

# PROF. HYDE LECTURERS ON GOOD ROADS

Interesting Address at  
University Assembly  
This Morning.

A Good Roads Train May Come  
to Oregon Next Year--  
Some Good Sug-  
gestions

Professor Hyde delivered the address at the U.O. assembly this morning on "Good Roads."

The question of transportation, he said, is one of the most important questions we have. The average cost of hauling a ton one mile over American roads is 25 cents; over European roads, slightly above 8 cents. The total cost per year is \$900,000,000, nearly two-thirds of which is due to bad condition of roads.

Besides the saving in money, there are other advantages of good roads. The death of young men from country to the city would be lessened and social life in the country would be improved. High freight rates are due to the necessity of hauling all crops in the fall, while the roads are comparatively good. Nearly twice the equipment is required for this short time, and must be idle during the greater part of the time.

Numerous views were shown, illustrating the amount of power required for pulling loads on good roads, and bad, views of roads in different parts of this country and in Europe.

It is a mistake to depend on traffic to roll the gravel compact. Fresh washed river gravel is not as good as that which has lain in banks for a number of years. Idle traction engines can easily be made into good rollers by putting wide bands on the wheels.

A railway good roads train may come to Oregon next year or the year following. Meanwhile the University of Oregon will do all in its power to obtain better roads throughout the state.

Next Wednesday, at the regular assembly hour, Dr. Schmidt will deliver a lecture on "The German Universities." It is a continuation of the university lectures now being given, and will be illustrated by numerous stereoscopic views.

## Night School Notes.

Dr. Schmidt gave the student body some excellent information this morning at assembly concerning the preparations of notes and how to study the question to be debated upon with Roseburg High School next month. The assembly was also favored by a recitation by Elizabeth Elliott and a vocal solo and an encore by Miss Coffey.

The Seniors held a very interesting class meeting last evening and discussed matters of business and interest to the class. The class will present the High School a host of Lingon next Wednesday morning at assembly with appropriate exercises. Committees were appointed to select class emblems and colors and to arrange a program for class day.

The March edition of the High School News is out today and is a very creditable edition, the articles being very good and in keeping with school paper.

The Girls' Club met yesterday afternoon at 3:30 o'clock in the assembly room. Following is a program of the proceedings: Leader, Miss Kate Kelley; song; devotional exercises; piano solo, Lila Prosser; short address, Miss Emma Chase; vocal solo, Sadie West; discussion; benediction.

The Protetians have posted the following program for Friday evening: Critic, Miss Florence Dunn; recitation, Jessie Prosser; reading, Clara Dunn; question box, Sadie West; original production, Ruth Grant; hymn, Mrs. Wheeler; debate.

## Purchased a Pharmacy.

Don E. Herold, of Butte, Mont., a former Eugene boy, has purchased the Territorial Pharmacy at Butte, a well known through-out Oregon as a pharmacist and chemist. His former friends in Eugene will be glad to hear of his new business venture and wish him success.

# COUNTY W. C. T. U. COMMERCIAL CLUB OFFICERS

Commenced at the Christian Church at 2:30 O'clock This Afternoon

At 2:30 this afternoon the W. C. T. U. county institute convened in the Christian church. The various unions are represented as follows: Cottage Grove by Mrs. Wheeler, Mrs. Boyles, Mrs. Baker, Mrs. DeSpain; Creswell by Mrs. Melton, Mrs. House, Mrs. Howe, Miss Howe; Coburg by Mrs. Morris, Mrs. Barmaid. Officers present were: County President Mrs. Eva Wheeler, County Secretary Mrs. Howe, State and County Evangelist Mrs. E. V. Wilson. The sessions will continue over tomorrow.

## SOCIAL REALM

The Treble Clef will give its annual concert on Saturday evening, March 12th, in Villard Hall. The club has been working very earnestly all winter, and good results may be expected. There are to be sixteen voices for the regular numbers, and special numbers will be given by Miss Eva Stinson, vocal soloist; Miss Florence DeHar, piano soloist, and Miss Cora Shaver, reader. There has been much improvement in the Clef since its appearance at the local oratorical contest, although at that time it was most enthusiastically received. The Clef did not give its regular concert last year, so many people are eagerly looking forward to its appearance on Saturday evening. The students will give hearty support to the Treble Clef, because it is a prominent factor in the University. It is always ready to help the student body out of difficulties, and, this year, will turn over all the proceeds to the Athletic Club to defray the student body debt.

