

FOUR COUNCILMEN NAMED

George B. Dorris From the Third Ward

J. D. Matlock From Fourth, Alton Hampton From First and R. B. Henderson From Second.

The meeting of voters of the Third ward held in the city hall last evening resulted in the naming of George B. Dorris, the present incumbent, as candidate for councilman from that ward to be voted for at the municipal election on April 4th.

At the meeting and Sheriff Fred Piscataway acted as secretary. W. W. Brown placed Mr. Dorris in nomination, and on motion the nomination was made unanimous.

Contrary to a belief on the streets, the voters are complying with the new law in making nominations by conventions. These conventions are simply held for the purpose of naming the choice of each ward and then a petition signed by the requisite number of voters and properly sworn to, is filed with the city recorder.

MR. MATLOCK NAMED. J. D. Matlock has been named as candidate for councilman from the fourth ward. His petition and acceptance are as follows:

We, the undersigned residents of the City of Eugene and electors thereof residing in the Fourth ward in said city do hereby nominate Hon. J. D. Matlock as candidate for the office of councilman to represent said ward in the common council of the city of Eugene, to be voted for by the electors of said ward at the election to be held therein for such office on the 4th day of April, 1904:

John Stewart, S. Smeed, W. P. Haskell, Eli Bangs, C. P. Barnard, W. T. Gordon, J. R. Campbell, T. G. Hendricks, F. B. Bellman, Chas. L. Scott, W. T. Osburn, O. E. Smith, P. E. Snodgrass, V. McFarland.

States of Oregon, County of Lane, We, V. McFarland and Chas. L. Scott, being each for himself duly sworn, on oath say: That I am one of the electors of the Fourth ward in the city of Eugene and one of the persons whose names are signed to the foregoing certificate of nomination, that I have read the said certificate, know the signers thereto and the statements and the signatures therein are true; that said persons are electors of said ward and are qualified and requisite to make such nominations.

V. McFARLAND, CHAS. L. SCOTT. Subscribed and sworn to before me this 4th day of March, 1904.

S. B. EAKIN, Notary Public.

I hereby accept the nomination for councilman of the Fourth ward in accordance with the above petition, J. D. MATLOCK.

MR. HAMPTON NOMINATED. We, the undersigned residents of the city of Eugene and electors thereof, residing in the first ward in said city, do hereby nominate Alton Hampton as candidate for the office of councilman to represent said ward in the common council of the city of Eugene, to be voted for by the electors of said ward at the election to be held for such office on the 4th day of April, 1904.

George W. Kinsey, E. Schwarz, rehdid, T. F. Plank T. F. Bennett, W. K. Scarborough, E. D. Matlock, A. K. Patterson, Geo. W. Smith, Henry Deuhart, O. W. Williams, J. S. Gray, Alex T. Cockerline, W. M. Miller, J. S. Blanton.

States of Oregon, County of Lane, We G. W. Kinsey, and J. S. Blanton, being each for himself duly sworn, on oath say: That I am one of the electors of the first ward in the city of Eugene and one of the persons whose names are signed to the foregoing certificate of nomination, that I have read the said certificate, know the signers thereto and the statements and the signatures therein are true; that said persons are electors of said ward and are qualified and requisite to make such.

GEORGE W. KINSEY, J. S. BLANTON. Subscribed and sworn to before me this 11th day of March, 1904.

S. B. EAKIN.

Eugene, Or., March 3, 1904. Geo. W. Kinsey and others— Gentlemen: I hereby accept the nomination for councilman of first ward and herewith thank you for the confidence placed in me and if elected will fulfill the duties of the office to the best of my ability.

ALTON HAMPTON. HENDERSON FROM SECOND. R. B. Henderson has been nominated by petition as candidate for councilman from the second ward to succeed himself. His petition has been properly prepared and is ready to file with the city recorder.

TWO MORE NOMINATIONS

Opposition Ticket in the First and Second Wards.

The city election in April promises to be interesting in two wards at least. In the first and second wards there are two candidates each for councilmen and all of them are good substantial citizens and heavy taxpayers.

At the conventions last night, W. W. Calkins was nominated to run against Alton Hampton in the first ward, and R. McMurphy, placed in nomination to oppose R. B. Henderson in the second ward.

R. F. Dorris, city recorder, and Frank Reiser, city treasurer will be nominated by petition to succeed themselves and there will no doubt be men named on the opposition ticket for these offices in a few days, as well as opposition candidates for councilmen in the third and fourth wards.

JUNCTION R. F. D. AND STAR CARRIERS

A Refutation of the Statement That the R. F. D. Service is Bad.

