

SSS FOR THE BLOOD

The best known and most popular blood purifier and tonic on the market to-day is S. S. S. There is hardly a man, woman or child in America who has not heard of "S. S. S. for the blood." It is a standard remedy, a specific for all blood troubles and unequalled as a general tonic and appetizer. S. S. S. is guaranteed purely vegetable, the herbs and roots of which it is composed are selected for their alterative and tonic properties, making it the ideal remedy for all blood and skin diseases, as it not only purifies, enriches and invigorates the blood, but at the same time tones up the tired nerves and gives strength and vigor to the entire system.

For Chronic Sores and Ulcers, Catarrh, Rheumatism, Blood Poison, Malaria, Anemia, Scrofula, Eczema, Psoriasis, Salt Rheum, Tetter, Acne and such other diseases as are due to a polluted or impoverished condition of the blood, nothing acts so promptly and effectually as S. S. S. It counteracts and eradicates the germ and poisons; cleanses the system of all unhealthy accumulations and soon restores the patient to health. Write us and our physicians will give your case prompt attention without charge.

FROM CONGRESSMAN LIVINGSTON, OF GEORGIA.
I know of the successful use of S. S. S. in many cases. It is the best blood remedy on the market.

FROM EX-GOV. ALLEN D. CANDLER.
S. S. S. is unquestionably a good blood purifier, and the best tonic I ever used.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

POPULATION OF EUGENE

On March First It Was 5829 Inside City Limits.

An Increase of Nearly 2600 in Less Than Four Years-- Number of School Children 1875.

P. J. McPherson, census enumerator of the Eugene school district, has handed the Guard a statement of the population of Eugene inside the city limits, also that of the school district which extends beyond the borders of the city. The figures are very interesting. They show that inside the corporate limits of the city there is a population of 5829, which is an increase of 2503 since the 1900 government census was taken. This is a splendid growth for that length of time, and if the present rate of increase keeps up, by the time another government census is taken Eugene will have a population of 10,000 or more.

Enumerator McPherson's figures are not padded and represent the actual number of residents in the city. His statement is as follows:

Eugene, Oregon, May 12, 1904.
Editor Guard:—Through the courtesy of our efficient school clerk, Mr. Frank Reiser, and the kindness of the principals of the several schools of our city, I am permitted to offer the following census of school district Number 4 and the City of Eugene, including the enrollment and attendance at the different schools of the city as it was on February 27, 1904:

Total number of families.....	1329
Number of persons between 4 and 20 years, males.....	913
Females.....	962
Total.....	1875
Total people in school district of all ages, males.....	3013
Females.....	2905
Total.....	6008
Total in city limits, males.....	2880
Females.....	2949
Total.....	5829

SCHOOLS.
Attendance at the U. O.---
Men..... 164
Women..... 88
School of Music..... 116
Total..... 368

High School— Total enrollment.....	257
Present attendance.....	205
Patterson School— Total enrollment.....	449
Present attendance.....	384
Geary School— Total enrollment.....	403
Present attendance.....	361
Central School— Total enrollment.....	115
Present attendance.....	175
Total.....	1290 1125
Catholic School— Enrollment and attendance.....	50
Divinity School— Enrollment and attendance.....	40
Eugene Business College— Enrollment 90, with average attendance through whole term of 50.	50

Respectfully submitted,
P. J. McPHERSON,
Enumerator.

TELEPHONE OFFICE MOVED

G. W. Taylor, the house mover, moved the building in which the Springfield telephone office is located to the opposite side of the street the other day, the front of the building being left facing the street, and that without disturbing the telephone service. And when set down in the new place no change of the length of the connecting wires was required.

Married.
At the home of the bride's parents, Mr. and Mrs. M. T. Kineman, on Church street, Salem, Oregon, Wednesday, May 11, 1904, at 12 o'clock

m., Miss Ella Riebaum to Mr. Louis E. Hooker, Rev. W. C. Kantner officiating. The happy couple departed on the overland train last night for San Francisco, where they will meet Mr. Hooker's mother, and after a short visit will proceed to Shawnee, where he has accepted a position as bookkeeper with an electric light company. The groom has many friends in Eugene, having attended the university a number of years.

The wedding of Miss Lena Dea-mond and E. C. Crump occurred last evening at 8 o'clock at the residence of Frank Craig, 106 Washington street, Rev. J. S. McCallum, of the First Christian church, officiating. Both young people are residents of Lebanon, where they will make their future home.