The Pastime Whist Club met last evening in the Armory parlors to enjoy their final games of whist for the season, as the club disbanded until next winter. The season prizes were won by Mrs. T. A. Gilbert and Mr. Frank Polndexter, and the prizes for the evening by Mrs. R. S. Byron and Mr. Polndexter. At the close of the games the company partook of a delicious luncheon prepared by the ladies. The guest of the club were: Miss Elsie Hobbs, Mrs. Claire Willoughby, Mr. and Mrs. Romeo Gilbert, Harry Dunbar and Leonard Straight.

The members of the Temple, Rathbone Sisters, are making arrangements to entertain the Knights of Pythias in the Rathbone Hall one week from tonight, March 15th. A programme will be rendered and various amusements, together with a lunch, will be indulged in. The committee in charge of the affair consists of Mrs. A. G. Holden, Mrs. L. M. Hall and Mrs. Horace Burnett.

Martha Mulligan Cabin, Native Daughters of Oregon, met last night in a social session, their gentlemen friends being the guests. The evening was pleasantly spent with games and dancing. The luncheon was a prominent feature of the evening which was enjoyed immensely by all present.

## Portland Market.

Yesterday's Journal:  
Sugar advanced 10c.  
Peanut candy is higher.  
Poultry shows an advance.  
Cheese ranging lower.  
What movement nominal.  
Few eggs are selling.  
Butter situation about unchanged.  
Poor veal coming to market.  
Potato market is slow.  
Onions are a trifle weaker.  
Smelt is scarce.

## Church Won the Clock.

The bowling contest for gentlemen at the Commercial Club for February ended with Earl Church having the best average score, and was therefore awarded the fine clock put up as a trophy by H. Gordon, the housefurnisher. The prize was presented to Mr. Church at the annual meeting of the club Tuesday evening, who in turn presented it to the club.

## Farm House Burned.

A report comes from Hazel Dell that the farm house of I. J. Gray at that place was destroyed by fire last Saturday. The fire caught from the stove and was not discovered until it had done great damage. Very little of the contents of the house were saved.

Election Held at the Annual Business Meeting Last Night.

Pursuant to announcement, the Eugene Commercial Club held its annual business meeting and election of officers last evening. A large attendance of members indicated the interest taken in the club's affairs. The new officers elected are as follows: H. W. Thompson, president; Dr. C. B. Willoughby, vice president; E. R. Bryson, secretary; W. W. Brown, treasurer; F. M. Day and H. L. Traver, trustees, to succeed G. W. Griffin and L. T. Harris, retired.

## Creswell Items

(Guard Special Service.)  
Creswell, March 9.—Miss Sylvia Arnold and Marie Schmutz, of Cottage Grove, visited their young lady friends in Creswell from Friday night until Sunday.

Many ranchers from out near the foothills report a considerable loss of stock, owing to the scarcity of feed. Good weather and grass are badly needed.

Miss Nearle Scott, who is employed in a millinery store at Eugene, visited in Creswell Saturday and Sunday.

Mrs. Lena Veatch, of Cottage Grove, is visiting at this place.

On Friday afternoon the school children and teachers were assembled in Principal Parker's room to listen to a short talk by R. Foster Stone on the theme of good citizenship. It was thoroughly enjoyed by the pupils.

Miss Louise Mathes, of Springfield, is visiting her mother at Cloverdale.

Miss Roberta Ripley visited friends across the river Saturday and Sunday.

The Woodmen of the World held a rousing meeting Saturday evening, initiating three candidates into the mysteries of the craft. The W. O. W. and Circle expect to build a fine hall this summer. The Creswell lodges are wide awake and progressive.

Died.—On March 5th, an infant child of Mr. and Mrs. Chas. Schmitt. The parents have the sympathy of every one.

Capt. Branson, the Methodist evangelist, has been quite sick at the parsonage during the last week. He is, however, somewhat improved at present.

Rev. Fees, of Cottage Grove, occupied the M. E. pulpit Sunday, delivering interesting sermons both morning and evening.

Mrs. J. W. Volkman, who went to Portland for treatment at the hospital is convalescing nicely. Her friends hope for her speedy recovery to her usual good health.