Junction, City, Or., March 4. Editor Guard: There are some people in this world who would kick if they were being grossly imposed upon. There are others who kick just for the fun of it. The dyspeptic who penned the following item clipped from the Guard's Franklin items of February 29, belongs probably in the latter class:

"Franklin, Feb. 23—Our rural carrier must not be a native of Webfoot, as he allows a little water to bluff him. We were not able to receive mail till the middle of the week last week, while people 40 miles from Junction on the star route, were getting their mail without any trouble, both carriers having the same road to travel. I think the people of this route ought to petition for a man to deliver the mail."

In justice to Mr. Curtis who carries the mail on the route referred to in the above, I wish to say that the article is more than misleading. The star route and the R. F. D. route in question are not on the same road where the deep water is encountered. The star route goes via the Hill neighborhood and the Gibson bridge, thus using a high road, while the R. F. D. route uses the Taylor bridge and a low road which cannot be used during high water.

The Williams bridge route, A. Tower carrier, was also impassable on the same two days that the mail was not delivered by Mr. Curtis.

High water also "bluffed" (excuse my borrowing this expression from the Franklin humorist) the star route carrier when he arrived at Blackley, some twenty miles west of here, on these same dates, and he did not deliver mail 40 miles west of Junction on these days. So the Franklin writer must have been dreaming or had a vision or something else of the kind, just prior to concocting the above story.

A CARLOAD OF PAPER

The Guard Has Received 30,000 Pounds of White Paper From Portland.

Daily Guard March 5. Few people realize the amount of "news" or white paper used in the printing of the Daily and Weekly Guard. There arrived from Portland yesterday a carload, (30,000 pounds) of the paper for the Guard, the first carload ever received in Eugene at one time. The freight charges on the paper from Portland to Eugene were \$110.00.

SECOND BASEMAN REITZ HERE

Arrived From California on This Morning's Train.

Daily Guard March 4. Henry P. Reitz, who will play second base on the Eugene baseball team this season, arrived here on this morning's early train from California. Mr. Reitz was met by Manager DuShane and taken to his hotel. On being shown around Eugene, the new arrival expressed himself as being well pleased with the city and the cordial treatment with which he has been received.

Reitz is a baseball player of national reputation, having been in the business since 1892, when his career began at San Francisco. In 1893, '94, '95, '96 '97 he played on the Baltimore National league team, in '98 on the Washington, D. C. team and '99 with Pittsburg. In 1900 he was with Milwaukee or the American league, then back to Baltimore of the Nationals in 1901. While playing with Baltimore he became injured and came West and finished the season with Los Angeles. The next year he played with Spokane of the Pacific Northwest league and last year was in the California league.

During all these years Reitz has made a splendid record for himself. He is a fine player and the Eugene management is to be congratulated upon securing him.

DRIVING ASSOCIATION ORGANIZED

Officers Elected at a Meeting Held Last Evening.

Daily Guard March 4. As previously announced in the Guard, several owners of smart turn outs met at the grocery store of Geo. T. Hall & Son last evening and perfected the reorganization of the Eugene Driving Association. The attendance was good and much enthusiasm was manifested. Officers were chosen as follows:

H. L. Traver, president; Leo Hoelton, secretary; Geo. T. Hall Jr., treasurer. Directors—W. J. Royce, T. D. Condon, George G. Gross.

The committee, consisting of G. W. Griffin, F. M. Wilkins and W. H. Hoffman, to solicit members to this association was retained from last session.

The association will continue to keep Bangs' race track in good condition and will also improve the road leading to the track.

Notes and Comment.

As predicted by the Guard, this year's municipal campaign will not be conducted along political lines. The Australian ballot law, under which the election must be conducted, requires that if candidates are nominated by conventions, they must be political conventions and notices of the meetings must be made a certain number of days prior to the time of holding them. This was not done, and all the candidates will be nominated by petition, the nominating conventions being held simply for the purpose of getting an expression from the voters in each ward as to their choice of candidates. Messrs Dorris, Hampton and Matlock, who have been nominated for councilmen are all Democrats in politics, but they have accepted nomination as non-partisan candidates, who will work for the best interests of the city's welfare if elected. It is presumed that the anti-saloons forces will place a ticket in the field this year as usual and the question will be saloons or no saloons.

Mason-Greenwalt Marriage.

Mr. Rockey E. Mason, son of D. P. Mason, of Albany, and Miss Eva Greenwalt, an accomplished and popular young lady of Portland, were united in marriage at the residence of the bride's parents in Portland on Wednesday evening, March 2, 1904. The ceremony was performed by Rev. W. S. Gilbert amidst tasty surroundings, in the presence of a few relatives and intimate friends. The happy couple were handsomely remembered. Mr. and Mrs. Mason left for Billings, Mont., where an uncle of the groom, Mr. Woodson resides. They will return to Albany to reside, but will not begin housekeeping until about the first of June, when they will occupy the cottage next to Mr. D. P. Mason's residence. Mr. and Mrs. Mason have the best wishes of a host of Albany friends.—Albany Democrat.

