STRIKE IS SETTLED

Plumbers of Portland Went Back to Work Today.

Have Been Out for Six Weeks for an Increase in Wages from \$4.50 to \$5 Per Day.

(Scripps News Association.)
Portland, Or., Sept. 30.—The plumbers of Portland who have been on a strike for an increase of wages for the past six weeks, returned to work today. In this case the plumbers asked an increase of wages from four and a half to five dollars a day. The sympathy of the public was against the plumbers. The general public believe that the scale now paid the plumbers was sufficient. The strike has been hotly contested.

MURDERER DIED AT SEATTLE

(Scripps News Association.)
Seattle, Wash., Sept. 30.—W. S. Thomas, alias Kid Smith, the murderer of Policeman Schaneman, died in the hospital here this morning. Smith was in a bad condition and it was found necessary to operate upon him to save his life so the hangman could attend to his duty. Smith died from the effects of the operation, but steadfastly refused to divulge who his two companions were that assisted in the murder. Smith never confessed to the crime.

RULERS CONSULTING AT VIENNA

(Scripps News Association.)
Vienna, Sept. 30.—The Czar reached here this morning. There is no longer danger of any difficulty with the socialists. The Czar is now visiting with Franz Joseph, and they are consulting together regarding the Balkan affairs. There is no change in the Bulgarian affairs. Matters remain as they were yesterday.

Dedication.

The new refaced and improved Church of Christ in Springfield, Lane county, Oregon, will be rededicated next Sunday, October 4th, at 11 a. m. E. C. Sanderson, L. L. D., of the Eugene Divinity School, will preach the dedicatory sermon. Mrs. G. L. Lobdell, vocal music teacher, will lead the singing and render special solos. A public dinner and ice cream will be served by the church for all who attend. Come and enjoy yourself with us on this special occasion. Respectfully submitted, D. E. OLSON, Cor. Secy.

Married.

At the home of the bride's parents, Mr. and Mrs. J. C. Wallace, at Naton, Sept. 23, 1903, W. H. Sanders and Miss Nellie Wallace. The wedding was a quiet affair, only a few of the near relatives being present. After the ceremony all were invited in to partake of the splendid banquet which was prepared for the occasion.

Died in Iowa.

(Daily Guard, September 30.)
A telegram was received in Eugene today announcing the death this morning at Bloomfield, Iowa, of Mrs. Mary P. VanDyke, mother of C. R. VanDyke and Mrs. A. C. Jennings, of Eugene. She was aged 72 years. Mrs. Jennings had been with her mother for the past several weeks.

John C. Whiteaker, of Eugene, is now clerking in Miller's drug store. The young man is a grandson of the late ex-Governor Whiteaker.—Lebanon Express-Advance.

ADDRESS TO ASSEMBLY

(Daily Guard, September 30.)
After the usual scripture reading and prayer, Prof. Glenn favored the assembly at the O. U. this morning with a vocal solo, which was highly appreciated. He declined an encore. President Campbell was the only speaker, and he confined his remarks to the subject, "Preparation for Leadership."

He said in substance and in part: "There has been a gradual substitution of intellect for muscle. It is expected that the time will come when the bulk of physical labor will be done by the natural forces around us, directed by human intelligence. The great possibilities of the Willamette valley give a wide field for such development. The complaint has been made that over-education has made people less willing to work. But this is not true. Statistics show that only a small per centage receive higher education. Education does not make people less willing to work but more particular as to the conditions under which they work. It teaches them what are good conditions."

"Training in schools promotes leadership and it is the student who is able to get all the facts and has the ability to use them in large generalization that makes the best leader. If one is to serve the common good he must have a general development of himself. 'If he is to be a leader he must be a part of that which he leads.'"

"There are three things then to be looked after, viz: development of intellect, development of artistic sense and development of character. It is the duty of every student and especially those of the state institution, to do their best in the way of general development, for in doing the best for the state he is doing the best for himself."

FOOTBALL MATTERS.
The second team game with the High School, which was to be played next Saturday, has been postponed one week, i. e., Oct. 10. O. A. C. has asked for a game between the second teams of the two institutions. If such a game be played it will probably be at Corvallis.

