

# ALBANY IS EASY FOR U. O.

## An Interesting Game Played This Afternoon.

### The Field Was in Good Condition and the Weather Fine For a Fast Game.

(Daily Guard, October 24.)  
The first inter collegiate football game to be played in Eugene this season, between the University of Oregon and Albany College, was witnessed by a large crowd on Kincaid Field this afternoon.  
The weather and grounds were in splendid condition for fast playing. The game was interesting throughout, the Varsity, however, showing the result of more training than their husky opponents.  
Supporters of both teams rooted noisily and when any particularly brilliant dash or line buck was made, pandemonium reigned for a time.  
It was a walkover for the University of Oregon team. In nearly every play from four to ten yards were made through Albany's line. Latourette made a nice run of 25 yards, and Thayer and Keron did some nice work.

### FIRST HALF.

At the end of the first half, the score stood:  
University of Oregon, 17  
Albany College, 0.

### SECOND HALF.

The second half resulted:  
University of Oregon, 23  
Albany College, 0  
Total—  
University of Oregon, 23  
Albany College, 0

## DEATH OF MRS.

### H. P. MORRIS

## Died From Consumption Last Evening After a Long Illness.

(Daily Guard, October 23.)  
Mrs. Maggie Morris, wife of H. P. Morris, died last evening at 5 o'clock at the home of her father, G. W. Weider, 347 West Seventh street, after an illness of a year's duration from consumption. The end had been expected for some time, and death came last evening as a relief to the patient sufferer.

Mrs. Morris was born in Jefferson county, Kansas, June 25, 1846, therefore being over 57 years of age. She was married to H. P. Morris in 1873, and they came to Eugene in 1886, residing here ever since. Four children, all of whom are now living, were born to them as follows: Mrs. Minnie Purman, of Henderson Station; Mrs. Flora Ham, of Seattle; Gardner Morris and Harry Morris, of Eugene.

The funeral will be held tomorrow morning at 10 o'clock with interment in the Mulkey cemetery. Rev. R. T. Cross, pastor of the First Congregational church, will conduct the ceremonies.

## WILL ERECT NEW STORE BUILDING

### N. R. Gaylord Purchased Corner of the Underwood Property.

N. R. Gaylord, who has conducted a music and notion store in the Sanford building for many years, has purchased the lot at the corner of Fifth and Willamette streets on the Underwood property and will at once commence the erection of a frame business building.

The new structure will be about 45 feet square and two stories high. Lumber is now being delivered on the ground for the erection of the building.  
Mr. Gaylord expects to have his new building completed within a few weeks and will move his stock of goods there from his present location.

## A GRAND CONCERT LAST NIGHT

### Ellery's Royal Italian Band Charmed an Audience at the Parker.

(Daily Guard, October 23.)  
The appearance of Channing Ellery's Royal Italian band brought out a good sized crowd at the Parker last night. The house was not full but what the audience lacked in numbers was made up in enthusiasm. Eugene's music lovers were out in force.  
The concert was pronounced by all to have been the best of its kind ever

heard in this city. Local auditory nerves never tingled to more delightful music than that furnished by these forty-five sons of Italy.

After each number there was a perfect storm of applause, and every number was encored. Such grand harmony and perfect rhythm were never before heard at the Parker. At times the audience was completely carried off its feet.

A word about Manfred Chiuffarelli, the director. The man is thoroughly magnetic, and imparts his energy and enthusiasm, not only to the Ellery payroll, but to the audience as well. He is an unassuming, un-freakish man, makes no gestures that cannot readily be interpreted as necessary by everyone in the house, wears no white gloves, uses no dials to enhance his own prominence, nor any of the other little devices which his ilk have employed from time immemorial. Chiuffarelli works hard, but he is not self-conscious. He talks constantly to his men, either by word of mouth or by his highly skilled fingers, the language of which is doubtless as keenly understood by the players as the spoken directions. It is apparent to the audience that he gets from the men just the results that his outstretched arms go out after. He is not a man who mistakes a tremendous volume of sound for music. Indeed, the softer effects of his music are exceedingly well rendered, and make all the more telling by contrast the great finales, which are given with the greatest spirit and the most inspiring translation imaginable.

