HONORS FOR
DR. O. E. SMITH

Governor Geo. E. Chamberlain has
appointed Dr. O. E. Smith, of Eu-
gene, a member of the state board of
dental examiners for a term of three
years, commencing April 2, 1933. Dr.
Smith has received his commission
from the governor and is now a mem-
ber of the board.

This is quite an honor and is ap-
preciated by Dr. Smith. The ap-
pointment was made through recom-
mendations of the State Dental So-
ciety. The society recommends six
men and out of those the governor
appoints two each year, Dr. O. D.
Ireland, of Portland, being the other
appointee this time.

Dr. Smith is one of the best known
practicing dentists in the state. He
came here from Marshfield several
months ago, opened up elegant office
rooms in the Eugene Loan & Savings
Bank building and is building up a
good practice. The Guard congratu-
lates him upon his appointment.

Creswell Items.
(Guard Special Service.)
Creswell, April 15.—Miss Anna
Howe is teaching the primary school,
near Lowell.

Dr. Scarborough is having a lot of
grafting done in his large fruit
orchard.

LaGrippe is prevalent in and about
Creswell, some being so sick as to
require medical attendance.

The Creswell band is making com-
mendable progress under the efficient
direction of Chas. Cochran, of Cot-
tage Grove.

The C. M. A. band, of Cottage
Grove, gave a very good entertain-
ment at Scarborough's opera house
Friday evening. All present ex-
pressed themselves as being immensely
cold.

The W. C. T. U. expect to hold
their county convention at the M. E.
church on Wednesday and Thursday
of this week; several visitors from a
distance are expected.

R. J. Hemphill, of Pleasant Hill
was in this vicinity Monday, in the
interest of the new creamery which
is being built at that place.

E. R. Parker attended the teachers'
institute at Cottage Grove Friday
and Saturday. He reports an interest-
ing program.

Mrs. Madeline Johnson and Hughes
started Tuesday for a visit with
friends in the state of Washington.
They will be gone for some time.

A nice, new organ has been placed
in the school house, from the pro-
ceeds of the basket social given a
couple of weeks since. Teachers and
pupils are justly proud of it, feeling
that the acquisition is altogether due
to their efforts.

A sister of Mr. Franklin, who re-
sides in New York, is visiting with
him.

Hurrah for Beames! Give our
young men a chance. Since the ad-
ministration at Washington kicked
Binger out, he has been laying his
wires to get back to the public crib
again, but we are of the opinion that
the voters of the first congressional
district will inform him very politely
that they, like Teddy and Hitch-
cock, have no use for him. This land
office business is making the people
a little suspicious.

Goshen Items.
(Guard Special Service.)
Goshen, April 15.—Mr. and Mrs.
Phil. Wilman, of Colfax, who have
been visiting relatives here for several
days, went to Eugene yesterday and
after visiting there and at Harrisburg

day for Akron, Ohio. While we
regret to see them leave we feel that
they will soon long for and return to
Oregon. Mr. Johns, who bought their
farm, has moved his family on to the
same and gone to work.

Wm. Lockard and wife went to
Oak Hill today to visit friends.