Some Cold Facts.

Several reasons why "The Palms" is better able to give better satisfaction to patrons of ice cream and soda than any other place in Eugene:

First—They have the only up-to-date apparatus in Eugene.
Second—Their automatic carbo-nator for soda is the only thing used by the largest dispensers of soda in the United States and the soda is always charged to the same degree, which it is impossible to do with the old style apparatus.
Third—They have the only contrivance to keep their syrup made of the purest extracts, ice cold at all times.
Fourth—They use nothing but the best ice cream, made from the pure sweet and fresh cream. Cream that is taken direct from the separator and frozen without glucose, arrowroot or gelatine for a doctor. Cream that is not allowed to stand until it reaches a certain age and then, if sour, sweetened by artificial means.
Fifth—"The Palms" has the only soda and soft drink dispenser in Oregon. Anybody could draw a glass of soda, but it takes an experienced dispenser to give the soda the proper flavor and mixture.

DEMOCRATS ORGANIZE FOR CAMPAIGN

Meeting of the County Central Committee Held This Afternoon.

Representative members of the Democratic county central committee met at the law office of L. R. Edmundson, in the Chrisman block, this afternoon at 1:30 o'clock and organized for the coming campaign.
The joint canvass begins tomorrow at one o'clock in Chesser precinct, west of the city. The several candidates who are to make the canvass are in the city and ready and anxious to meet their Republican opponents on the platform.

Did You Say Flour?

Lock here! We have White Star, Snowball, White Rose and Perfection brands of valley grades. We also have the following brands and all our flour is guaranteed. Viz.: White Seal and Regal, Turkey Hard Wheat Flour, makes the finest bread on earth. If you want snow-white flour we have it, Lewis and Clark. We also have Pride of Washington. These last are all hard wheat and the best flour to be had in the market, and we can soon convince you if you give us a trial that our prices are the lowest. Yours truly,
MOON & TINGLEY.

SPOKE ON HARVARD UNIVERSITY

President Campbell Delivered an Excellent Address at Assembly.

"About the best one yet," was the universal comment of the students at the University yesterday after President Campbell's address at assembly on the subject, "American Universities," and Harvard University in particular.
Miss Florence Bellar contributed a piano solo and Mr. Rice a violin solo. The room was darkened and lighted artificially and a large number of views of Harvard University buildings, grounds and athletic fields, club houses, gymnasium and boat houses and comic views published in the first years of the Harvard Lampoon were shown.

President Campbell first described the methods in vogue in England and Germany and said that the universities of the United States are a combination of the English and German systems.
"The oldest and one of the largest, and, for that reason, one of the most representative of American universities is Harvard. Founded in 1636 by the general court of Massachusetts with £100; later endowed by John Harvard with £700, at that time a liberal gift. Struggling on for many years, narrow, almost wholly classical, mathematics almost unknown, no scientific departments, it has grown in 267 years to its present size, with 5000 students, an endowment of twenty million dollars, and an income of over one million dollars annually. Harvard is the embodiment of the extreme elective idea.
"Cambridge, a city of 75,000 or 80,000 people, is made up of what was originally a number of villages. A characteristic of the town is that there are no hotels. At first sight the appearance of the university buildings is disappointing, old-fashioned, some of them, and looking as if they needed repair, but this fades on better acquaintance.
"One of the greatest advantages is the spirit of the place itself, the memories of the great men in American history who have frequented its halls, which arouses the student to his highest possibilities."

Decrepid Old Man in the Clutches of the Law for Taking Chittim Bark.
Yesterday Deputy Sheriff H. L. Bown drove to Lowell, twenty miles east of Eugene, on the Middle Fork, where he arrested an old man eighty years of age by the name of T. L. Fenelon, charged with trespassing on the land of A. D. Hyland, the "timber king" of Lane county. The old man was brought to Eugene last evening and this afternoon at one o'clock was taken before Judge Wintermeier, of the justice court. A trial was demanded, and the case was set for Saturday afternoon at 2 o'clock.
Fenelon is accused of taking cascara, or chittim bark, from trees growing on Hyland's land. It appears that he lives alone in an old cabin near Hyland's farm, and depended principally upon the sale of the chittim bark he peeled off the trees for his livelihood.

