### Hop Pool—Hops Firmer.

Salem statesman, Nov 23. The Oregon Hop Growers' Association has taken 290 bids off the market at present prices, the owners having signed an agreement not to sell them for less than 30 cents a pound. The secretary says the amount will be increased to 300 bids by the end of the week. He estimates the number of bales left in the hands of growers in this state at 13,000. All the hops left in the hands of the growers will be needed by the American consumers before the next harvest and as hops are constantly going to England, the market situation looks like a strong one.

The hop market looks chipter again.

### Married.

At high noon today, G. N. Anderson, a resident of Jackson county, and Miss Emma Coleman, a school teacher well known about Lane county, were married at the Congregational parsonage, by Rev. M. H. Waller. The groom is a business man in his county. They left this afternoon for Portland and the Puget Sound countries for their honeymoon trip, returning later to live in Jackson county.

Open the back of your watch and count the revolutions back and fore of the balance wheel. If you count correct it will move 300 times in 60 seconds or 1 minute 60 minutes 18000 per hour 24 hours 72000 36000 432 000 revolutions a day. 365 days 2160000 2592000 1296000 157,860,000 revolutions a year.

Think of any piece of machinery making over One Hundred and Fifty Million revolutions with one oiling. Yet some people let their watches run several times this. But after a year the oil becomes dry with the dust collected and cuts the pivots, and if allowed to continue without cleaning or fresh oil applied the watch soon becomes useless or keeps in correct time.

If you have neglected your watch take it at once to

### M. R. JANNEY, The Jeweler on Ninth St.

He will tell you the exact trouble and cost of best possible repair.

A General Banking business in all branches transacted on favorable terms.

A. G. HOVEY, President. L. G. HULIN, Cashier. B. H. HOVEY, Asst. Cashier.

## BUBONIC PLAGUE

### 127,000 Cases in India in Five Months-- 100,000 Deaths.

### Havana Strike Conditions Better-- Salt Lake City has Plethora of Crime.

By Scripps News Association. SALT LAKE CITY, Nov 25.—Footpads did a rushing business in this Mormon capital last night. Five hold-ups were reported to the police authorities this forenoon.

An exceptionally bold robbery of a grocery store occurred about the regular closing time. Two men wearing masks and well provided with arms, forced the proprietor to open the cash register and safe. They escaped.

### Coal Strike Agreement.

WASHINGTON, Nov 25.—An amicable agreement was reached today between the representatives of the United Mine Workers and the anthracite coal operators. The details of the agreement have not yet been received.

### The Cuban Labor Troubles.

WASHINGTON, Nov 25.—The State Department is in receipt of advices from Minister Squiers at Havana this morning by cablegram, that conditions have greatly improved since yesterday. The streets are comparatively free from idlers and no further rioting is apprehended. The United States troops are still held ready in their barracks, but it is not apprehended that the Cuban authorities will not be able to meet any emergency that may arise.

### The feeling against American citizens, an incident of the riot, does not seem to subside, and few citizens of the United States are venturing from their homes.

### A Hitch About Panama Canal.

WASHINGTON, Nov 25.—The discussion of the situation in regard to the purchase of the rights of the French stockholders in the Panama Canal, occupied the attention of the Cabinet meeting this morning. Secretary of State Hay announced the failure of the state department to conclude satisfactory negotiations with Colombia for the right of way together with the right of control thereof.

It is understood that Secretary Hay favors the abandonment of further efforts to secure the Panama canal, and to open negotiations with Nicaragua for concessions for the building of a canal over the Lake Nicaragua route.

### That Terrible Plague.

WASHINGTON, Nov 25.—The marine hospital service has reports from its representatives in India that the number of cases of bubonic plague in that country for the last twenty-one weeks aggregated 127,000. About eighty per cent [100,000] proved fatal.

## PACIFIC UNIVERSITY TEAM AT HOME

### They Say U. O. Men Much Stronger this Year Than Last Year.

The Pacific University correspondent under date of Nov 23, writes as follows to the Oregonian: The football team returned home last night from Eugene. Although confronted by the worst adverse score in Pacific's football history, the team was met by a delegation of rooters who offered condolences. The home team was outclassed from start to finish in the game with the University of Oregon Friday. O. U. weighed several pounds to the man they could not stop Oregon's smashing rushes off tackle and end where the interference was something fierce and surprisingly fast for such heavy backs. The University of Oregon team is very much stronger than that of last year when it defeated Pacific University 10 to 0, is conceded by the Pacific men who played in both games. The home team is rather bruised but will be all right again in time to play the Corvallis team on Thanksgiving, with the exception of Fletcher, who is suffering from a broken shoulder. Mills received a badly bruised arm early in the game and was seriously handicapped. Barnett's work in backing up the line on defense was splendid. Yoder, at center, played his usual star game. All the men played gritty ball against tremendous odds.

## U. O. Notes:

The trigonometry classes took their final examination today. A load of care has been lifted off the shoulders of some.

The Thanksgiving holidays begin Wednesday at noon and end Sunday.

The annual Oregon Idaho Y. M. C. A. convention will be held at Newberg, Or., Dec 5, 6, 7. An interesting program has been prepared for every day of the convention.

The manager of the junior farce has fitted up the stage of Villard Hall in superior style. Footlights have been placed in position and a large amount of scenery, appropriate to the play, has been made.

