VETERANS MARCH IN BIG PARADE AT MINNEAPOLIS

Ex-Governor VanSant Was Grand Marshal of G. A. R. Host—An Escort of Veterans, Splendidly Drilled and Uniformed, Attended Commander in Chief

Minneapolis, Aug. 15.—The fortieth parade of the G. A. R. marched through the streets of the city today. Ex-Governor VanSant was grand marshal and Adjutant General Wood chief of staff. An escort of veterans composed of the regimental staff officers of the Minnesota National Guard and Columbia post, of Chicago, splendidly drilled, escorted Commander-in-Chief Tanner.

Thomas H. Martin, aged 65, of Washington, D. C., senior vice commander of the G. A. R., dropped dead today while marching in the parade. Physicians had warned him not to march.

This makes three who have passed away since the beginning of the present encampment. J. H. Burke, of Burlingame, Kan., fell dead while standing in front of the clerk's desk in the Pauley hotel. Death was caused by apoplexy induced by the heat. Another death was that of George Smith, a former member of the First New York Dragoons.

TWO ACCIDENTS IN SOUTHERN LANE

Harvey Lajoie, the 16-year-old son of Henry Lajoie, residing near Walker, was accidentally shot in the right leg with a pistol Sunday. He had cocked the pistol to shoot at a squirrel and placed the piece back in his pocket without uncocking it, when it was discharged. Drs. Kime and Hockett removed the bullet, which had lodged under the bone back of the knee. The wound is not dangerous.

Fred Jones, a logging worker for the Chambers Lumber Co. at Dorena, had a bad accident about ten o'clock Tuesday morning. He was going up the log chute and stopped to cut a young maple out of the way, but his ax caught in another tree and descending struck his right foot completely severing the big toe and the two toes next to it, and badly cutting the fourth. He was immediately brought to Dorena, and just caught the train which hurried him to town where Drs. Job and Oglesby dressed the foot, sewing the toes back in place. A large artery was severed.—Cottage Grove Nugget.

WORK PROGRESSING AT WALDO LAKE

D. Black, who with his father, A. R. Black, the well-known irrigation promoter, has been at Waldo Lake during the summer doing preliminary work for the big irrigation scheme planned for the upper Willamette valley, arrived in Eugene yesterday, accompanied by Civil Engineer Simon Klodohl.

To a Guard reporter last evening Mr. Black stated that considerable work has been done in the vicinity of the lake this summer. A good trail has been built from the Military road to the lake, buildings for the men have been put up, new soundings of the water in the lake have been taken and considerable more data has been secured.

Political Notes

Boss Murphy's organ, the New York Telegraph, predicts the nomination of Wm. R. Hearst for governor by the Democrats. This is regarded as significant.

Senator W. A. Clarke would not decline the vice presidential nomination with Bryan, so the politicians say.

Bourke Cochran is the latest former gold Democrat to declare for Bryan as president.

E. P. Williams of Pleasant Hill was a pleasant caller at the Guard office Monday.

YOUNG WOMAN BRUTALLY WHIPPED BY CRACK TROOPERS

Popular and Refined Lady Made Jesting Remark Concerning Troops While on Streets—Flogged Until Injuries May Prove Fatal and Papers Printing the News Are Confiscated—Czar Is Warmly Welcomed By Troops Who Are Still Loyal to Government

St. Petersburg, Aug. 15.—Mlle. Smirnof, a refined young woman, while walking on the street with companions, remarked as a squadron of crack chevaller guards rode by: "They look as gay as if they took Port Arthur."

The commander, who overheard the remark, ordered the troops to wheel and the girl was taken to the colonel at the barracks. She was then taken to the parade grounds and thrashed in the presence of the officers, tearing her clothing and raising welts on her back, which were so swollen that the

doctors cannot tell the extent of her internal injuries.

Some of the papers printing the story have been confiscated. Popular indignation is at white heat over the outrage.

TROOPS ARE LOYAL.
The emperor today reviewed the troops and cheers greeted the czar wherever he appeared, there being no signs of dissatisfaction. The empress and queen of Greece rode among the troops with the emperor.

Just as the review started the czar-ovitch began to cry, and his father took him beside him on his saddle, while the troops laughed and cheered.

MILITARY ROAD GRANT SOLD TO SYNDICATE

Today's Oregonian tells of the purchase of the old Military wagon road grant, extending across the Cascade mountains to the eastern border of the state, as follows:

"Ownership of almost one one-hundredth of the entire area of the state of Oregon changed yesterday. After extended negotiations the greater portion of the land included in the old Oregon Central Military Road grant was transferred from the California and Oregon Land Company to a syndicate composed of Eastern and California capitalists. Approximately 500,000 acres are included in the sale and the consideration involved in the deal is supposed to be in the neighborhood of \$700,000.

