(Daily Guard, June 8.)  
The Albany ball team arrived this afternoon and went to work immediately to figure on the final results of the game they hoped to win from the fallers of the league. They figured a good gain in the per centage column from the Eugene victory and were a happy lot when they struck the city.

They were escorted from the depot by Manager Griffin and donned their suits soon after arrival.

The Eugene team got out a little early and indulged in a stiff practice. The week's work in the Eugene team has improved them a hundred per cent, and the way they went after the sphere wasn't slow. Their action warmed the blood of the excited fans to the boiling point and some of them had to stand in the sun to cool off.

When the game was called by Umpire Bert Vincent there was a good sprinkling of hopeful people in the grand stand who settled to see a smart game of ball.

Following is a brief story of the game:

In the first inning Albany went to bat and Talifero in the box for Eugene was a little nervous. The first batter went to third and was put out by Whittaker. A safe hit and an error by the Eugene catcher pulled down one run for Albany. Eugene went in and batted freely, taking a fierce fall out of the visitors by scoring twice.

The second and third innings were characterized by close playing, hard work and fine battery work by both teams. No scores were made.

The good work kept up in the fourth. Harper caught a sky-scraper and won laurels. Albany went out without a foot on second base. Chapin climbed out on second and ran home in a canter on a clean sacrifice hit by Whiteaker.

In the fifth Albany kept going out without straight marks to her credit. No score. Eugene came to bat and never scored.

In the last four innings Eugene succeeded scoring 3 more runs, and Albany 1.

out like a hot dancer while the few scattered hits were of little use to the visitors. Eugene has a team which will land the pennant. Eugene has faith in the boys and will see them to the finish and we hope that will be at the top of the heap.

For the visitors their inability to bat was a compliment to Talifero. Their base work was fair but head work was lacking at critical moments. Sheridan was batted out of the box in the fifth and his successor fared well because Eugene was tired of running. The score might have been doubled if necessary.

YESTERDAY.  
The game was slow, taking over two hours. It was delayed by Eugene staying at the bat and scoring so often. Albany came up with the stick and one man aided by a wild throw to 3rd, made a home run. Three men went out without more scores. Eugene came up and showed her metal. Mahoney bunted and made first safely, sneaked to second and the bases filled up. Everybody and one more man came around the white lines, scoring four runs. In the next Albany pulled out two runs and the score looked big. Eugene took no chances but determined to snuff the visitors under the start. After two men were out in the last of the second inning, six runs were piled up for Eugene. Eugene rested easy then and did not wish anything for the fourth. The boys got their breath after running so much in the second and in the fourth decided to do some more sprinting, circling the diamond five times. This did get them and for two whole innings nobody had nerve enough to increase the score. Albany couldn't do it so Eugene had to become immodest and take some more pie in the seventh, adding three more runs. In all the visiting "Homespun" picked out six tallies and Eugene found three times that many on her side.

There was a good crowd at the game. Umpire Vincent was a good officer, fair and impartial.

## DAVIS PLACE SOLD AGAIN

For the fourth time in less than a year the Dr. H. A. Davis place just above Harrisburg has been sold at administrator's sale at the court house door in Albany, Linn county, this time to A. C. Woodcock of Eugene, for \$23,000. The law requires a resale of the property which has been sold at executor's or administrator's sale on condition that a guarantee shall be made of a ten-per cent. increase over the price at which the prior sale was made. The sales, including that of today, have been:

Z. A. Davis	\$14,200
Z. A. Davis	17,000
John Cartwright	18,700
A. C. Woodcock	23,000

There are 154 acres in the tract, about fifty of which are in hops. There are four hop-drying buildings on the premises, at one time there being one hundred and twenty acres of bearing hops. During the era of low price several years since the larger portion of the yard was plowed up. It is rumored that Mr. Woodcock represents prominent sawmill interests, a slough or lagoon on the property from the Willamette River, with a high bank on the north—the prairie side—rendering it an ideal sawmill site. A safe place to hold many thousand logs and convenient to the railroad. At one time Dr. Davis refused thirty-five thousand dollars for the property.