Rev. Barnhart has moved into a house on Smith avenue.

Miss Reulah and Olga Martin and Henry Kirtley visited friends at Junction last week.

Miss Etta Schaub, of Coburg, is visiting her grandparents, Mr. and Mrs. Franklin.

Wm. Lowner, whose leg was broken last week, is improving nicely.

A force of railroad men have been repairing the railroad bridge across Camas Swale, which was in a very dangerous condition.

Miss Mabel Thompson, of Creswell, is working at C. L. Weber's.

Mrs. Kelley, of Cloverdale, has sold her place to Mr. Saunders, of Jasper.

The people of Creswell were delighted with the lectures of R. Foster Stone. On Wednesday and Thursday evenings he lectured in the interest of the Women's Christian Temperance Union, while Friday evening was given to Yellowstone Park. The gentleman is an entertaining speaker, and we take pleasure in commending him to the hospitality of the people in other towns where he is billed to lecture. May be privileged to speak here again is the wish of all. He went from here to Cottage Grove, and from thence to Eugene.

# NO HOPE FOR MILL AT WENDLING

Looks as If It Would Be  
Permanently Shut  
Down.

Change of Schedule on the  
Mohawk Branch Indicates  
It--Cripple's Business

From all indications and reports, it appears that the Booth-Kelly Company's big sawmill at the terminus of the Mohawk branch railroad, which has been idle for several months, will now remain idle permanently, or at least for a year or more, or for several years.

This report has been current on the streets of Eugene for some time. The report is given greater credence and is considered true by many from the fact that the Southern Pacific Company has announced a radical change in the schedule of its trains running between Coburg and Wendling, as given by the Guard yesterday.

Under the old schedule, when the mill was running, the trains remained at Wendling a greater part of the day to make up the big lumber trains which ran out of that place each day. Now the trains stay there only long enough to turn the engine around and allow the men to take their noonday meal.

It appears that the railroad company would not make such a change in its schedule if there were any prospects of the mill resuming operations in the near future.

The closing down of the big mill has a ready had its effect upon the business of Eugene, as several hundred men were thrown out of employment, but the depression will be felt worse with a permanent shut-down.

## FORFEITED HIS BONDS

L. O. Morgan, Charged With  
Assault With Deadly Weapon,  
Failed to Appear.

L. O. Morgan, the man held under \$250 bonds for pointing a pistol at another man at Junction City, and who was to have appeared before Judge Hamilton at the present term of circuit court, failed to appear yesterday when he was cited to plead, and today the judge declared his bonds forfeited.

At the time of his examination before the justice of the peace at Junction, Morgan put up a cash bond of \$250, and no doubt deemed that he got off easy by forfeiting the amount.

## Note and Comment.

"Always in the lead in the matter of improvements, the Register now comes to the front, as usual, a mile ahead of competitors, with a new innovation."—This morning's Register.

The public fails to see where the Register is "a mile ahead of competitor." The Guard was the first paper in Eugene by over a year to install a typesetting machine. The Daily Guard was enlarged to an eight-page paper about three weeks before the Register. The Guard gives the news the day it happens, not the next day. The Guard this week began the publication of a semi-weekly edition. Is the morning paper "a mile ahead of its competitors?"

## Hose Company Election.

Last evening the Oregon Hose Co. elected new officers for the ensuing year as follows:

L. E. Bean, president; G. L. Jennings, vice president; O. F. Ford, secretary; R. E. Knox, assistant secretary; W. W. Brown, treasurer; W. W. Parry, sergeant-at-arms; Norbert Aya, foreman; C. W. Starr, assistant foreman; W. W. Purdy, second assistant foreman.

After the business meeting the members proceeded to the "Palms," where an oyster supper was served.

# SOLDIERS UP FOR TRIAL

Court of Discipline Held Last Night--Co. C Members Fined.

Some time ago a few of the members of Co. "C," U. S. G., received summons to appear before a summary court of discipline to answer for their unexcused absences from drill.

Last night the boys appeared before Captain J. M. Williams, their commander, who was judge, jury and the whole business combined, and stood their trial. Some gave acceptable excuses and those who could not were fined sums ranging from \$1 and \$2. Those convicted are given ten days in which to pay their fines, and if not paid they will be compelled to serve their time out in jail.

Co. A will hold a court similar to that in about two weeks.