DR. PAINE RETIRES FROM PRACTICE

To his intimate friends the announcement of the retirement of Dr. D. A. Paine from active practice in Eugene will not come as an entire surprise as the contemplated change has been expected since last spring. However, the popular doctor has decided to engage in business in Portland, where he has invested as a partner in the Northwest Electric Company and will hold the office of secretary-treasurer in the company, which is one of the largest concerns in Portland.

Dr. Paine's family will remain in Eugene for the present, but will ultimately remove to the city, some time during the next few months. Their removal takes away from Eugene one of the most popular families, and the social world as well as the professional and business circles, regret the move which separates them.

Dr. Paine has been prominent in Eugene and indeed all over the state since he came to Oregon years ago. He has been superintendent of the state insane asylum, city councilman in Eugene, vice-president of the Eugene Electric Light Company vice president of the Eugene Loan & Savings bank, and a holder of various other offices of honor, such as president of the Eugene Commercial Club. Dr. Paine will retain his business interests in Eugene and will be back and forth from Portland a great deal. Dr. Wm. Kuykendall, efficient partner of the retiring physician, will continue the practice of the office.

Lane County Tobacco.

There has been left at the Guard office a big bunch of tobacco grown by S. J. Cox and R. E. Willis at Cedar Flat. The plant is very luxurious, measuring over four feet high, and the leaves are ten to twelve inches wide. It equals any grown in the East or South. It is of the White Burley variety and is for exhibition at the district fair.

HAS SOLD A PILE OF CHAMBERLAIN'S COUGH REMEDY.
I have sold Chamberlain's Cough Remedy for more than twenty years and it has given entire satisfaction. I have sold a pile of it and can recommend it highly.—Joseph McElbenny, Linton, Iowa. You will find this remedy a good friend when troubled with a cough or cold. It always affords quick relief and is pleasant to take. For sale by DeLano's drug store.

RACING HAS COMMENCED

Today marked the commencement of a good four days' going at Bangs' Park track. There was a good crowd admitted this morning and a larger one this afternoon, when the speed program was taken up.

Everyone voted the races well worth the admission and the crowd was entirely satisfied with the entertainment. Considerable excitement prevailed during the finish of many of the races and the best horse won every time.

The following entries were made in today's program:
First race, 2:30, trotting—Entered, Lord Kitchener, owner Condon; Neptune, owner, W. C. Holknapp; Linmount, owner M. K. Thompson.
Second race, half-mile running—Entered, Daisy, owned by Wing; Net Pet, owner Larwill; Golden, owner Beckley; Sunday Mac, owner McElroy.

Third race, five-eighths mile—Entered, Gad, owner Darr; McFarland, owner Ruberford; Peppersauce, and The Maniac.
Fourth race, quarter mile and repeat—Entered, Moland, by Strome; Black Dagon, owner Rutherford; Big Joe, Lawson; Fitzsimmons, owner Berger.

Starter, Leslie Galbraith; judge, Wm. Nesmith.

THE RACES.

A big crowd was on the ground this afternoon and interest centered on the track.

The opening race was a special 2:30 trot for \$100 purse. The entries were T. D. Condon's stallion Lord Kitchener, Holmboss, Neptune and Linmount, the horses arriving at the wire in the order named, Lord Kitchener having everything his own way in two successive heats.

The second race was a half mile dash by runners. Mt. Pete, Sunday Mac, Goldie and Daisy entered. It was a pretty race, Mt. Pete and Sunday Mac racing nose and nose the whole distance. Mt. Pete jumped ahead at the wire and took the race by half a length. Time, 56 seconds. Purses \$25.

The third race was a beautiful five-eighths run. The noble "Gad" was declared winner, although Mizzer was alongside and many thought she had the best of it. Peppersauce was third, McFarland fourth. Time, 1:09. Purses \$50.

The next was the quarter mile dash, King Joe came in first, Nolan second, Black Dagon third. Time 25 seconds.

From Silver Lake.