The Laurean Literary Society is having made a neat glass frosted case fitted with lock and key, which will be used for displaying its programs. This is made necessary by the existence of the "Grafter's Society."

A large number of students will accompany the football team when it leaves tomorrow for Portland. The team went through secret practice this afternoon, the last for the year unless an after season game is played. The Oregon Pacific game has aroused great hope in Oregon's supporters for the Multnomah game.

No assembly at the University tomorrow morning on account of the vacation which begins at noon and lasts until next Monday morning.

Buses leave the corner of Willamette and Ninth streets this evening for the Villard Hall to accommodate those who do not wish to walk out to see the great feature of the evening—the wonderful Junior Farce.

See "To Ollie Benson" at the University tonight.

Manager Elmer Wright informs us that the limited number of tickets have already been sold for the excursion to Portland to see the Thanksgiving game. This will not mean that those purchasing tickets will not be cared for. The rate extends to other coaches as well.

## Married.

At the parlors of the Wald House, Saturday evening, Nov 22, 1902, Jas E. Sweet and Mrs. Alpha Powell, Justice C. A. Wintermeil officiating.

The groom is a prosperous farmer of the Elmira district and the newly married couple will make their home in that vicinity.

## Died.

George Petty, a pioneer citizen and farmer of the Coast Fork bottom, opposite Creswell, died at his home yesterday, Nov. 23, after a protracted illness, of dropsy, aged 65 years. He was born August 5, 1837. The funeral was held today in the Goodrich cemetery, Rev. Barnhart officiating.

## Married.

At the home of the bride's parents, four miles from Creswell, Nov 23, 1902, Miss May Clark and J. G. Bower, married at Springfield, Rev. C. A. House, of Creswell, officiating.

## Died.

The infant son of Mr. and Mrs. A. N. Stuyker, aged seven days, died at the family home at College Hill Monday.

## WHAT COACH McMILLAN SAYS

### U. O. and Multnomah Quite Evenly Matched and a Spectacular Game Will Be Played.

I will not at this time attempt to tell the public which team, Multnomah or the University of Oregon, will win the big football game next Thursday afternoon. But I will in a brief way try to point out the relative strength and weakness of the two teams as they appear to me, says Coach McMILLAN of the Multnomahs in Monday's Telegram.

In weight, so far as I know, the two teams are very equally matched. But the weight of the University team is more evenly distributed. The equal distribution of speed and weight in a football team is an essential to secure a well-balanced team as it is a piece of machinery. The backs should be arranged so that each could reach the opponent's line at the same time. The force of three men striking the line is a much more effective play than the hitting separately. In age and experience the two teams are about equal. Multnomah has some older and some younger players than Eugene, but they will average up about equal in this respect.

Generals in this contest where the two teams are so equally matched, will surely go a long way toward securing a victory for the team that uses the best judgment in giving plays. In this respect Multnomah has an considerable promise. In the Whitman game he found the visitors' weak points early in the game and worked to considerable advantage at through the contest.

But Oregon has also a good general, for in all her games this season Oregon has been able to advance the ball. In kicking, Multnomah with Cook at fullback should excel. In the Washington game his kicking was the best I have ever seen with a wet ball. With the two good punters, the style of play quite open, the two teams, so evenly matched and acry field insured the game should be the most spectacular played in Portland this year.

GEORGE McMILLAN.

## THREE FUNERALS IN EUGENE

### Last Sad Rites Over the Remains of Eugene Citizens.

Yesterday and today there were three funerals in this city.

The remains of Mrs. Rebecca Currie were interred in the Masonic cemetery yesterday forenoon at ten o'clock. She died last Friday morning at her home on Olive street. The services were conducted from the family residence with a large attendance of friends and relatives.

The obsequies over the remains of Thornton Billmire who was brought from Salem last week and died soon after reaching home, were conducted from the Billmire residence on Washington street yesterday afternoon and the interment was made in I. O. O. F. cemetery. Rev. J. C. Richardson conducted the services. A large contingent of friends were present to pay their last respects to an old friend's memory.

This afternoon the funeral of George W. Pickett was held from the rooms of the deceased in the Fickitt block on Willamette street. The Masonic ritual with the supplement of the ceremony used by the Elks, was used by the Rev. D. E. Lowridge who conducted the ceremonies. The burial took place in Masonic cemetery.

## BOARD OF EQUALIZATION

### Now in Session--No Business Done Today.

The Lane county board of equalization, consisting of County Judge H. H. Kincaid, County Clerk E. U. Lee and Assessor D. P. Burton, met today in annual session in the assessor's office for the purpose of equalizing the assessment rolls of the county.

The board remains in session one week and usually there isn't much work for it to do, the assessments made by Mr. Burton being generally correct. There is an occasional grievance, however, from someone who thinks his property is assessed too high and the matter is adjusted by the board.

Up to 2 o'clock this afternoon Assessor Burton informed a GUARD reporter that the board had transacted no business, no one having been before the board.

## Died.

Frank, the 11th son of Mr. and Mrs. Taylor, residing five miles north of Eugene, died Nov. 22, 1902, aged one year, three months and four days. The funeral was held today at one o'clock, Rev. Mr. Armstrong conducting the services. Interment was made in the Luper cemetery.