## COACH SMITH GOES TO HELP BERKELEY

### The Locomotive Expected to Ginger up the University of California Team

The following is from yesterday's Oregonian:  
San Francisco, Cal., Oct. 21.—"Locomotive" Smith, the former University of California star, who has been coaching the University of Oregon Varsity during the present season, has been sent for by the Berkeley management to come and help the Varsity pull out of its slump. Smith will arrive early next week and will devote his time to the State University boys for a few days before returning to his Oregon charges. While here he will assist Coach Hall in getting the boys into better shape.  
On Tuesday he will line up with the alumni team against the college eleven. This is an annual game and last year the human locomotive proved that he had lost none of his skill as half back. He is expected to infuse into the men something of his own restless dash and energy.

## A Sick Hobo.

A man with the appearance of a hobo and ill from malarial fever came up from Junction City last night, stating to the police officers here that the Junction officials had sent him to Eugene to receive aid from the county, as he was broke.  
Acting Chief of Police Eastland took the man before County Judge Kincaid who ordered that a ticket be bought for points north, and he was sent out on the afternoon train.

As the man wanted to go north, having come up from Sacramento, the Junction officers should have sent him on his way instead of sending him up here, creating an added expense to the county.

## Died Suddenly.

(Daily Guard, October 23.)  
Geo. G. Gross this afternoon received a telegram from John B. Harris, stating that Felix Barger, well known in Eugene and a former resident of Linn county, had died suddenly at Colfax, Wash. Mr. Barger is Mrs. Gross' uncle by marriage and a brother-in-law of Mrs. J. B. Harris.

## NO ALARM NEED BE FELT

### Diphtheria Will Not be Allowed to Spread in the Public Schools.

The city council and the school board held a joint informal meeting at the city hall last evening to discuss means to prevent a spread of diphtheria in the public schools.

It is said that the little Beebe boy who took sick Sunday and died from diphtheria Wednesday morning was out playing football with a lot of other boys Saturday, the day before he was taken sick. It was feared that the children with whom the boy had been playing were exposed to the disease. The school authorities deem it best to take measures to check the disease in case the children were exposed, and at a meeting of the board yesterday afternoon it was decided that School Physician Cheshire should examine each day the children who were playing with the Beebe boy Saturday.

At the joint meeting of the school board and city council last night, the council concurred in the board's plan, it being deemed the best thing to do.

SHOULD NOT BE ALARMED.  
The reported exposure of these children to the disease has caused considerable unnecessary alarm. There seems to be no danger of the diphtheria spreading. It is not probable that the children came in close enough contact with the boy to catch the contagion. But if they did, by examining each child every morning the physician can tell at once when the disease takes hold, and by treating it immediately can early check it.

## CHANGE IN ARRIVAL OF TRAIN

### Petition to Have the 2:08 Train Arrive in Eugene at 11 in the Morning.

A petition urging a change in schedule of train No. 11, which arrives at Eugene from Portland at 2:08, has been prepared by Postmaster Clark, of Springfield, and forwarded to all the postmasters along the line in Lane county for their signatures, which they all freely gave.

The petition asks that this train, which carries the Morning Oregonian and all the mail, be changed so as to arrive at Eugene by 11 a. m. Should this new schedule be inaugurated, it would make a decided improvement in the mail service up this way, and would afford patrons of morning papers the opportunity of reading them before the middle of the afternoon. It is but a small matter for the S. P. Company to make this change; all that is necessary would be to start the train out of Portland at 6 o'clock a. m., instead of 8:30, and then run a little faster.—Springfield News.

## Mill Promoter.

H. D. Wagon, of Lyons, the promoter of the Eugene Woolen Mills and afterwards of the Lyons saw mill, has returned to Oregon from a trip to Idaho.

## JAW BROKEN BY A MULE'S KICK

### Frank Grant, of Blue River, Laid Up in the Eugene Hospital.

Wednesday morning of this week Frank Grant, employed by Glenn Powers, of Blue River, in packing provisions from that place to the mines, was kicked by one of the pack mules with the result that he is now laid up in the Eugene hospital for repairs.

