Rev. McDonald Remains

W O Zeigler, who returned last night from the Oregon conference of the United Brethren church at Salem, left this city before the stationing committee had finished its work, but he was certain before he left that Rev Geo E McDonald, pastor of the church in this city, would be kept here another year.

Rev Mr McDonald has given excellent satisfaction during his pastorate here, and his many friends are pleased to know that he will remain here.

Mr. Zeigler says that reports from the denomination's state college at Philomath show a successful growth during the past year. The college building will be remodeled and enlarged this summer at a cost of \$7000 or \$8000, new equipment installed, etc.

Coburg's Celebration.

Following is a general program of the Fourth of July celebration to be held at Coburg:

- Oration, Milt A Miller, of Lebanon.
 - Log-rolling contest in the mill pond, by expert loggers, for a prize.
 - Tug of war.
 - Ball game.
 - Professional foot race.
 - Sack race.
 - Girls' race.
 - Boys' race.
 - Orange eating contest.
 - Cracker eating contest.
 - Basket dinner.
 - Fireworks in the evening.
 - Grand ball at night.
 - Music by Harrisburg orchestra.
 - A big day for everybody.
- Coburg has the finest grove in the country for a celebration. Fine water and good place to hitch teams. Everybody invited.

Irving Items.

Irving, June 27.—A good rain would be very acceptable to the farmers and gardeners.

The hay crop is now fast maturing, and will soon be ready for the mowers.

Wm. Humphrey received a fine threshing outfit this week. Mr Humphrey is one of our most progressive farmers, and believes in the most improved and scientific methods of conducting the farm, and is prospering where others have failed.

A large amount of road work is being done in this district, the result of which will be greatly appreciated when the bad weather comes again.

Messrs Chas Powell and Wiley Maxwell went to Salem today, to be in attendance at the annual session of the Y P S C E of the U B church, which convenes at that place this week. W R Lord expects to go down Wednesday morning.

Miss Livia Bond went to Cottage Grove last week, where she expects to organize a class in music. She is a fine musician, and we bespeak for her abundant patronage.

A son of W H Marden and friend, Mr Wilcox, arrived here Thursday from Wisconsin.

Mr and Mrs Carey are visiting with Joe Briggs.

R F Bond was in Eugene Friday.

Died.

Mrs Dorcas Fessenden, wife of Major Fessenden, died at her home five miles west of Eugene, Saturday afternoon, June 25, 1904, at the age of 69 years, two months and five days. The funeral was held today at 10 a m at the family home, and the remains were interred in the I O O F cemetery. The deceased leaves a husband and five children, as follows: Fred E Fessenden, of Eugene; Frank M Fessenden, of Los Angeles; Mrs Cora Weaver, of Eugene; Mrs C A Mosier, of Baker City, and Mrs Carrie Lane, of Cottage Grove.

Born.

At the family home on Cottage street, Salem, Oregon, Saturday, June 25, 1904, to Mr and Mrs Willis E McElroy, a son.

To J S Flint and wife, near Irving, June 22, 1904, a son.

June 22, 1904, to Mrs and Mr. C. O. Stolberg, an eleven-pound girl.

The Frost.

Further reports from the frost last Thursday and Friday night's state that up the McKenzie river, in the vicinity of Walterville, whole fields of corn which had attained a height of from eight inches to a foot, were completely ruined. Beans and other vegetables were also killed outright. This, together with the extremely dry weather now prevailing, is going to work a great hardship to many farmers.

A Beautiful Gift.

The Ladies of the G. A. R. were very much surprised at their regular meeting on June 25th by a gift of a beautiful Bible from Mrs R. A. Bartlett. The gift was very much needed and greatly appreciated by the members of the order.

Little Girl Scalded.

Florence West: Thelma, the three-year-old daughter of Mr and Mrs R N Weatherston, was severely scalded Wednesday morning. Her mother had set

a pan of hot water on the floor and the little girl stumbled from some cause and fell into the water. Nearly the entire surface of her back was scalded but fortunately the water was not hot enough to burn very deep.

