

# SSS FOR THE BLOOD

The best known and most popular blood purifier and tonic on the market today is S. S. S. There is hardly a man, woman or child in America who has not heard of "S. S. S. for the blood." It is a standard remedy, a specific for all blood troubles and unequalled as a general tonic and appetizer. S. S. S. is guaranteed purely vegetable, the herbs and roots of which it is composed are selected for their alterative and tonic properties, making it the ideal remedy for all blood and skin diseases, as it not only purifies, enriches and invigorates the blood, but at the same time tones up the tired nerves and gives strength and vigor to the entire system.

For Chronic Sores and Ulcers, Catarrh, Rheumatism, Blood Poison, Malaria, Anemia, Scrofula, Eczema, Psoriasis, Salt Rheum, Tetters, Acne and such other diseases as are due to a polluted or impoverished condition of the blood, nothing acts so promptly and effectually as S. S. S. It counteracts and eradicates the germ and poisons; cleanses the system of all unhealthy accumulations and soon restores the patient to health. Write us and our physicians will give your case prompt attention without charge.

### FED THE FISH

Took a Ride Over the Bar on the Steamer Roscoe.

The steamer Roscoe took a trip down to the bar last Sunday to give the candidates who were visiting Florence an opportunity to see the ocean, says the Florence West. Quite a number of town people and some from the surrounding country took advantage of the opportunity for a pleasure trip.

There being scarcely any wind, the river smooth, the day fine, it seemed as if the elements combined to make the ride a pleasant one. On the way down some of the company spied a large deer on the sand hills and there was a general rush to get a sight of the pretty animal.

The company was given a very slight taste of life on the ocean by a few large waves striking the steamer while on the bar, causing the craft to rock a little. As usual in so large a crowd, one or two of the passengers were feeding the fish, but all enjoyed the trip very much. For many of them it was the first experience of the kind, and they all came back with good appetites for dinner.

During the trip an occurrence took place which caused some excitement for a minute or two, and of which somewhat varying accounts are given by different persons. As no sworn testimony has been taken yet concerning the matter, we can do no better than to relate the different versions of the affair and let people form their own opinions.

It appears that Mr. Chrisman and Indian Barney were engaged in a political discussion and the argument reached its height soon after the boat arrived at the bar. During the excitement the Indian came near being thrown overboard, and there seems to be some dispute as to whether or not it was due to the large waves that struck the vessel just at that time. Mr. Chrisman's version of the matter is that he was trying to save the Indian's life and prevent his plunging overboard.

One of the best games played this season by the State League teams was that at Albany Sunday afternoon between the Albany and the Eugene Blues. Several hundred Albany people and a number of the faithful from Eugene witnessed the contest, which was marred only by Umpire Derrick's efforts to help Albany win. In everything where there was doubt as to the decision Albany was given the benefit of that doubt, and there were a half a dozen or more of such. Then, the old man was away off on strikes and balls when Eugene was at bat. While "Grandpa" is the best umpire the league ever had, he should not let the fact that he resides in Albany bias his decisions in favor of the team from that place.

The Blues made their four runs in the first inning, being unable to cross

the rubber after that. The bases were full when Captain Downing put the ball over the left field fence for a home run, driving the three men in before him. Albany made two home runs, but the first one was of the scratch order. The ball was batted to the fence, but Clynies was unable to find it in the tall grass and the batter trotted leisurely around the bases. The other one came in the ninth, with nobody out, and was the winning run for Albany.

Gregory pitched a splendid game for Albany while Schofield, for the Blues, was steady throughout until the eighth, when he seemed to weaken. Both infielders did splendid work and the outfielders made some pretty catches. The score:

## Saturday's Game.

The Blues won Saturday's game by all around superior playing. Roy McFarland, who was with Eugene during the practice season, but who was compelled to go home on account of sickness, came over from Lebanon and pitched a fine game. The Blues played gilt-edged ball behind him, and won out, in spite of Umpire Derrick's papable efforts to aid Albany. The special feature of the game was the hitting and fielding of Clynies.

## SCORE OF SATURDAY'S SCHOOL GAME

The game here Saturday afternoon between the Eugene High School and the Hill Military Academy, which was won by the latter, as given out in Saturday evening's Guard, was a well-played one. The Hill boys are loud in their praise of the local school team for their gentlemanly conduct and friendly treatment while here. They returned to Portland Sunday afternoon, the entire, besides being splendid players, are all

thorough gentlemen. The score of the game follows:

## MORE NAVAL LOSSES

Russians Sunk Japanese Gunboat and Two Torpedo Boats.

It Is Believed That a Japanese Battleship Lies in a Sunken Condition in Gulf of Dalny.

St. Petersburg, May 23.—The report that the Russians blew up their cruiser Bogatyr, which ran ashore on the rocks off Vladivostok has been confirmed.

Chefoo arrivals from Dalny say that the entrance to Port Arthur harbor is now clear, the forts on the land side completed, the battleships repaired and everything is in readiness for a Japanese attack.

On the 20th the Japanese gunboats and torpedo boats returned when the Russians sunk a small gunboat and two torpedo boats.

Several unsuccessful attempts were made by the Japanese to land at Dalny last week. A wreck reported by the Japanese in the Gulf as dangerous to navigation is believed to be one of the Japanese battleships. Civilians are leaving Dalny daily in junks, with the expectation of an attack on the town.

## STEAMER AFIRE RUNS AMUCK

The Fannie Adele at San Francisco Breaks From Her Moorings With Flames Raging.

San Francisco, May 23.—The three masted steam schooner Fannie Adele, loaded with gasoline, was almost entirely destroyed by an explosion at the foot of Sixteenth street shortly before eight o'clock this morning, blowing six men into the water. All were rescued, but two were seriously burned. They were taken to the hospital in a serious condition. A few seconds after the explosion, which were four in number, the vessel broke from its moorings and went adrift in the bay, greatly endangering the shipping. It made straight for the Golden Gate, narrowly missing a number of vessels at anchor. The vessel and a \$25,000 cargo are a total loss.

In addition to the cargo of oil and gasoline there was a large quantity of powder on board, all consigned to Cape Nome. The powder failed to explode with the gasoline, creating great apprehension as the fiery hulk drifted towards the Golden Gate. The Adele was built at Eureka, Cal.

## Colliery Afire.

Shamokin, Pa., May 23.—The Sterling colliery was set afire this morning by a dynamite blast. The three hundred miners employed escaped before the black damp collected. A fierce conflagration is raging with all the available men fighting it.

## Guilty of Horrible Crime.

San Francisco, May 23.—Leon Soeder, charged with murdering his brother-in-law, Jos. Blais, upon whose life Leon had placed several thousand dollars' insurance after luring him from Germany, was found guilty this afternoon of murder in the first degree.

## \$300 Reward.

Gilbert Smith, a member of Eugene Camp, No. 115, W. O. W., aged 28 years, was drowned in the McKenzie river near the Masterson farm, five miles north of Eugene Friday, May 20. A reward of \$100 will be paid by Eugene Camp for the recovery of the body of our deceased member.

We are also authorized to state in addition to the above amount, that Mrs. Smith, wife, and T. A. Smith, father, of Gilbert Smith, will each pay the sum of \$100 upon recovery of said body.
