## RECEPTION FOR BRYAN AT HIS HOME

All Parties Unite to Do Honor to Nebraska's Favorite Son--Governor and Mayor Will Deliver Addresses of Welcome--Every Town in the State Sends Delegates

Lincoln, Sept. 5.—A greeting in marked contrast to the enmity of six years ago awaits Wm. J. Bryan's arrival at 6 o'clock this evening. The town is adame with patriotic colors and pictures of Bryan, displayed regardless of party affiliations. A hundred horsemen will escort the party from the train to the public grounds, where Governor Mickey and Mayor Brownson will deliver addresses of welcome. Every town in the state has sent delegations to swell the crowd.

### SCORES SULLIVAN.

Chicago, Sept. 5.—Bryan's second speech in this city, made at a banquet in his honor by the Jefferson Club, was devoted to National Committee-man Roger C. Sullivan, whose resignation Bryan demanded, but who was endorsed by the recent state convention which also declared in favor of Mr. Bryan as the next Democratic nominee for president.

Bryan not only scored Sullivan and his political methods unmercifully, but informed the Democrats present, many of whom were delegates to the recent state convention, if they accepted Sullivan they could not endorse him in any way. He informed them emphatically that if Sullivan did not have the non-approval of Democrats of Illinois that he (Bryan) repudiated their endorsement of him.

### HE STANDS PAT.

Chicago, Sept. 5.—Piotrowski, the Democratic candidate for state treasurer, today replied to Bryan's declaration that no candidate is entitled to Democratic support if connected with Sullivan. He refuses to withdraw and refuses to repudiate Sullivan.

### FOLK IS BETTER.

Jefferson City, Mo., Sept. 5.—Governor Folk is better.

## BOLD ROBBERY OF RAINIER BANK

Rainier, Or., Sept. 3.—While the cashier lay bound hand and foot, gagged and tied to a table in a back-room, two bandits leisurely looted the State Bank of Rainier in broad daylight yesterday afternoon. It was two hours before their unfortunate victim was able to free himself sufficiently to give the alarm and in the meantime the robbers had made their escape, taking with them between \$2000 and \$2500 in gold coin.

P. W. Van Acher, the cashier, was the only person in the bank when the robbery was committed, having come down, although it was a holiday to work on his books.

L. A. Brandenburg, who has conducted the Matlock lodging house for the past year, is moving his furniture to Springfield, where he will conduct a similar business in the new Fleming block. He will also conduct a restaurant and cigar store.

## HAS STENSLAND BRIBED SULTAN TO LET HIM STAY

State Department Officials Begin to Think So Because Ruler of Morocco Does Not Reply to Requests for Fugitive's Extradition--Officials of Defunct Real Estate Trust Company Arrested on Warrants Sworn Out by One of Their Victims

Washington, Sept. 5.—Failure to hear from the Sultan of Morocco in regard to Banker Stensland's return leads some to think that the defaulter has bribed the sultan. The officials are of the opinion that if the sultan wishes it the fugitive will be perfectly safe within his domains.

### REPORT TO CONTRARY.

Washington, Sept. 5.—A dispatch from Minister Gummere, received this afternoon, gives definite information that the Sultan will not hinder the return of Stensland.

### ILLINOIS OFFICIALS ACTIVE.

Chicago, Sept. 5.—Assistant State's Attorney Barbour yesterday made a demand on the United States government for a writ in which to bring Paul O. Stensland, the banker, now under arrest in Tangiers, back to this country. The request was today sent by Mr. Barbour to Governor Dineen, following a series of communications between the state executive and Acting Secretary of State

Edee at Washington. Mr. Barbour urged the seeming peril of bringing Stensland across foreign countries, where the prisoner might suddenly balk at the prospect of returning to the United States. Moreover, Mr. Barbour asserts that Stensland may kill himself, and points out with vigor the advisability of having Stensland brought back to this country as a federal prisoner on board a warship.

### TRUST OFFICIALS HELD.

Philadelphia, Sept. 5.—On warrants charging conspiracy for embezzlement and the making out of false returns, sworn out by a depositor of the wrecked Real Estate Trust Company, Adolph Segal, Wm. North, treasurer, and M. S. Collingwood, assistant treasurer, of the failed bank, they were arrested today. This morning they were arraigned before a police magistrate and Segal's bonds placed at \$25,000. The others were held in the sum of \$10,000 each.

The prisoners gave bonds and were released.

## MILWAUKEE ROUTE FULLY DECIDED

Chicago, Sept. 5.—Conflicting reports as to the route of the extension of the Chicago, Milwaukee & St. Paul railroad to the Pacific coast have been settled by the official announcement from the general office in Chicago that right of way had been secured from Glenham, South Dakota, to Butte, Montana, 731 miles, and that construction work on that portion of the line had been under way since April. From Butte to Seattle the route has not been laid out definitely, but reports from engineers on various rights of way are expected to be completed in time to enable the officials to announce definite plans within 30 days.

The cost of extending the road to the Pacific coast is roughly estimated at \$80,000,000, or \$40,000 a mile for the 1500 miles, the distance from Glenham to Butte being 731 miles.

## "OUR GEORGE" LEADS FOR HIGH HONOR

Boise, Sept. 5.—As the irrigation congress comes to a close the delegates are taking a lively interest in the question of where the next session is to be held. Sacramento seems to be in the lead, but a strong fight is being put up in behalf of Reno and Las Vegas. There are many adherents of the plan to go to Washington city in order to emphasize upon congress the necessity of appropriating \$100,000,000 dollars for reclamation work.

Governor Chamberlain leads in the race for the presidency of the congress, although he says he does not want it.

## FORMER BOSS WILL FIGHT FOR BRYAN'S ELECTION

Richard Croker Would Not Again Lead Tammany But He Will Re-Enter Political Arena to Help Elect Nebraskan--So Stated at Recent Dinner in Belfast

## GOAL FIELDS BOUGHT BY COPPER MINERS

Medford, Or., Sept. 4.—A deal under consideration for some time has just been consummated by which the coal bed recently uncovered east of Medford passed into the hands of R. S. Towne of the Blue Lodge copper mine, who will at once put 20 men, under the supervision of R. P. Little, at work running tunnels into the hill back of the present exposures to exploit the beds.

The quality of the coal is fair and it is thought it will answer for a smelter to be constructed for the Blue Lodge mine. Prospecting has been done before in this locality but the work was confined to the slide formation which appears in later developments. It is evident that a valuable coal mine has been discovered within four miles of Medford which has immense value in developing the copper mines tributary to the town.
