BAD DREAMS.

Where Do They Come From?

A great deal of philosophizing has been done in the endeavor to determine the cause of dreams. At the best, the the cause of dreams. At the best, the question is left unsettled, the materialist who relates all dreams to physical causes seeming to have a shade the better of the argument. It is, however, certain that womanly intuition and motherly experience furnish a solution of the common cause of had dreams, which appeals at dreams."
