

REITZ JOINS FRISCO

Uncle Hank Harris Has Purchased Eugene's Captain.

Manager Harris, of the San Francisco team of the Coast League, has purchased the release of Henry Reitz, second baseman and captain of the Eugene team of the State League.

Eugene deeply regrets the loss of Reitz, and the team will miss his wise counsel and his splendid work at second, but all are glad to see him get back into faster company, where he belongs.

While Reitz will be missed by the Blues, the team will not suffer to a great extent. Willie O'Day, who was loaned to Vancouver, has been sent for and he will cover the second cushion better than any other second baseman now in the league.

Salem and Roseburg papers are contending that last Thursday's game between Eugene and Roseburg was forfeited to Roseburg and are printing the standing of the clubs with Eugene with Eugene having lost two games.

RECEPTION TO NEW PASTOR

Rev. O. C. Wright of the Baptist Church Was Formally Welcomed.

Last evening the members and friends of the First Baptist church of this city assembled at the church on the corner of Pearl and Eighth streets, to welcome their new pastor, Rev. O. C. Wright. After the opening hymn, prayer was offered by S. G. Marsh, after which Professor Boynton, in behalf of the church, gave an address of welcome. Later Kay Maudville welcomed the new pastor with a pretty speech, in behalf of the Sunday school. In behalf of the clergy of the city, Rev. George E. McDonald of the United Brethren church extended to Rev. Mr. Wright a hearty welcome, followed by a few selections by the Divinity school quartette and an euphonium solo by Milo Coffman. An informal reception and hand-shaking was then indulged in and light refreshments served by the ladies of the church.

No Water Bonds.

At the special election at Springfield yesterday to vote on the question of whether or not to issue \$7000 water works bonds, the bonds were voted down by a vote of 47 to 23. It was believed that \$7000 would not be enough to erect and equip a plant, hence it was voted down.

Mrs. Laura S. Webb, Vice-President of Women's Democratic Clubs of Northern Ohio. HERE ARE MANY sickly women between the ages of 45 and 50, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time. Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes: "As I had always been troubled or less at the menstrual period, I dread the change of life which was fast approaching. While visiting with a friend I notice that she was taking Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time." Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today. A million suffering women have found relief in Wine of Cardui.