DEMOCRATIC COUNTY CONVENTION

To Be Held on Saturday, the 16th of April.

The Primaries Will Be Held on Saturday, the 9th of April—Same Day as Republican Convention.

Daily Guard March 4. Members of the Democratic County Central Committee met last evening and set the time for the county convention on Saturday, April 9, and the primaries on Saturday, April 16, the same day on which the Republicans hold their county convention. Following is the call for the convention and primaries:

Notice is hereby given that the Lane county convention will meet on Saturday the 16th day of April, 1904, at 10 o'clock a. m. at the court house in Eugene, Oregon, for the purpose of nominating one joint State Senator, three Representatives, one County Judge, one County Commissioner, one Sheriff, one Clerk, one Assessor, one Surveyor, one Coroner and delegates to the State and Congressional Conventions respectively.

The primaries to be held on Saturday April 9, 1904.

All citizens who are opposed to the Republican party, its monopolistic tendencies, its extravagance in state and federal legislation and who favor strict economy in county, state and federal administrations, are earnestly requested to participate with us in the primary convention and election.

The precincts are entitled to the following number of delegates:

Thurston	3
Fairmount	3
Goshen	3
Jasper	3
Blanton	3
Pleasant Hill	3
Saginaw	6
Irving	6
Richardson	6
Middle Fork	2
Wendling	4
Willamette	4
Coyote	4
Zumwalt	4
Camp Creek	4
Elmira	5
Fall Creek	3
North Junction	7
South Junction	7
Spencer	4
Walton	2
Stuslaw	3
Glentens	2
Lake Creek	2
Hazel Dell	2
Deceta	1
East Cottage Grove	10
West Cottage Grove	8
Springfield	8
Hermann	2
Lane	2
Long Tom	5
Bailey	4
Mohawk	5
Creswell	7
Lost Valley	4
McKenzie	1
Gate Creek	3
Cheshire	2
Blue River	2
Bohemia	1
Mable	2
Mapleton	3
Yonroe	2
Florence	3
Wallace	3
Five Rivers	1
South Eugene No. 1	7
South Eugene No. 2	6
North Eugene No. 1	8
North Eugene No. 2	7

Those appointed for the Eugene precincts as judges for primary election are as follows: South Eugene No. 1: Eli Barger, John Higgins, Chas. Evans. South Eugene No. 2: Tom Brown, James Gearhart, A. G. Mathews. North Eugene, No. 1: J. O. Watts, Wm. Stoops, Dava Lakin. North Eugene, No. 2: C. M. Kissinger, Pres. Comegys, R. M. Day. J. D. MATLOCK, Chairman County Democratic Central Committee. M. S. WALLIS, Secretary.

NOW WE CAN SHOW YOU.

Daily Guard March 5. H. L. Burt and wife, of St. Louis, Mo., arrived in this afternoon's train and will hereafter make Eugene their home. Mr. Burt is an expert operator on the Simples typesetting machine and the Guard has secured his services for its machine.

SPRINGFIELD BRICK ASURE GO

Woodmen Fully Determined to Build—Springfield Notes.

The new brick hall for the W. O. W. at Springfield is now a sure go. The cost has been materially reduced and the money for the construction has been secured. The matter will be all settled up at the next meeting of the committee which will take place just as soon as is convenient for the members. It looked for a time that Springfield would lose the new hall she has been counting on for some time until new figures were received which puts the cost within reach of this enterprising organization.

The present building has already been disposed of to M. M. Peery the druggist, who will move it across the street where he will fix it up into a store room with living apartments above.

The brick for the new building will all probably be burned here as it is thought it can be done much cheaper than to import them.

Just how soon the building will be begun cannot at this time be stated, but it will be started just as soon as the preliminary arrangements can be completed.

SPRINGFIELD NOTES. The L. O. O. F. lodge has purchased a fine piano and placed it in the opera house. This has been long time needed, and will be greatly appreciated by the public.

Miss May Harper has accepted a position in Shumate & Berger's millinery store at Eugene.

J. W. Van Scoyoc left Tuesday for Russell county, Kan. to visit his uncle and other relatives.

The Springfield city council has elected Henry W. Stewart a member of that body to succeed Welby Stevens who has removed away from town.

James Towler, who came from Wendling a few days ago and began work at the mill, had the misfortune Monday to break his right leg at the ankle and at another place four inches above. He was assisting near the skids when a heavy timber fell upon him. He was taken to the hospital at Eugene.

IN INTEREST OF UMPQUA OIL WELLS

H. W. Miller Here From Myrtle Creek to Interest Citizens—A Third Well Being Sunk.

H. W. Miller is here from Myrtle Creek Douglas county. He is the agent of the Umpqua Valley Oil Co. This company has sunk three different wells, but on each obstacle were put in their way, so that no depth could be reached. One well was put down nearly 100 feet and has a string of tools in the bottom worth \$500 or more, that cannot be recovered.