Young Grant had gone about half the distance between Blue River and the mines when one of the mules became unruly. The animal's hind feet flew out and the first thing Grant knew he was sprawling on the ground. The mule's hoof had struck him square on the chin, breaking the jaw bone and knocking nearly all of his teeth out, besides cutting a great gash in the flesh.

The young man at once started for Eugene, arriving here at night. He was taken to the hospital where his injuries were dressed. He is now getting along all right.

## TERRIBLE ACCIDENT AT MILL CITY

### A Corvallis & Eastern Brakeman Run Over by Train—Died in Afternoon.

Fred Ellsworth, one of the new brakemen of the Corvallis and Eastern, yesterday afternoon while the train was switching at Mill City, was on the end of the tender as the engine backed up for a car, when he slipped and fell under the car. One leg was cut off at the thigh and the foot of the other was severed. He was brought to Albany at once and placed in Mrs. Neeland's hospital, where Drs. Wallace and Davis attended him, but the injury was too severe and he died at 7:30.

Ellsworth was a son of Ben Ellsworth, of Philomath, and a steady young man, well liked. He had been a student brakeman three or four months in all, but recently worked with the bridge carpenters, just returning to the train to work temporarily.

The funeral will be held at Philomath about 11 o'clock tomorrow. A special train will leave here at 9 a. m. The deceased was a member of the Woodmen of the World.—Albany Democrat, Oct. 22.

## SOCIAL REALM.

(Daily Guard, October 24.)  
Mrs. Otho V. Roberts gave a pleasant party at her cozy home on East Sixth street last evening to a number of her lady friends in honor of Miss Nina Ostrander who leaves Tuesday for her home in Cottage Grove. The rooms were very prettily decorated with autumn leaves for the occasion.  
The evening was spent with various amusements, prizes being awarded in the "donkey" contest. Miss Mabel Williams was awarded first prize and Mrs. H. Burnett walked away with the token of consolation. During the evening Mrs. Roberts served an excellent luncheon. The guests were Mrs. John Roberts, Mrs. O. E. Roberts, Mrs. Horace Burnett, Mrs. Bert Apper, the Misses Nina Ostrander, Nellie Hamrell, Mabel Williams, Ada Orrell, Ollie Marquis, Pearl Roberts and Mae Erickson.

An exceptionally large crowd attended the piano recital given by Arthur Louis Frazer at Villard Hall last evening. Fully 800 people were present. Mr. Frazer deserves great praise for the elegant manner in which he rendered his selections, and especially his first number, Sonata—Mignon and Allegro. Mrs. Susie Fennel Pipes rendered her selections with her usual delicate touch and beauty and received hearty applause. The entire program was a musical treat, almost every number receiving an encore.

This is Mr. Frazer's last recital before he goes abroad. The program was as follows:  
Piano—Sonata, E minor, Grieg; Allegro—Andante—Minuet—Allegro, Molto.  
Voice—The Shooey—Shoo (Swing), Mayhew; Fo Spring, Gounod; Violin obligato.  
Piano—Nocturn—B flat minor; Etudes—C minor, A flat major; Chopin; Scherzo—B flat minor.  
Violin—Adagio, Ries; Canonette, d'Ambrosio.  
Piano—Polonaise—E major, Liszt.

Orville Waller was pleasantly surprised last evening at his home in the McClung block by the Beta Kappa boys and their ladies. What was the principal feature of the evening's entertainment, Carl Washburne winning first honors and Miss Ermine Church the lesser token. A delightful luncheon was served by Mrs. Waller. Those present were: Misses Leone Kaye, Maud King, Alicia Mc-

## True Bill Against Coggins.

Yesterday's Telegram: The United States grand jury this morning returned a true bill in the case of the United States against J. C. Coggins. Coggins was arrested at Eugene last summer on a charge of raising postal money orders, and his case was the first to come before the grand jury. He is indicted of the crime of raising three postal orders issued by offices in California for 50 cents each and drawn on the office at Eugene. After the issuance of these orders they were doctored by means of an erasing fluid and filled in so as to read, "Thirty-five Dollars" instead of 50 cents.

One of these forged orders was passed off on the dry goods firm of Tolmie & Traver, at Eugene, and it was shortly after this was done that the officers placed Coggins under arrest. He indorsed the order by an assumed name. It is understood that Coggins will plead guilty to the indictment.