Florence Items.

The schooner Mayflower came in from San Francisco Monday afternoon.

The schooners Wing and Wing and Kiose came in Saturday after cargoes of lumber.

J. E. Barnes is confined to his bed with an abscess. He is at the home of J. C. Phelps.

Wm. Kyle returned Wednesday evening from Eugene, where he had the satisfaction of winning his case in the circuit court. It was a suit brought by Guggenheim & Co. on a chitten bark deal.

At the annual school meeting O. W. Hard and Wm. Kyle were elected directors and W. H. Weatherston clerk. The clerk's report shows the number of children of school age in the district to be 107.

Joseph Danson, of Heeceta, informs us that he expects to start a crew of fifteen or eighteen men at work about August 1, to open the county road from Heeceta up to the Lincoln county line. Counting what he had raised by subscription and what the county court has agreed to contribute he has about \$700 to expend on the road.

All next week Dr. Lowe, the oculopriest, will be in his Eugene office. Dr. Lowe, while in New York recently, took a post-graduate course on the eye and in ophthalmic mechanics, and now has one of the best equipped outfits on the coast. If you want the best eye service, the best glasses, at reasonable prices—in fact, if you want to save money, see Dr. Lowe.

The Roseburg lodge of Elks will build a two-story building this year. The building will be of brick and stone, and will be a credit to that town. The lower floor will be used by the military company for an armory, while the second floor will be fitted for lodge purposes.

Brownsville is a "dry" town, but the Times of that place says: "A shipment of 72 bottles of beer arrived in Brownsville Saturday, consigned to several young men of the city."

SCROFULA A DISEASE WE INHERIT.

Scrofula manifests itself in many ways. Swelling of the glands of the neck and throat, Catarrh, weak eyes, white swelling, offensive sores and abscesses, skin eruptions, loss of strength and weakness in muscles and joints.

It is a miserable disease and traceable in almost every instance to some family blood taint. Scrofula is bred in the bone, is transmitted from parent to child, the seeds are planted in infancy, and unless the blood is purged and purified and every atom of the taint removed Scrofula is sure to develop at some period in your life.

150 South 5th Street. MRS. RUTH BERKLY, Salina, Kan.

No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds up the blood, makes it rich and pure, and under the tonic effects of this great Blood Remedy, the general health improves, the digestive organs are strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions, and other symptoms of Scrofula disappear.

S. S. S. is guaranteed purely vegetable and harmless; an ideal blood purifier and tonic that removes all blood taint and builds up weak constitutions. Our physicians will advise without charge, all who write us about their case. Book mailed free.

THE CROWDS ARE GROWING GREATER EVERY DAY

Men's, Boys', Misses' and Children's elegant Straw Hats at 19c Each

THEY HAVE HEARD OF THE SALE!

And they have sent word to their friends and neighbors. **MONDAY MORNING** we start in on our **Second Week** of this **Gigantic Cash Getting Sale**, which is proving to be the most bountiful harvest that ever visited the city of Eugene. And the people seem to appreciate our efforts, we believe by the looks of things, that every road leading into the city for miles around was lined with people. They saw us selling Clothing, Men's Suits in many styles at less than some get for Boys' Suits. They saw they could buy Clothing, Shoes, Dry Goods, underwear of every description for less money than they ever bought them for in their lives. It will be a gala week for the people who want any kind of merchandise from a paper of pins to a dress suit for Man, Woman or Boy.

We piled out and sold to the people in the last six days, more goods we believe than ever went from a single store in Eugene, and we sold these goods at the prices we made last week in print. It was nothing to hear a man or woman ask their neighbors: "Why, how much did those great big bundles cost?" and it did not take them long to tell. Some had \$150 worth, others had \$1.97 worth, and a good many of 'em had \$4.00, \$7.00 or \$12.00 worth in their several bundles, and you never in your life saw such big bundles of goods delivered for so small an amount of money. It is a harvest right here in this big store for the people.