Another well is down about 1300 feet with a drill in the bottom, which cannot be recovered.

The people of Roseburg and Myrtle Creek has responded promptly to three different calls for aid. Now Mr. Miller is here offering great inducements in order to raise enough money to put another well down, at least 2000 feet. He has with him sworn affidavits from reliable, responsible men, that when one of the wells was down 1500 feet, several barrels of oil were pumped to the surface and the stock was sought after at 50 cents per share. The company has a good string of tools and all machinery required to sink a well to a depth of 3000 feet if required.

The officers of the company feel sanguine that oil in paying quantities will be had before a 2000-foot depth is reached. Samples of the crude product were tested and pronounced of a fine quality.

Mr. Miller can be seen at the Smeels hotel and will be pleased to talk the proposition over with anyone and take their orders for stock.

GOLF CONTEST IN NEAR FUTURE

The Honeyman Hardware Co., of Portland, through the courtesy of their traveling salesman, W. E. Carlon, has placed a set (12) of Wizard golf balls in the hands of the Eugene Golf Club to be competed for in an individual contest. It is stipulated that rule 19 must be strictly observed, also that no tipping of caddies will be tolerated.

The contest will take place in the near future, the date being dependent on the weather, and the public will be duly notified of the date.

It may be of interest to the public to know that the Eugene club has a membership in City Four. The grounds are located on College Hill.

THE BOYS WORE GIRLS' DRESSES

And Witnessed the Basket Ball Game Last Night.

The Freshmen of the University scored another victory over the Sophomores last night when the Freshmen girls won in basketball by a score of 10 to 4. Good playing was done on both sides, the Sophomores being better in passing the ball and the Freshmen surer in throwing goals. For the Sophomores, Miss Warfield was the star, and for the Freshmen, Miss Cora Cameron carried off the honors. An admission of 10 cents was charged and netted about 80, which will be turned over to the boys' team to aid in paying the season's small deficit.

BOYS ATTENDED. The game was a strictly girls' affair, no one being admitted who did not wear dresses. For this reason a number of boys dressed themselves in girls' clothes and successfully passed the doorkeeper. During the game, however, their enthusiasm got the better of them and they gave three lusty cheers, which caught the ear of Prof. Burden. Now they are wondering what's next.

The two teams lined up as follows: Sophomores—Forwards, Ella Dobie, Jean Gray; center, Mary Warfield; guards, Norma Hendricks, Camille Carroll.

Freshmen—Forwards, Mer Neal, Cora Cameron; center, Ruth McCallum; Guards, Mabel Foell, Mabel Cooper.

K. P. WILL HAVE BASEBALL TEAM

Committee Appointed to Organize a Club Among The Knights.

With the coming of spring one naturally turns his attention to outdoor life and sports. The Knights of Pythias, who are always athletically inclined, have begun to yearn for a little recreation in the base ball line and have appointed a committee consisting of C. A. Winterneer, chairman, Frank Poindexter and H. L. Traver to organize a baseball team and arrange a series of games to be played this spring. There are quite a few natural born ball players among the Knights who put up a very interesting game.

Last summer the Knights played a series of games which were very entertaining and created not a little enthusiasm. Baseball fans have not, nor can they ever, forget the game between the Fats and Leans last year, for in this game Judge Winterneer distinguished himself as a very superior pitcher while Walter Griffin made the league players envious with his perfect playing at third base.

Junction City Notes.

(Guard Special Service) Junction City, March 4.—Rev. D. L. Shrode, has resigned the pastorate of the Methodist church here and will leave soon for Calif. for his health. He has sold his property to Rev. Gardner of the M. E. church, South.

Mrs. Wesley Lingo is in San Francisco visiting relatives.

Several boys are languishing in the city jail for riding trains within the city limits contrary to law.

David Jackson, after twelve years absence in the mines of Idaho, has returned to his family. He is just from the Seven Devils country and may later return there.

From the Times: Mrs. Lonsbery went to Lebanon Friday to manage affairs at home while her mother visits E. R. Skipworth at Eugene whose condition is reported much worse.

A man with a car load of household goods and livestock arrived here Saturday from Portsmouth, Nebraska. His car contained a little of everything from mules to chickens. He purchased a part of the Houck land near Meuros. These Nebraska people make good citizens and we would like to see a lot more of them locate here.

The rain fall for February broke all records. The precipitation at this place according to the record kept by the S. P. Co. was 14.20 inches. In past years the rain fall for February was as follows: 1901, 5.60; 1902, 8.32; 1903, 1.62. March is starting out on the lines established by February. March 1st the rainfall was 1.20 inches. For the week ending March 3, the total rain fall was 6.60 inches.
