#### DAMES AND DAUGHTERS.

Mrs. Edith Dick of London is widely known as a successful designer "art" jewelry.

Mme. Melba has leased for a short period the charming villa at Monte Carlo owned by the Earl and Countess of Wilton.

Mme. Curie, famous as a female scientist and codiscoverer of radium, is thirty-six years old and dresses with out the least attention to fashion.

Lady Colin Campbell has collected the papers she wrote for the London World when it was edited by Edmund Yates and has published them under the title "A Woman's Talks."

Mme. Takahira, wife of the Japanese minister to the United States, prefers American costumes to those of her sisters in the east. She is the only oriental woman presiding over a legation at Washington.

Princess Schahowskoi Strechneff who lives in Paris, owns the most sumptuous private car in Europe, for which she employs an enormous suit of Circassian attendants, secretaries and servants, all wearing gorgeous Circassian costumes.

Mrs. Leslie M. Shaw is an "old fashloned woman," She has said so. She is genuine. She proved the latter when she said apropos of her recent trip to Europe, "I took my daughter to France so that she might learn to speak French fifter having studied it s

Mrs. Beerbohm Tree, bosides the rep utation that she enjoys as an actress has been called the most learned we man on the stage. She early develope a taste for study, being equally de voted, it is said, to classics and to mathematics, and was at one time a member of the teaching staff of Queen's college.

#### SPORTING NOTES.

Eastern universities are planning as Intercollegiate automobile meet, Auto boat races will be a prominen

Water polo and indoor swimming have taken on new impetus throughou the country this season.

M. Hans of Sparta, Mich., has sold the pacer Ed M., 2:27, for \$600 to 1: Dooge of Grand Rapids,

Jim Scanlon of Pittsburg has pugil istic ambition. He wants to fight el ther Jack Root or Marvin Hart.

George Bothner, world's champion lightweight wrestler, is now instructor in that work at Columbia university. Snowshoe jumping is a favorite pas

time in Canada. The competitors run

for about fifty yards and leap over . Morris Wood, the world's champles amateur skater, is a native of Lone Branch, N. J. He learned to skate on

the Shrewsbury river, famous as an ice yachting course. David A. Snell of New Bedford, Mass., will train Jupe, 2:07%, and four

of his colts this season, Mr. Snell is seventy-six years old, but he will do the training himself. He drove Jupe to

## JAPANESE CUSTOMS.

At a Japanese banquet it is considered a compliment to exchange cup with a friend.

Census taking in Japan is simple but untrustworthy. The houses are counted, and for each of these dwelling places five persons is allowed.

The lower classes of the Japan employ burdly any other material than paper for their clothing. Whore wage are exceedingly low cloth is an impos sible extravagnace

In almost every school in Japan it is the custom one day in the autumn to take the pupils out rabbit hunting, on another mushroom hunting at nigh with paper lanterns.

When a Japanese woman of the middle and lower classes is dressed for an evening entertainment she generally shows as much of her feet as she can and is sometimes barefooted.

## TRAIN AND TRACK.

The average against dividend on the 'capital stock of American railways Is 2.61 per cent.

An average of fourteen railway collisions a day is the record in the United States last year, as shown by the report of the interstate commerce commission.

Last year 5,722 rules of new steam railroad track were built in the United States. That was thirty-nine miles more than the total unleage construct ed in 1902.

The American company which is building the railway from Guayaquil, Ecuador, to Quito has opened the station at Guamote, at an elevation of 10,000 feet, 126 miles from Guayaquil The most difficult part of the work on the railroad has now been adocko plished.

## THE WRITERS.

Joel Chandler Harris, the author, Las rejoined the editorial staff of the Atlanta Constitution after an absence of more than a year.

Mme. Sarah Grand, the celebrated authoress, is a firm believer in the health giving results of doing everything by rule and having a time for

Justin Buntle McCarthy's two novels. "The Frond crosse" and "If I Were King," have been deterred from the leve City Public Ehrary because of their alleged the sandig:

Jules Verne, the venerable author says it is untrue that he has been dricken with blindness, nor is ho spending his old age in poverty, but is will be receipt of a comfortable income from the sale of his books.

Because it filled his heart with bliss.
When it was "returned with thanks."
—Cancinnail fingurer.

#### THINGS THEATRICAL.

Yvette Guilbert has just returned from Berlin to Paris quite recovered from her long illness.

William Gillette has entered upon the fourth month of this New York success, "The Admirable Crichton." The Philadelphia theater managers

are forming a protective association to oppose what they call impractical restrictions.

Ella Wheeler Wilcox, it is reported, is to dramatize the Biblical story of Esther. The play, it is said, will be in blank verse.

A report is current that Virginia Harned will play Letty in A. W. Pinero's play of that name, recently produced with success in London.

The Spanish government has invited Sir Henry Irving to present his dramatic version of "Don Quixote." The event will be of national character. Marie Tempest is considering an of-

fer to go back to musical work temporarily. The title roles of "Carmen" and "The Daughter of the Regiment" have been offered her. After producing "Ivan, the Terrible."

Richard Mansfield may appear in

"Macbeth" and also a tragedy written

by Lord Byron. His season will extend

#### CURIOUS CULLINGS.

until the middle of next June.
