## Spring House Renovating Specials

There is no time in the year which brings more to one's notice the want of housefurnishing than the present. Housecleaning about to commence one naturally looks about to find a place for improvement or to replace some indispensable article.

This spring we are showing many new and up-to-date articles in every department. Never were we better able to take care of your wants than at the present.

**A  
Comparison

Benefits Us**

**Are Your Carpets  
Cleaned Yet.....**

It's about time. This spring has been backward and house-cleaning has been postponed. When it does come it should be done with all possible dispatch. The main terror of house-cleaning is the carpets. We remove them, thoroughly clean them and put them back at a nominal price. You worry over it. Your husband hates it.

**Let us Clean Your Carpets**

## CARPETS

"Seeing is believing." You must see our carpet stock to appreciate its size and the values we are offering. New goods are arriving daily and our carpet room is bursting with good things. From the cheapest to the best we offer you exceedingly good values. The standard of our goods is unexcelled. If you have the time, let us show you the newest things in carpets.

**Many Pleasing  
Matting Designs**

Never before in Eugene have you had a chance to select a matting from so many different patterns. We have a splendid stock of mattings unequalled for texture or beauty. Matting above all things is a Spring and Summer floor covering. Cool and dainty, it robs a warm and feverish room of half its sultriness. If your room needs it—better get it now.

Linen Warp, good and strong, 25c per yd  
Grass warp, a splendid value, 20c per yd

## LINOLEUM

Linoleum in any quantity or quality—English or American, inlaid or stamped, wears like iron and looks well, and for convenience its first on the list. The price is within the reach of all. 6 ft, 7 1-2 ft and 12 ft widths. We lay it free. Its up to you—To let us put it down.

**"Like the Paper  
on the Wall"**

Of course you'll like the paper on the wall if it is purchased from us, for our line of paper this year is simply "SWELL." If you expect to paper this spring SEE our samples. From 10c to 50c per roll.

Murphy Varnish Creolite Floor Paint

**Draperies  
and Shades**

A house is unadorned indeed without draperies of some kind. We have an excellent supply of all kinds. Portiers in lovely rich patterns. Excellent values are being offered in these lines.

Lace Curtains, dainty and artistic designs, ranging in prices from

**75c to \$6.00 per Pair.**

Shades, in dark or light green, in several grades. You can be suited for we have the stock.

**Odd Dressers  
and Chiffonier**

A beautiful Dresser or Chiffonier enhances the beauty of your bed room a hundred per cent, leaving aside the convenience it brings to you.

A large roomy chiffonier is more convenient than a trunk and stands without a rival for usefulness to a room without a closet.

For my "Lady's Boudoir" a dresser or dressing table is an absolute necessity—We have an excellent supply of either the above named articles, at way down prices.

**A Rocker for  
the Parlor.**

One seldom finds themselves with too many chairs—more often without enough, especially rockers. FOR THE PARLOR; we have some handsomely polished, quarter sawed Oak ones—The latest thing in Mission effect, with Spanish leather seat and back; beauties and O! so easy. FOR THE SITTING-ROOM.

Large, roomy, comfortable, Morris chairs and rockers—massive polished Oak ones, and an excellent line of cheaper ones, made to stand and to fit the form and the pocket book as well.

## An Excellent Standard Of Good Stoves.

In high grade Stoves at a moderate price ACORN STOVES AND RANGES stand pre-eminently first. No scrap iron is used in their construction—nothing but the best, either in workmanship or material is used—no wonder they have attained the place to which they rightly belong.

"As good as an ACORN" is used by competitors to extol the virtues of their goods.

Let us explain to you their superiority. Over 1,000,000 in use.

**H. GORDON, The House Furnisher**
