FOUND DEAD IN HIS HOUSE

R. B. Mallam, Old Soldier, Expired Suddenly.

Had Been Wheeling in Wood and Went into the House and Dropped Dead.

(Daily Guard, October 14.)

R. B. Mallam, an aged man who resided alone at 422 West Sixth street, was found dead in his house today at noon. The old gentleman was last seen alive this morning about 9:30 o'clock when he was wheeling in some wood from the street.

Miss Mabel Fisk who resides next door went over to Mr. Mallam's house at noon and was horrified to find him lying dead on a rear porch with his head resting on a sawbuck. The young lady notified her folks and neighbors and Chas. Beadle, a close friend of the old man's, and others soon arrived. The body was carried to a bed and the coroner sent for. The cause of death was no doubt heart trouble, as several times before the old gentleman had fainted away and but for immediate assistance would perhaps have died.

Mr. Mallam was about 72 years of age. He was a member of the local post of G. A. R., having served in the civil war in Co. M, 1st Minnesota Artillery. He leaves a daughter, Mrs. Ed Purkerson, residing on Fern Ridge, where he also formerly lived, selling his farm about two years ago and moving to Eugene.

CORONERS' INQUEST.

Coroner C. E. King held an inquest over the remains this afternoon at 2 o'clock. The following were selected as the jury: W. M. Sherman, Chas. Beadle, John Ingham, V. R. Fuller, F. R. Ream and J. S. Stiles. The jury rendered a verdict to the effect that deceased came to his death from natural causes.

The coroner in going through the old man's clothes found in three different purses money to the amount of \$192.75, most of which was in gold.

STOLE DEMIJOHN OF WHISKEY

One McDonald Will Spend Twelve and a Half Days in Jail.

(Daily Guard, October 14.)

A man by the name of McDonald who has been employed at Martin's brick yard, came to town last night and filled up on booze. About 7:30 o'clock while in Etter's saloon he saw a demijohn of whiskey on the bar, and concluding that he wanted it grabbed it and ran. The bartender gave the alarm and Policeman Eastland gave chase. Eastland not being able to gain on the fellow who ran out West Eighth street, Chas. Croner came to his assistance and caught McDonald near the Presbyterian church.

This afternoon he was given a hearing before Police Judge Dorris, ex-officio justice of the peace, and was fined \$25. Not being able to liquidate he will serve 12½ days in the county jail.

Heckert-Hebron.

W. O. Heckert, the well-known contractor of Eugene, and Miss Laura Herron were married at the home of the bride's mother, Mrs. Barclay, 12 miles south of Corvallis, Oct. 7, 1903; Rev. Reeves, of Corvallis, officiating.

About twenty-five relatives and friends were present. At 10 o'clock amid a copious shower of rice, the couple left by private conveyance for Junction City, where they took the train for Eugene, their future home.

The popular bride is one of the most distinguished of Benton County's young ladies. She was born and raised in the southern part of that county where she grew to womanhood. Mr. Heckert is formerly of Corvallis, but for the last three months has been operating in contracting and building at Eugene.

Exchange Meeting.

The newly elected officers of the Eugene Real Estate Exchange assumed their duties at a meeting held last night in Starverud & Calkins' office. The new officers are: T. F. Garrett, president; W. W. Calkins, secretary; C. S. Farrow, treasurer.

M. Starverud spoke interestingly of the National Irrigation Congress at Ogden, Utah, recently, which he

attended. Other matters were discussed and satisfaction was expressed by all over the good the exchange has accomplished during the year.

Fined for Fighting.

W. Hodes, one of the proprietors of the Eugene Steam Laundry, and Oscar Faust, a collector for the Troy Laundry, had a misunderstanding on the street this morning and came to blows. They both appeared before Police Judge Dorris this afternoon at 3 o'clock. The judge decided that Faust was to blame for the fracas and fined him \$5 and costs, which was paid. The charge against Hodes was dismissed.

BIG ENROLLMENT AT PUBLIC SCHOOLS

Over 1150 Pupils Enrolled up to the Present Time.

Superintendent A. F. Becholdt of the public schools today gave the Guard some figures on the enrollment of the city schools.

On October 10th there was a total enrollment of 1105 and since then, the superintendent says there have been at least 50 more enrolled, swelling the total to over 1150. The number actually entitled to seats on Oct. 10, 1904. The High School alone has an enrollment of 240.

Superintendent Becholdt says the schools are all crowded and he doesn't hardly know what to do with all the pupils. The opening of the new High School building is anxiously awaited.

DISTRIBUTING MONEY FOR APPLES

The Ingham and Zimmer Vinegar Factory Spreads Prosperity.

An institution which is distributing a large amount of money among the Lane county farmers is the Ingham & Zimmer vinegar factory at Pearl and East Fourth streets.

The factory, which has now been in operation for some time, is grinding up from 800 to 1000 bushels of apples per day, and is at present employing ten men. The factory pays \$6 per ton for the fruit that has usually been left on the ground or trees by the farmer to rot or be eaten up by the hogs. Thousands of dollars are being distributed throughout the county in this way.

FROM REV. J. J. HANDSAKER

Under date of October 5th, John J. Handsaker writes as follows from Coquille City where he is located as pastor of the Christian church:

We are having a good rain, one that is needed. I was about to say needed to start the fall grass, but when farmers congratulate themselves on getting their second crop of hay in before the rain, I guess it is not needed for that. Vegetation is green here all the time.

Yesterday I attended the German Baptist (Dunkard) Brethren church at Myrtle Point. I could almost imagine I was in colonial times, and that the men had stacked their guns at the door as they came in. Sturdy-bearded farmers who marched to the front seats took hearty part in the services. They are men of sterling worth. Everybody sings, no organ but the leader gave the different tones and urged all to count time.

DISCUSSED THE FOREST RESERVE

At a business session of the Eugene Commercial Club last night the forest reserve question was discussed. Attorney L. E. Bean made an address with reference to the proposed withdrawal of townships 16 and 17, s 4 east, and showed that if township 16 especially was withdrawn and placed in proposed reserve it would be detrimental to the farmers adjacent to Blue River and upper McKenzie and would also be a great drawback to the Blue River mines.

On motion of Mr. Bean, Hons. S. H. Friendly and F. M. Wilkins were appointed to draft a memorial asking that the townships be not included in the reserve, the said memorial to be addressed to congress and forwarded to the Oregon delegation with seal of the club and signature of the officers.