## DRAIN NORMAL SCHOOL REGENTS

At Drain Wednesday evening the regents of the Central Oregon State Normal School held their annual meeting. With the exception of Hon. J. T. Bridges the entire board was present, as follows: Gov. Chamberlain, Secretary of State Dunbar, State Superintendent Ackerman, Dr. Wm. Kuykendall, Hons. R. M. Veatch, Joe Lyons, W. W. Wilson, Dexter Rice, Capt. Ben D. Boswell, J. A. Black, W. W. Kent. Secretary C. E. Hasard was also in attendance. The affairs of the school were found to be in a substantial and progressive condition.

The election of officers resulted as follows: Hon. Joe Lyons, president; Capt. B. D. Boswell, vice president; C. E. Hasard, secretary; W. W. Kent, treasurer. Executive committee, Capt. B. D. Boswell, Hon. Joe Lyons, Hon. R. M. Veatch. All the officers were re-elected except Treasurer Kent, who succeeds Hon. J. T. Bridges. The selection of a faculty for the coming year was referred to the following committee: Hons. R. M. Veatch, Joe Lyons, W. W. Wilson, Dexter Rice, Capt. B. D. Boswell, J. A. Black, W. W. Kent. This committee will meet at the call of the president. In view of the substantial results attained, it seems probable that the present faculty will, in the main, be retained for the coming year.

There was some discussion as to whether it would be better to re-organize the old Gen. Lyons Post or to start a new one. Col. ## Work on New High School

Actual Building Operations Have Commenced.  
Contractors Welch and Maurer of Salem Are in the City and Work Will Be Speedily Pushed.

Messrs. Welch & Maurer of Salem, who have the contract for the erection of Eugene's new High School building, are in Eugene and have commenced actual operations preparatory to its erection.  
The lot on which the building is to be located, immediately east of the old Central school building, has been cleared off and the stakes set to mark off the excavation.  
The contractors this afternoon informed the Guard that they would push the work as fast as possible—as fast as material can be obtained and as fast as a big force of men can put the material together.  
Messrs. Welch & Maurer are well known and reliable builders, and the public is assured of the best of work.

## UNVEILED THE MONUMENT

As is the custom of the Woodmen of the World, on every first Sunday in June, the local camp yesterday unveiled the monument erected over the grave of the late I. W. Pope, who was a member of the lodge and who met sudden death by accident last fall.  
The camp members met at the hall early in the afternoon and marched to the cemetery where Judge E. O. Potter made the address of the day. He spoke feelingly of the fraternal spirit which is carefully cultivated by the Woodmen. The services were impressive.  
In the evening the camp attended annual church services, Rev. H. A. Geen, pastor of the Baptist church, delivering the address in the Baptist church.

## DID NOT DINE WITH ROOSEVELT

Many people in Eugene are acquainted with Nesmith ("Nex") Ankeny, son of U. S. Senator Ankeny of Walla Walla. He is widely known on account of his eccentricities. The following dispatch from Walla Walla is concerning him:  
"It's a d-d poor man that can't eat in his father's house," said Nesmith Ankeny, son of Senator Levi Ankeny, tonight, when asked regarding the truth of the story that he contemplated leaving the Ankeny-Copeland ranch, in Adams county, where he is in Senator Ankeny's employ, because his father had not invited him to the Roosevelt banquet.  
According to the rumor, Nesmith was so hurt because he had received no invitation to the Presidential spread, when his brothers John and Robert did, that he decided to go to locomotive fring. Nesmith denies that.  
"I intend leaving the ranch," he said tonight, "but not on this account. I did not want to take my wife, who is as not in good health, among the crowd at the banquet, and so did not go."

## Captured Old Bruin.

Last week a company consisting of Jas. Benson, Rev. Geo. H. Foose, F. B. Phillips and E. D. Wheeler went up to John Palmer's place on Mosby Creek to spend a few days at that place and F. D. Wheeler's homestead hunting and fishing. Mr. Palmer had been annoyed for some time by the ravages of a big black bear on the range about his place so the company laid plans to capture old Bruin and were eminently successful. He was located on a glade high up on the ridge above the Palmer place and after a brief but exciting chase a bullet from a 30-30 rifle pierced his body and cut short the career of his bearship. He was a monster and weighed, it is estimated, fully 500 pounds. The fur was unusually long and thick for this season of the year and the head and feet were carefully preserved with the hide, which Mr. Phillips secured and will have nicely dressed and converted into a rug. The company returned home Friday, having feasted on fish and game, were well pleased with their outing.—Nugget.