The principal purchasers of this great tract of Oregon land, which is in itself almost enough for an empire, are the Hunter Land Company, of Minneapolis, Minn., and Richard Sykes, a capitalist, of Santa Barbara, Cal. Associated with them are the W. B. S. Trimble Company, of Jamestown, N. D., and Andrew E. Johnson, vice president of the Hunter Land Company and president of the A. E. Johnson Land & Steamship Company. The California and Oregon Land Company, the corporation which held the land and has made the sale, is owned and controlled by the Booth-Kelly Lumber Company, of Eugene, Or.

"The land sold consists of that portion of the Oregon Central Military road extending from the Cascade range forest reserve to the Idaho line, with the exception of the section in the Klamath reservation."

R. A. Booth, vice president and manager of the Booth-Kelly Lumber Co., when asked today concerning the sale, replied that the Oregonian was mistaken in the company that owned the land. Instead of the California and Oregon Land Co. it is the Oregon Land and Livestock Co., incorporated in Eugene about four years ago. It is not controlled by the Booth-Kelly Co., but a number of Booth-Kelly people, including Mr. Booth, hold stock in the company.

BASEBALL GAME AT SPRINGFIELD

The Northwest Gun and Bicycle Co.'s baseball team will come up from Portland again next Sunday and play the Springfield Blues another game. In the previous game between these teams the Portlanders won, but the Lane county lads expect to turn the tables this time.

J. S. Smith, of Creswell, now employed on the Southern Pacific railroad at Divide, was in Eugene Friday.

STRUGGLE FOR SINGLE FARE STILL CONTINUES

Serious Riot Occurred This Morning in Which Some Were Badly Hurt and Others Arrested—Sidelacked Passengers Wreck the Cars of the Company

New York, Aug. 15.—A riot on the Brooklyn Rapid Transit road this morning was caused by an assault on passengers refusing to pay a second fare to Coney Island. Before it was quelled one man was dangerously wounded and several others arrested. A car had been sidetracked because a number of passengers refused to pay. General Superintendent Smith was nearly killed before the police rescued him.

Nineteen cars were sidetracked loaded with passengers, who wrecked them gleefully.

WILL GIVE REBATES.

New York, Aug. 15.—The Brooklyn Rapid Transit city officials have agreed upon a ten cent fare, but the company will issue rebate checks, which will be good if the courts finally decide against the company. The company promises to bring a suit to test the case immediately.

VERY SERIOUS FIRE UP THE SANTIAM

Albany, Or., Aug. 13.—When all hope had about been abandoned, word was received here today that the town of Detroit had escaped destruction from the immense forest fire which is sweeping up the canyon of the North Santiam. The fire is raging in the dense, standing timber back in the mountains, and great loss is ensuing.

The latest reports are that the fire is eating its way through one of the finest beds of timber in the Cascade Mountains. It extends for a mile and a half either side of the North Santiam river, and has also turned up the Breitenbusch canyon. The village of Berry, on the north fork of the Santiam river, was destroyed by the fire Saturday.

SECRETARY SHAW IS BUYING SILVER

Washington, Aug. 15.—It is announced that Secretary Shaw bought five thousand ounces of silver at six and six-tenths per ounce, delivered at New Orleans.

Married

Miss Gertrude L. Grousbek and Edson L. Barnett were married at the home of D. Grousbek at Creswell, Aug. 10, Rev. J. L. Stratford, pastor of the M. E. church, officiating.

Otis Logan, formerly of Eugene, was preliminary in Portland Sunday evening at 8 o'clock, to Miss Eva Smith of that city.

Springfield, Aug. 14.—J. J. Bryan will soon begin the erection of a two-story frame business building just east of his building, now occupied by Innis & Culp's barber shop. He has a tenant in sight. Mr. Bryan is also preparing to erect two neat cottages. Thus Springfield grows apace.

Work on the Southern Pacific Co.'s bridge across the Willamette is progressing better than it has for some time past. The bents from the center pier to the east bank have been put in and the work on are now working on the west half.

Judge Chrisman today appointed Warren G. Andrews, of the lower Siuslaw country, administrator of the estate of his wife, Hat'ie A. Andrews, who died in the insane asylum at Salem July 2. A. Hollenbeck, Levi Hollenbeck and Tuos Orge were appointed appraisers (if the property). Mrs. Andrews left a will bequeathing \$1 to her daughter, Jennie, and the remainder of her property to her husband. The value of the property is between \$50 and \$100.

J. M. Carter, of Lowell, was a business caller at the Guard office last Thursday.
