A VISIT TO DR.

DARRIN'S OFFICE

What He Saw and Heard of Dr.

Darrin's Wonderful Cures by Electricity

Eugene seems to be full of "wise people," judging from the steady stream of callers at the office of the celebrated Dr. Darrin at the Smeede Hotel. He is making wonderful cures and letters of gratitude are being daily received, showing satisfactory results of his skill in treating diseases. The following cards are selected from the many, and most of them are well and favorably known to the reporter of this paper and we have conversed with them at different times. All give high praise to the doctor.

Dr. Darrin has reduced his professional fees so as to accommodate many of the afflicted who were unable to meet his terms in the past, and also for the benefit of those who have hesitated to apply to him.

G. A. PIPES' CARD.

Mr. Editor:—Dr. Darrin has cured me of constipation, heart, stomach and liver troubles, and also numbness of the feet and hands. I reside at Lorraine, Or., and can be referred to.

G. A. PIPES.

AN ALBANY LADY'S CARD.

To the Editor:—For some time I have been troubled with rheumatism, dullness of hearing, inflammation of the bladder, biliousness, etc. Through Dr. Darrin's electrical and medical skill I have recovered and cheerfully commend him to the public. I reside at 308 First street, Albany.

MRS. N. E. OLIN.

MRS. PET CRABTREE CURED.

To the Editor:—I am happy to state that Dr. Darrin's electrical and medical treatment has been a success in curing me of rheumatism and catarrh. Refer your readers to me at Crabtree.

MRS. PET CRABTREE.

NO MORE PAIN FOR HER.

To the Editor:—For a long time I have been afflicted with what physicians call a cancerous tumor of my breast which gave me great pain. I have been under Dr. Darrin's electrical treatment and my trouble has disappeared. I am correspondingly happy over the result. Refer to me at Pratum, Marion county, Oregon.

MRS. G. WILLS.

The afflicted should call upon Dr. Darrin. If the case is hopeless he will so inform the patient. If he takes the case it is large odds that the patient will be permanently cured.

Remember, Dr. Darrin will be at the Smeede Hotel, Eugene, until November 12 only. Examination is free and charges \$10 a month for the time required. The poor free, except medicines.

# CATARRH OF WINTER

Every Catarrh sufferer dreads the return of cold weather, for at the first cold breath of the season this plague of Winter is fanned into life with all its miserable symptoms. The nostrils are stopped up, and a constant dripping of mucus back into the throat keeps up a continual hacking and spitting, the patient has dull headaches, ringing noises in the ears and a half sick, depressed feeling all the time. Every inner lining and tissue of the body becomes inflamed, and secretes an unhealthy matter which is absorbed into the blood and distributed to all parts of the body, and the disease becomes constitutional. The catarrhal poison brings on stomach troubles, affects the kidneys and bladder, attacks the soft bones of the throat and head and if not checked leads to Consumption. A disease so deep-seated and dangerous cannot be washed out, neither can it be smoked away. Sprays, washes, inhalations, etc., are useless, because they only reach the membranes and tissues, while the real cause of the disease is in the blood. S. S. S. cures Catarrh because it attacks it through the blood; it goes into the circulation and drives out all unhealthy accumulations and catarrhal matter, and when this is done every part of the system receives a supply of rich, pure blood. Then the inflamed membranes and tissues heal, all discharge ceases, the depressed feeling of the body is relieved, and every symptom passes away. S. S. S. goes to the very root of the trouble, and by purifying and enriching the blood and building up the entire system, cures Catarrh permanently. If you have Catarrh do not waste time with local remedies, but begin S. S. S. and write for our book and any medical advice without charge.
