oct. 30.—A man calling himself W F Padgett on Sunday morning reported that he had been robbed of $126 and two pocket knives the night before, while asleep in one of the lodging houses of Medford. He said that he had been working in Eastern Oregon, and was on his way to Lane county to join his family, who live near Cottage Grove. The sum he lost represented his summer's work.

Padgett frequented the saloons about town sometime previously, drinking and shaking dice, and he thinks that one of his newly-found companions, who has since made himself scarce, is the guilty party. He claims that the window to his room was raised while he was slumbering and his pantaloons, which he had put under his pillow, rifled of their contents by the midnight marauder.

All stoves have advanced again but as long as the stock lasts its yours at the same old price at Chambers Hardware.

HORSE KILLED IN RUNAWAY.

Cole McElroy's Valuable Mare "Fly" Killed Near Junction Last Night.

Daily Guard Oct 30

While driving from Monroe to Junction last night in the dense darkness Coleridge McElroy and Ike Simpson met with an adventure which resulted in the death of McElroy's valuable mare, Fly, one of his elegant team.

In the center of the road near Junction there is a stump which parts the road. The stump could not be seen in the dark and the horses drew the buggy onto it, breaking the single tree and freeing the frightened team. The horses ran a few hundred yards and ran into a tree. The mare was knocked from her feet and fell groaning to the ground. She died in agony a minute later.

The stump in the middle of the road is an unusual condition. The county would be responsible for any loss in such a case.

ANNUAL PROCLAMATION.

President Roosevelt Issues Thanksgiving Message.

Says Year Has Been One of Peace and Overflowing Plenty—Thursday, November 27, the Day.

WASHINGTON D C, Oct 30.—In his annual Thanksgiving proclamation issued yesterday President Roosevelt says:

"Over a century and a quarter has passed since our country took its place among the nations of the earth, and during that time we have had on the whole more to be thankful for than has fallen to the lot of any other united people. Generation after generation of grown manhood has passed away. Each has had its own peculiar burdens; each has been called upon to face its special crisis, and each has known its years of grim trial, when the country was menaced by malice, domestic or foreign levy, or when the hand of the Lord lay upon it through drouth, flood or pestilence. When it was in bodily distresse and anguish of soul it paid the penalty of folly and of a forward heart.

"Nevertheless, decade by decade have struggled onward and upward. We now enjoy material wellbeing, and under the favor of the Most High are striving earnestly to attain moral and spiritual uplifting.

"The year just passed has been one of peace and plenty. Rarely has any people enjoyed greater prosperity than we are now enjoying. For this let us render our heartfelt and solemn thanks to the Giver of all good, and let us seek to praise Him, not by words only, but by deeds and by the way in which we do our duty to ourselves and fellowmen."

The message closes in the usual way by fixing Thursday, November 27, as the date of general thanksgiving.
