SURVEYORS OF O. R. & N. CO. UP M'KENZIE

Chas. Gilman Hyde, O. C. Merrill, E. M. Chandler, Milan Nivelitch and W. B. Ayer, a party of civil engineers in the employ of the O. R. & N. Co., arrived in Eugene on one of the delayed trains this morning and left shortly after noon on a trip up the McKenzie to do reconnaissance work. The party has been similarly engaged in Southern Oregon during the summer and will spend several weeks at the work up the McKenzie. When asked as to the object of this work the members of the party stated that they knew nothing further than that they were ordered here a few days ago. The O. R. & N. Co. has quite a number of surveyors in different parts of the state reconnaissance surveying and this McKenzie job is part of the work mapped out.

CHARLES F. MUSER DIES FROM INJURIES

Charles F. Muser, the aged real estate dealer, who was injured by falling on the cement sidewalk in front of Barker's store on East Ninth street July 21, died at his home, 172 West Eighth street, this morning at three o'clock, after suffering intensely since the accident. One of his hip bones was broken and on account of his advanced age his physicians at once saw that it was not likely that he would recover.

The deceased was born at Baden, Germany, over 78 years ago. Being of poor parentage he was compelled to work in factories while very young and when he became of age served three years and four months in the German regular army. He came to the United States in 1857, landing at Philadelphia, where he worked in a sugar refinery for over five years. He then came to the Pacific coast, settling in California. After a few years residence there he came to Oregon and bought a farm in the river bottom. Losing heavily by floods he came to Eugene a number of years ago and became engaged in the real estate business. He was known as a practical and honest man in his business dealings. It is said that \$5 was his fee for selling a piece of property, whether it was large or small. He had a large amount of property listed. The deceased was of a religious turn of mind and upright in all things.

The funeral will be held tomorrow forenoon at 10 o'clock in Gordon's undertaking rooms, the services to be conducted by Rev. E. A. Child. The body will be interred in the I. O. O. cemetery, beside that of his wife.

A Tragic Finish

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth Melver, of Vanceboro, Me., permitted a cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by the neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at W. L. DeLano's drug store. 50c and \$1.00. Trial bottle free.

House Paint and Varnishes at Cost

IMP OF INDIGESTION

How to Get the Better of This Cause of Misery

A scientific writer upon stomach troubles says: "If you have ever suffered from indigestion—and who has not?—your imagination has probably pictured a ferocious little imp dancing in the pit of your stomach, causing that organ to neglect all of its duties, with a result that is not only painful, but fills you with misery from day to day." This writer certainly had suffered with indigestion, for there is no more disagreeable, nerve-racking and sick-all-over disease than indigestion.

A great many people who have been treated for years for diseases of the heart, liver or kidneys, when they used Miona stomach tablets found that not only did Miona cure the stomach disorder, but it made them well all over and the other troubles were also cured.

If you suffer with nervousness, sleeplessness, indigestion, sick or nervous headache, pains in the back or sides, get a 50c box of Miona from Hull's drug store and take one of the little tablets before each meal. It will do you a world of good and you will soon be well and free from indigestion and its symptoms. Mr. Hull has such faith in this medicine that he gives an absolute guarantee with every box. Ask him to show you this guarantee.
