NOT DISTURBED BY ANONYMOUS LETTER

Junction City, April 17.—Councilman C.P. Houston seems undisturbed by the threatening anonymous letter sent him Sunday. Mr. Houston has taken a decided stand in matters of city government, having been active in the passage of a blanket ordinance prohibiting all kinds of gambling, slot machines, billiard tables, pool and bowling, and making it unlawful to place on sale or to give away liquors of any kind. It is thought the letter was intended to intimidate him and prevent further participation by him in "closed town" legislation under fear of personal injury.

The letter received by Mr. Houston was decorated with crude designs of skull and crossbones and coffin, and contained a small quantity of shavings—a possible threat of arson. In Mr. Houston's store, which was robbed last week, was found a handkerchief bearing laundry mark "7480."

SAN FRANCISCO A SEETHING FURNACE

Dallas, Texas, April 18.—The Postal Telegraph Co. has received a message that says nearly 3000 are dead at San Francisco. From an elevation the city appears a seething furnace.

GOVERNMENT BUREAU RECORDS EARTHQUAKE

Washington, April 18.—The Seismograph in the weather bureau here recorded the San Francisco earthquake. The instrument was violently agitated all morning.

EARTHQUAKE AND FIRE AT SAN FRANCISCO

One of the Greatest Calamities in the History of the United States--2500 Persons Killed in the Bay City This Morning

Fifty Blocks Destroyed--Government Asked to Furnish Transports So Dead Can Be Buried at Sea--Crevice Six Feet Wide on Valencia Street--Other Cities Suffer Severely From Earthquake

SACRAMENTO, APRIL 18.—A SEVERE EARTHQUAKE OCCURRED THROUGHOUT CENTRAL CALIFORNIA. THE MOST DAMAGE IS REPORTED FROM SAN FRANCISCO, WHICH IS CUT OFF FROM COMMUNICATION ENTIRELY. IT IS REPORTED THAT OVER ONE THOUSAND LIVES WERE LOST. MARKET STREET IS ABLAZE AND THE WATER MAINS ARE ALL BURST.

San Francisco, April 18.—As a result of the earthquake the estimated dead vary, the reports being very confusing and conflicting, but it is believed at least two thousand are dead. The reports centering at police headquarters are appalling, most all of which have been verified. Application has been made to the United States government for transports to take the bodies to be buried at sea. So many are mutilated that it is impossible to care for them ashore. The cities across the bay suffered and were shaken up severely. The suburban departments are fighting many fires.

The Valencia Hotel, at Seventeenth and Valencia, has collapsed and 75 are buried in the debris. The Kinsley Hotel, at Howard and Mission streets, collapsed and is on fire, and 80 are supposed to be in the flames and debris. The Lipman dry goods store is on fire.

At Eighteenth and Valencia streets a crevice six feet wide is in the street. The sidewalks are torn up and car tracks are badly twisted. Many buildings have sunk six feet. Fifty blocks have been destroyed.

Along Pine, Bush and Market streets the front of the buildings fell into

LEADS IN TILLAMOOK COUNTY

The following editorial appearing in the Tillamook Headlight of March 22d says how strong the candidacy of M. M. Cake is in Tillamook county: "M. M. Cake, who is a candidate for nomination on the Republican ticket for United States senator, so far as we are reliably informed, will land the nomination with a big majority. It is not surprising news, for it was generally conceded that when Mr. Cake announced himself a candidate he would receive the hearty support of a large number of friends all over the state. It is the character of a man and his clean record that is bringing him so prominently into prominence, for this is an age when people are looking for men of the highest integrity, and who are clean." "H. M. Cake, and the people of Tillamook will never regret casting their vote for him. We predict that he will land the nomination with a big majority, and it will be his duty to convince the state legislature that he is decidedly the choice of the people."

MS. CRUZAN GIVEN A HEAVY FINE

The case of Mrs. Allie Cruzan, accused of being a dissolute character, came up again late yesterday afternoon in the police court and she was fined \$150. Judge Dorris gave her 15 days in which to raise the fine, and if she fails to do so or if she does not leave town, she will have to serve the fine out in the city jail. Mrs. Hughes, whose case was continued, has left the city.

Knox Huston Dead

Knox Huston, Lane county pioneer and a pioneer of Crook county, died at his home in Prineville Tuesday afternoon, April 10, of Bright's disease, from which he had long been suffering. He was nearly seventy years of age. Mr. Huston came to Lane county in 1853, and later to Crook county in 1884. He was a surveyor of that county several terms. The burial took place at Prineville Friday.

COTTAGE GROVE WANTS THE EUGENE LOCAL

Cottage Grove wants the Eugene local train extended to that city. At a meeting of the Commercial Club of that place Monday night the secretary was instructed to correspond with the S. P. officials asking that this be done. It would be an advantage to the people of that city, as at present a person must occupy two days in making a trip to Eugene and return unless he wants to travel in the middle of the night.

HURD VS. KYLE CASE HEARD

The case of the Hurd Lumber Co. vs. the Kyle Lumber Co. for injunction and damages was heard before Judge Hamilton this afternoon. The defendants, through their attorneys, C. A. Hardy and L. Bilyeu, present the case. Judge Moreland, of Portland, and A. C. Woodcock, of Eugene, are the attorneys for the Hurd people.

Crow Items

Crow, April 16.—Merle Nighswander continues very ill. A. J. Kraal left Thursday for Gold Hill, Or., to begin painting for the S. P. R. R. Co. Mrs. Margaret Liles went to Drain to spend Easter with her children and grandchildren, who are there attending normal school. Mrs. B. D. McLean was out from Eugene to visit her sister, Mrs. Kraal, last week. Mrs. W. B. Smith went to Eugene Thursday to visit her son, Norris, who is ill there in the hospital. Walter Lawrence has been quite ill with rheumatic fever, but was better at last account. J.
