

ALL SUBSCRIBERS SHOULD READ THIS

Statements of account up to May 1, 1935, are being sent out to all delinquent subscribers of the Weekly Guard. That was the date when the business was transferred from the Campbell Bros. to the Guard Printing Co., Inc.

We trust that all those who are in arrears will remit promptly in full or in part, as they are best able to do. And in order to make an inducement to all to pay in advance, we will give the "Oregon Agriculturist," the best farm, fruit and stock paper in the Northwest, free for one year to all who will pay \$1.50 in advance for a year's subscription to the Weekly Guard. This applies alike to old and new subscribers, and we would like to have our friends tell their neighbors who do not take the Guard about it, so that they may take advantage of the offer.

The Weekly Guard now prints a very interesting serial story, and contains a full local and Portland market report. In a short time, when our new press arrives here from the East, the paper will be much improved, as well as enlarged.

We also make the following special clubbing offers to those who pay for the Guard in advance:

Weekly Guard and St. Louis Twice-a-Week Republic, both, \$1.75.

Weekly Guard and Semi-Weekly Oregon Journal (Portland), \$2.25.

We can also get you any other publication you desire at reduced prices.

SPECIAL NOTICE

Some time ago, before the Guard Printing Co. purchased this paper, a number of subscriptions were taken on the promise of sending free several other publications. The Guard acted in good faith in this matter and paid the Eastern publishers for their magazines to be sent according to contract, but it seems that some of them were never received by the subscribers. Now in order to show our good faith in the matter, we will send either the "Oregon Agriculturist" or "St. Louis Republic" (semi-weekly) for a year to all those who failed to receive these premium papers. We are very sorry the Eastern publishers did not keep their contract, as they have the Guard's money and have given nothing in return for it, and are willing to go to this extra expense in order that our subscribers may get as nearly as possible what they paid their money for.

If you did not receive these premium papers drop us a line with your name and address and state which one of the other papers you prefer.

Lorane Items

Lorane, June 28.—Addison and Ross have commenced hauling ties.

Miss Ida Mack and Miss Ruby Moore are guests at the home of L. E. Ward.

E. S. Addison's arm was broken last Thursday while working on the road. Dr. Job, of Cottage Grove, was called to set it and Mr. Addison is now able to be up and around to the delight of his many friends, though it will be some time before he can play baseball.

Born—To Mr. and Mrs. E. S. Addison Thursday night, a fine girl.

Rev. Van Fossen, of Drain, conducted the quarterly meeting here last Saturday and Sunday. The services on Sunday were well attended and greatly enjoyed.

Announcement

I will fill my regular appointment at Elmira Saturday and Sunday as usual. A good attendance at 2:30 Saturday is requested, as matters of importance for transaction will claim our attention.

I will preach the second sermon of the series of sermons on the second coming of Christ Sunday at 11 a. m. Everybody is invited to attend.

D. E. BAKER, Pastor.

T. J. Duckworth was in town from Camp Creek Saturday. He reports grain crops well along in that section and looking fine.

R. P. Inman, of Junction R. F. D. No. 3, was a business caller at the Guard office Saturday.

SHERIFF FRED FISK'S LARGE MAJORITY

The Portland Journal has the following concerning the late election in Lane county:

"No doubt one of the best political runs made in the state of Oregon at the late election was made by Sheriff Fred Fisk in Lane county.

"Sheriff Fisk, a Democrat, was elected by 1989 majority, notwithstanding the fact that Lane county is 1280 Republican. In 1894 he won by 630 majority under the same conditions. Sheriff Fisk is a graduate of the University of Oregon, class of 1897. He entered the sheriff's office as deputy in 1898 and was appointed sheriff in 1903 upon the death of Sheriff Withers and in 1904 and 1906 was elected as above.

"Sheriff Fisk is a thorough business and clerical man and has an excellent record as a criminal officer, being considered one of the best sheriffs in the Northwest. His vote surely shows that he is all right among the people of Lane county."

It will be seen that Sheriff Fisk at the late election beat W. J. Warner, the Republican nominee, just 660 votes more than he beat the late J. S. Stiles in 1904.

HOP SALE AT LOWER PRICE.

With the great improvement in hop crop prospects there is not now so great a demand for 1935's as a week or so ago. There are still a few orders in the market—there always are—but the prices are too low to consider. John V. Swan, of Portland, who has a hop ranch along the Clackamas-Marion county lines, sold 14 bales of choice hops of 1935 growth Tuesday afternoon at 10½c per pound. The sale was made on an order from the East. Swan has been offering his hops for sale for some time, and a week or so gave an option on them to a local dealer at a slightly advanced figure. The option was allowed to go by. The present inactivity of the market is causing the few remaining holders to become afflicted with cold feet. Several other sales are reported around the same figure.