J. M. Small, of Silver Lake, made the Guard a pleasant call today and incidentally renewed his subscription to the Weekly Guard.

Mr. Small says he takes a large number of papers and believes the Guard to be the best weekly paper in the state. He has been a subscriber to the Guard for twenty years.

Mr. Small brought some horses over to the valley to dispose of and as soon as all are sold will return home. He informs us that the sage brush areas of Lake county are being turned into tillable land. A few years ago it was thought this land was of no value whatever.

BRUTALLY TORTURED.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobrick of Coles, Calif., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and its the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me. Just as good for liver and kidney troubles and general debility. Only 50 cents. Satisfaction guaranteed by W. L. DeLano, drug giat.

INSPECTION OF COS. A AND C

(Daily Guard, September 30.)

The first inspection and muster of the local military companies under the new national militia law has been held, Co. C being inspected Monday night by Captain J. M. Williams, and Co. A last night by Capt. C. C. Hammond.

The soldier lads appeared in good trim and their new Krag-Jorgensen rifles were all in splendid shape. Last night after the inspection of Co. A, a ball was given by the Military Club. It was largely attended and was a success. The Eugene Mandolin Club furnished fine music for the occasion and the dancers enjoyed every number of the program.

Resolutions of Sympathy.

Whereas, the divine ruler of the universe has removed from our midst, Comrade J. W. Wheeler, beloved husband of our Sister Almira Wheeler

Resolved that Rich Mountain Circle No. 4, Ladies of the G. A. R., extend our heartfelt sympathy to the bereaved wife and daughter, Mrs. B. Downs, in their great sorrow.

Resolved further that these resolutions be spread on our records and a copy be sent to the bereaved wife and daughter, and the local papers for publication.

Mrs. Sarah Chapman,
Mrs. Nettie Kronsie,
Mrs. Katherine Smith,
Committee.

Will Rebuild.

John Hooker, of Panther, one of the owners of the Hooker Brothers shingle mill, which was burned to the ground recently, spent last night in Eugene, returning home today. He stated to a Guard reporter this morning that it was their intention to rebuild their mill some time this winter.

PHYSICIANS SUED FOR \$10,000

Paine & Kuykendall Are the Defendants.

Herbert Beadle, a Logger, Alleges Negligence.

He Says a Broken Arm Did Not Get Well Under Treatment at the Eugene Hospital

---L. E. Bean, Attorney

(Daily Guard, September 30.)

In the circuit court this morning a complaint was filed and an action instituted to recover \$10,000 damages from Drs. Paine & Kuykendall, by Herbert Beadle, a logger, who alleges that his broken arm, treated at the Eugene hospital by the defendants, did not get well and is yet useless. The complaint recites the following points:

That on the 7th of May, 1903, the plaintiff's left arm was broken near the elbow while working in a logging camp on Fall creek. That he was brought to Eugene and placed under the care of Dr. D. A. Paine and W. Kuykendall, who undertook to treat the injury.

That the defendants, as such physicians, undertook for hire to set the broken arm and care for and treat the same until well, but they so unskillfully, negligently and carelessly conducted themselves in the treatment that the bones were never set and placed and caused to remain in their present position.

By reason of the unskillful, negligent and careless actions, the arm is now crooked, deformed and weak and almost useless. That the plaintiff was made sick, sore and lame and caused to suffer great and unnecessary pain and anguish and is still so suffering, and is unable to follow his lawful trade.

That the plaintiff remained in the hospital from May 7th, 1903, until July 26th following and was then discharged as cured.

That on account of the unskillful, negligent and careless treatment, the plaintiff is damaged in the sum of \$10,000, and demands judgment against the defendants for the said sum and costs of action.

L. E. Bean is attorney for the plaintiff and filed the complaint this morning in the clerk's office.

DR. PAINE'S STATEMENT.

When seen by a reporter this morning Dr. Paine stated that the action was entirely unlooked for and came like a thunderbolt out of a clear sky. He said that the young man left the hospital without being discharged and that they had written to him on two occasions asking him to call and see if the arm was in good shape. No attention was paid to the requests and action was brought. The doctor says he does not fear the result of a jury trial.
