

MONUMENTS FOR HISTORIC SITES OF EARLY EUGENE

Upon the suggestion of Prof. G. Young, of the University of Oregon, Miss Anna Whiteaker is calling the other day for a meeting of the Native Daughters to discuss the matter of making some of the historic places in Eugene and vicinity more accessible to the public. The meeting was held and pretty thoroughly discussed. It was decided to mark the sites of the historic columns from Skinner's building.

These columns will be approximately 10 feet high and will be planned to mark such sites as the location of the Skinner cabin, the house built in Eugene; the site where the first court was held, where under a large oak tree in vicinity of where Green's grocery is now located and the site of the first school house. The last is in doubt. Some think that the school was located on the site of Skinner's Butte, about 1/2 mile from the city. Others think it was on the site of the residence of Mrs. Idaho Campbell's residence, and others are of opinion that Columbia college on the site of the first. The matter will be looked up and the columns will be properly located. It was planned to place a tablet on the cherry tree in the street at the corner of West Sixth and Lincoln streets. This was the first fruit tree set in Eugene.

It was expected that the work of marking these monuments will be completed by July 4, and it is planned by the Native Daughters to hold that day, in lieu of a celebration in Eugene, dedicatory or unveiling ceremonies.

Committees have been named by Whiteaker as follows:

Finance—Mrs. Emma Preston, Mrs. A. Howe, Miss Therese Friendly, and Means—Miss Ida Patterson, Mrs. Idaho F. Campbell, Mrs. Potter.

Program—Mrs. M. A. Kuykendall, Mrs. L. Spencer, Mrs. Emma Means, Miss Bessie Day, Mrs. Lucy Burroughs.