ARRESTED FOR TRESPASS

Gunther vs. Gunther.—Lulu and Frank T. Gunther were married in Lake county, Oregon, May 1, 1901. Mrs. Gunther claims that on April 9, 1903, her husband induced her to go with him to San Francisco, where he wilfully and without cause or provocation deserted her and has continued to live separate and apart from her.

Hall's New Brick.

The residence on George T. Hall's lot on East Ninth street, across the alley from the Journal office, is being moved to a lot out on Seventeenth street. The contract for the erection of Mr. Hall's three story brick building on the lot vacated by the house will be let in a short time.

Born.

To the wife of Bert Berry, in Eugene, Wednesday, May 11, 1904, a nine-pound son.

A Stray Horse.

A bay horse branded "Y" on a shoulder, one that I sold to Sam Thurston about May, 1903, came back to my place near Spencer's Butte in December. Owner can get the horse by paying expenses. Address
E. J. CROW, Eugene.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre, of Shepherdtown, W. Va., says: "I had a severe case of tuberculosis and for a year tried to get it cured, but got no relief. I bought a bottle of Dr. King's New Discovery and every day I used it. It cured me absolutely." It's infallible for croup, whooping cough, grip, pneumonia and consumption. Try it. It's guaranteed by W. L. Delano's, druggist. Trial bottles free. Reg. sizes 50c, \$1.00.

When in town do not forget to go to Moon & Tingley's and get enough of that land plaster to sow your grasses, anyway. It will pay you wherever you care to put it, as we are selling it very cheap, 90 cents per hundred or \$15 per ton.

Sunday school convention which meets at Goshen May 21st.
D. S. Hunsaker visited friends at Zion and this place the first of the week.

Mohawk items.

(Guard Special Service)
Mohawk, May 12.—W. C. Barr went to Eugene yesterday to attend the teachers' institute.
We organized a Sunday school at the school house Sunday. Miss Crandel was selected superintendent John Barr, treasurer and Addie Smith secretary.
Miss Myrtle Farthorn, who has been visiting with Anna Hill returned home Tuesday.
N. Hill has bought Mr. Evans' sheep. Mr. Evans had 122 head which he sold for \$250.
Rev. Gittings will preach at the Ping Yang school house Sunday morning at 10 o'clock. Everybody should attend.
Mr. Arnell went to Eugene today to sell his mohair.

Died.

Egbert, infant son of Mr. and Mrs. E. C. Lake, died at the family residence, 812 Pearl street, today at 11:50 o'clock. The funeral services will be held at the residence tomorrow afternoon at 2:30 o'clock, the remains to be interred in the L. O. O. F. cemetery.

TWO MORE DIVORCE CASES

One Complainant Alleges Cruelty and the Other Desertion.

In the circuit court today papers in two divorce suits were filed by Attorney W. S. McMadden, of Corvallis, who is counsel for the plaintiffs in each case.

Etta A. Broady sues F. M. Broady for legal separation and for the custody of their two minor children, Chester, aged seven years, and Hazel, aged three years.

In her complaint Mrs. Broady alleges that the couple were married in Washington state on or about March 28, 1896, and the plaintiff has been a resident of Oregon for the past four years; that her husband for a long time has been guilty of cruel and inhuman treatment toward her, in that at certain times he has violently shaken her, struck her in the face, broken a chair over her head, and called her vile names.

Gunther vs. Gunther.—Lulu and Frank T. Gunther were married in Lake county, Oregon, May 1, 1901. Mrs. Gunther claims that on April 9, 1903, her husband induced her to go with him to San Francisco, where he wilfully and without cause or provocation deserted her and has continued to live separate and apart from her.

Keen Minds Cut Deep

Below the surface of their work clothes can be made to look attractive, yet shrivel away after a week of wear. It is not hard to make that kind. But the clothes that endure require long and telling study and the help of honest and self-respecting craftsmen.
FOR FORTY YEARS Stein Bloch Smart Clothes
have lead the ready-to-wear world along the progressive path, and today other clothes, ready-to-wear or made to measure are judged by their standard. The Smart Spring and Summer clothes we have secured from these famous tailors mark the top-notch of their attainment. Fabric, pattern, style and fit are clean-cut and full of quality. Do you know as much about them as you should for your own contentment? Ask us to show them.
